Mary Rodgers

Freaky Monday Mary Rodgers, Heather Hach, 2009-05-05 Hadley is pretty much the model student: straight As, perfect attendance, front row in class. So what if she's overstressed and overscheduled: She's got school covered. (Life—not so much.) Ms. Pitt is the kind of teacher who wants you to call her by her first name and puts all the chairs in a circle and tells her students to feel their book reports. Hadley wishes Ms. Pitt would stick to her lesson plan. Ms. Pitt wishes Hadley would lighten up. So when Hadley and Ms. Pitt find themselves switched into each other's bodies, the first thing they want to do is switch right back. It takes a family crisis, a baffled principal, and a (double) first kiss to help them figure out that change can be pretty enlightening. Even if it is a little freaky!

Freaky and Fearless: The Art of Being a Freak Robin Etherington, 2016-09-08 Could Whippet be developing his own comic superpower? The boys are heading off to the woods for an Explorers' Camp weekend. They'd rather be at home reading comics, but it should take their minds off the super-weird events of two weeks ago. They haven't seen Lucy since their destruction of the Snotticus, and Mossy's superpower hasn't worked since then either, so maybe it's time to move on. Lake Shore must be monster-free now! Anyway, with caveman-like Ted Recks (AKA T Rex) as camp leader the boys will be more than safe this weekend, right? Luckily for Simon & Whippet help is closer than they think, and their combined talent for Telling and Drawing stories is about to come in very handy indeed. With out-of-this-world artwork by Jan Bielecki, FREAKY & FEARLESS is a fun-filled series like no other!

Freaky Frights Larry Sells, 2004 Stories written by some of horror best. Edited by Larry Sells. Sells Publications and Freaky Frights first anthology.

Freaky in Fresno Laurie Boyle Crompton, 2020-02-11 One pink convertible, two estranged cousins, and a fateful summer road trip. When geeky horror movie fanatic Ricki and makeup guru Lana accidentally switch bodies they will have to work together to straighten out their lives and swap back to their rightful body before calamity strikes. Freaky in Fresno is a fresh take that is part Freaky Friday, part romcom, and all heart. Ricki has one goal: save the Starlight Drive-in movie theater from going dark forever. Okay, make that two goals ... she may also want a first kiss from her cinema-rescuing partner and major crush, Jake. Lana definitely has only one goal: grow her online makeup channel to keep her momager off her back, even if the posts attract ugly internet trolls. The two cousins couldn't be more different, but their opposite personalities come crashing to a head when their aunt gifts the girls a vintage cotton-candy-pink convertible. To share. Ricki wants the convertible for the drive-in's grand reopening, but it's the same day as Digifest, a huge event where Lana needs to shine. After a major fight and a minor electric shock while wrestling over the wheel, Ricki wakes up as Lana, and Lana wakes up as Ricki. Ricki and Lana have only a day to un-swap themselves, a task made even more difficult as they try to keep up appearances on Lana's channel and with Ricki's hopefully-soon-to-be-kissed crush. But it turns out experiencing a day as each

other—with a mini road trip and Chihuahua wrangling—may be the one thing that help the cousins see each other and themselves more clearly. *Freaky in Fresno*: Addresses topics such as family and friendship, mental health and self-worth, and online presence Pays homage to beloved 80s movies, hilarious *Freaky Friday* twists, cult horror classics, and scream queens like Jamie Lee Curtis Is perfect for fans of contemporary YA, Christian Riccio, and Morgan Matson

Freaky Deaky Elmore Leonard, 2009-03-17 “Wonderfully wicked...a nonstop, pedal-to-the-metal romp.” —Chicago Tribune Over-the-hill former counter-culture SDS revolutionaries decide to turn bomb-making—and detonating—from a political statement to a profitable enterprise in the master Elmore Leonard’s electrifying and explosively funny thriller *Freaky Deaky*. The St. Louis Post-Dispatch calls Leonard, “the world’s greatest cops ‘n’ robbers novelist.” The Seattle Times says, “Leonard is more than just one of the all-time greats of crime fiction. He’s fast becoming an authentic American icon.” No matter where you wish to place the man who created the character of U.S. Marshal Raylan Givens, lately of TV’s hit series *Justified*, in the pantheon of mystery and noir detective fiction demigods—John D. MacDonald, Dashiell Hammett, James M. Cain and the like—there is no denying that nobody does it better than the Grand Master Elmore Leonard!

A town in Bizarro World, that is, where academic excellence is the fast track to popularity and Candace—yes, quiet, seemingly insecure Candace—is the reigning queen bee. Brynn’s not sure how she’ll ever fit in to this parallel universe, until one day she notices Candace crumbling under the weight of some serious self-imposed stress. So Brynn takes Candace under her wing and teaches her the fine art of chilling out before she turns into a complete basket case at the tender age of thirteen.
