Furious ,2018-08-07 The poetry in the Governor General's Award-winning collection Furious is charged with Erin Moure's characteristic energy and wit as she explores the limits of pure reason and the language of power. There is, too, a fresh and often celebratory look at love, and, in an unusual finale, "The Acts," Moure challenges us to explore a feminist aesthetic: of thinking, of the page, of working life and the possibility of poetry.

Furious Aaron Shaver,2021-02-04 The pharmacist, Carolyn, pushes her glasses against her nose and looks over the prescription. "Mr. Little, you have taken these before, correct?" "Yes." She takes a closer look at the prescription. "Wow," she says under her breath. "That's quite a heavy daily dose." "Um, yes. Yes, it is." "And, this is for... anxiety," she says just as I say... "Anger. Reese and Emma are a young couple struggling to make ends meet while raising their four-year-old son. They've got a lot of love, but love doesn't pay the bills. Fast And Furious: A Comprehensive Collection Of U.S. Government Documents To 2017 ,2018-12-11 Over 26,000 total pages Background: The Fast and Furious operation was responsible for allowing approximately 2,000 firearms to illegally flow into the hands of criminals, including Mexican drug cartel associates. On December 14, 2010, Customs and Border Patrol Agent Brian Terry, a United States Marine, was killed while on patrol just miles from the Mexican border. The firearms found at the scene were semi-automatic rifles that were allowed to walk as part of Operation Fast and Furious. Congressional Republicans have investigated Fast and Furious since January 2011. Over the course of the investigation, the Justice Department has provided false information, stonewalled document requests, produced scores of blacked-out pages and duplicate documents, and refused to comply with two congressional subpoenas. In August 2012, the U.S. House of Representatives Office of General Counsel filed suit against the Justice Department. On January 19, 2016, United States District Judge Amy Berman Jackson issued her opinion and ordered DOJ release documents previously withheld under the President's executive privilege claim. On April 8, 2016, DOJ complied with the Judge's order, delivering more than 20,500 pages of documents to the Committee. CONTENTS: Statement of Michael E. Igniting Furious Love Darren Wilson,2012-01-17 Worldwide Fury! Up close and personal—these stories bring God’s supernatural love and protection closer to “real life” than you may have thought possible. Igniting Furious Love is an eclectic spiritual partnering of nine on-fire-for-God believers who “turn everything upside down in the church to be as unlike the world as absolutely possible.” Spanning the globe from Kosovo to Thailand, Russia, Mozambique, and inner-city USA, each writer has a unique story of their furious love for God as manifested in their lives. Through humorous stories, intelligent commentary, and real-life miracles and healings, the culmination of distinct voices and callings of these men and women range from witnessing a blood-drinking witch, confronting Buddhists with machetes, prostitution and gay bars—to lecturing at Cambridge University, experiencing victorious spiritual warfare, planting underground churches, and seeing people being raised from the dead. Exciting chapters and authors include: It’s All in the Delivery by Matteus Van Der Steen Called to Feed the Hungry by Heidi Baker Worldview Shakedown by Greg Boyd Raising the Dead by Rolland Baker I Will Get Him by Philip Mantofa Simply Love by Shampa Rice Witches, Babies, and Soldiers by Will Hart Stepping Stones by Angela Greenig Cradle to Coffin by Robby Dawkins Igniting Furious Love reveals God’s wildly soul-stirring plans for any who wants to know Him inside out.

Furious Universe Conquest Xue KunSheng,2020-04-10 Dugu Hong, a child who grew up in a pack of wolves. When he was twelve years old, he met an extremely awesome master — — Xuanyuan Haotian. From then on, he embarked on a journey of searching for his past and conquering the world. Close]

The Fast and the Furious Helen Wells,2012 The Fast and The Furious: Drivers, Speed Cameras and Control in a Risk Society offers an explanation for the continued debate about one road safety intervention - the speed camera - by situating that debate within contemporary literature about the 'risk society' (Beck, 1992) and more broadly understood experiences of risk faced on a daily basis by drivers. Rather than a focus on risk as something that can be objectively assessed, measured and managed separately from the social context in which it is encountered, it suggests that 'risk' is something that permeates this particular debate from every angle.

Lawbreakers! (a fast and furious history of women’s suffrage) Diana Grisanti,2023-01-17 A pair of feuding modern-day stepsisters wake up at the Akron Women's Rights Convention of 1851, and find themselves on a whirlwind journey through US history. As they face the challenges of each time with fascinating suffragists, abolitionists, and freedom fighters like Sojourner Truth and Ida B. Wells, the young women must decide what they really believe and what kind of world they want to stand up for when they get back home. The fight for women's rights meets Bill and Ted, and adventure becomes an inspiring call to vote, in this exhilarating play. Drama Full-length. 60 minutes 6-19 actors

In Our Mad and Furious City Guy Gunaratne,2018-12-11 Long-listed for the 2018 Man Booker Prize Short-listed for the 2018 Gordon Burn Prize Short-listed for the 2018 Goldsmiths Prize Inspired by the real-life murder of a British army soldier by religious fanatics, Guy Gunaratne’s In Our Mad and Furious City is a snapshot of the diverse, frenzied edges of modern-day London. A crackling debut from a vital new voice, it pulses with the frantic energy of the city’s homegrown grime music and is animated by the youthful rage of a dispossessed, overlooked, and often misrepresented generation. While Selvon, Ardan, and Yusuf organize their lives around soccer, girls, and grime, Caroline and Nelson struggle to overcome pasts that haunt them. Each voice is uniquely insightful, impassioned, and unforgettable, and when stitched together, they trace a brutal and vibrant tapestry of today’s London. In a forty-eight-hour surge of extremism and violence, their lives are inexorably drawn together in the lead-up to an explosive, tragic climax. In Our Mad and Furious City documents the stark disparities and bubbling fury coursing beneath the prosperous surface of a city uniquely on the brink. Written in the distinctive vernaculars of contemporary London, the novel challenges the ways in which we coexist now—and, more important, the ways in which we often fail to do so.

The Furious Way Aaron Philip Clark,2018-11 Revenge comes at a price...THE FURIOUS WAY, a Crime Novel by Aaron Philip Clark.

I'm Furious Elizabeth Crary,1994 The author provides options children can use to diffuse their anger without denying it or feeling shame about it.

Furious Caroline Bassett,Sarah Kember,Kate O'Riordan,2020 A major work of feminist critical theory challenging the masculinist politics of digital media forms, practices and study.

Furious Cooking Maureen Seaton,1996 By turns chic, romantic, sardonic, droll, seductive, and in your face, Maureen Seaton is a cornucopia of attitudes and styles, a street-smart, deeply talented woman who wryly contemplates the charades that the self and the world assume - and how hard it is to stay in focus the morning after. It gets very, very hot in Seaton's kitchen and in her poems. As this inventive and imaginative poet states, Furious Cooking is a stew of accidents and incidents roiling across universes. Seaton creates curious and energetic juxtapositions; she revisits violence and assesses its damages. The poet/woman in the thick of this caldron instigates polarities and assumes the roles of inquisitor and heretic, perpetrator and child,painter and artifact, scientist and specimen. She careens circularly

through the hypocrisies and atrocities of church and partner, established sanctioned realities, the seeming senseless death of loved ones in this life and long ago.

Fast and Furious Katie Pavlich,2012-04-16 No scandal is more threatening to the Obama administration than Operation Fast and Furious. While other scandals involve money, Fast and Furious involves lives, including that of Border Patrol Agent Brian Terry, gunned down with a weapon that the federalgovernment put in the hands of Mexico's narco-terrorists.
