

Gangs

Kay C. McKinney

Encyclopedia of Gangs Louis Kontos,David C. Brotherton,2007-11-30 In light of Los Angeles' gang state of emergency, ethnic and minority gangs are arguably more high profile now than at any other time in our history. News media typically focus on the crime and violence associated with gangs, but not much else. This encyclopedia seeks to illuminate the world of gangs, including gang formations, routine gang activities, aberrations and current developments. One hundred essay entries related to gangs in the United States and worldwide provide a diffuse overview of the gang phenomenon. Each entry defines and explains the term, provides an historical overview, and explains its significance today. As the following entries demonstrate, gangs are part of the fabric of American society. They are not only in our communities but also our schools and other social institutions. Understanding the world of gangs is therefore needed to understand American society. Entries include: Bikers, Bloods, Cholas, Crips, gang mythology, gang warfare, graffiti, Hell's Angels, Hong Kong Triads, Latin Kings, law enforcement, occultic gangs, mafia, media, prison gangs, rites, Skinheads, Streetgang Terrorism Omnibus Prevention Act, tattoos, trafficking, Wanna-bes, West Side Story, Witness Protection programs, and youth gangs.

Policing Gangs in America Charles M. Katz,Vincent J. Webb,2006-01-09 Policing Gangs in America describes the assumptions, issues, problems, and events that characterize, shape, and define the police response to gangs in America today. The focus of this 2006 book is on the gang unit officers themselves and the environment in which they work. A discussion of research, statistical facts, theory, and policy with regard to gangs, gang members, and gang activity is used as a backdrop. The book is broadly focused on describing how gang units respond to community gang problems, and answers such questions as: why do police agencies organize their responses to gangs in certain ways? Who are the people who elect to police gangs? How do they make sense of gang members - individuals who spark fear in most citizens? What are their jobs really like? What characterizes their working environment? How do their responses to the gang problem fit with other policing strategies, such as community policing?

On Gangs Scott H. Decker,David C. Pyrooz,James A. Densley,2022-01-21 A comprehensive review of what is known about gangs, from their origins through their evolution and outcomes

Gangs Scott Cummings,Daniel J. Monti,1993-03-03 This book is an examination of contemporary gangs in American cities. Gangs have proliferated over the past ten years and pose a new set of challenges to public officials, law enforcement agencies, and urban educators. Most major cities are now confronted with serious problems derived from gang violence, drug traffic, and disruption of the public educational system. In the face of deindustrialization and deepening recession, many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy. Perhaps most significant, gangs are now beginning to emerge in small and medium-sized cities. Some of the nation's leading scientists and scholars have been brought together in this book to examine the contemporary contours of America's gang problem, including Daniel J. Monti, Joan Moore, Scott Cummings, Howard Pinderhughes, Diego Vigil, Ray Hutchison, Felix Padilla, Jerome H. Skolnick, Pat Jackson, and Robert A. Destro. New material dealing with wilding gangs, migration and drug trafficking, and public educational disruption appear in this volume. Other topics covered include how gangs are organized, what social function they serve, their relation to conventional society, and the social and psychological factors that contribute to their rise. The relationship of the contemporary gang problem to past research is explored, and a rich variety of case histories and comparative analysis is presented. The book also includes a section on public policy.

Street Gangs Dennise Orlando,1997

Gangs Richard Swift,2011 Looks at the worldwide increase in street gangs, explores why people join them, discusses the social problems that push young people into gangs, and examines what can be done to lessen their effects on society and prevent gang-related crime.

Studying Youth Gangs James F. Short,Lorine A. Hughes,2006 Provides an introduction to the study of gangs how we define them, what we know and not know about gangs. This title offers both a domestic and international view of processes of delinquency and gang formation and identity. It is suitable for criminal justice, sociology and social work, parole practitioners, and public defenders.

Gangs and Outlaws of Western Pennsylvania Thomas White,Michael Hassett,2012-07-24 Violent bank heists, bold train robberies and hardened gangs all tear across the history of the wild west--western Pennsylvania, that is. The region played reluctant host to the likes of the infamous Biddle Boys, who escaped Allegheny County Jail by romancing the warden's wife, and the Cooley Gang, which held Fayette County in its violent grip at the close of the nineteenth century. Then there was Pennsylvania's own Bonnie and Clyde--Irene and Glenn--whose murderous misadventures earned the trigger blonde and her beau the electric chair in 1931. From the perilous train tracks of Erie to the gritty streets of Pittsburgh, authors Thomas White and Michael Hassett trace the dark history of the crooks, murderers and outlaws who both terrorized and fascinated the citizenry of western Pennsylvania.

An Introduction to Gangs George W. Knox,1991 While there are many books & articles available on gangs today, Dr. Knox's book is one of the most comprehensive & coherent. AN INTRODUCTION TO GANGS is a highly disciplined approach to the topic. While much of the current material is anecdotal & vague in defining the characteristics of gangs, Knox provides answers based on empirical research to the most commonly asked questions about gangs in the United States: When does the group of kids on the corner become a gang? How much crime in America is explained by gang involvement? Dr. Knox's approach is incremental. He addresses the major issues, & then provides a more integrated view, including a gang topology. The book concludes with a detailed review of competing definitions of gangs & suggests Knox's integrated definition of membership states, organizational levels, threat severity & intervention strategies as the appropriate model for today. AN INTRODUCTION TO GANGS is an excellent guidebook & reference resource for law enforcement personnel involved with gangs, & is unequalled for the social science field researcher. The scope of the information & valuable insights it contains give it great instructional value. Priced at \$44.50 (less 20 percent to the trade), prepaid. Order from Vande Vere Publishing Ltd., P.O. Box 226, Berrien Springs MI 49103-0226, 616-473-1510. FEIN 38-2958156.

Jumped In Jorja Leap,2012-03-06 Jumped In tells the story of the gangs of Los Angeles in the words of the gang members themselves as well as the people who interact with them on a daily basis--trying to arrest them, control them, and help them. There are priests and police officers, murderers and drug dealers, victims and grieving mothers, and other assorted characters, often partnering in unlikely ways. Jorja Leap's work draws upon intimate material, from interviews to eyewitness accounts, telling the deeply personal stories of current and former gang members who span three generations, as well as the dilemmas Leap herself faces as she struggles to adjust to marriage and motherhood--with a husband in the LAPD and a daughter in adolescence. Jumped In is a chronicle of the unexpected lessons gang members taught her when she was busily studying them. Ultimately, it is a book about attachments and commitments, loyalties and betrayals, drugs and guns, sex and devotion. When Leap began studying Los Angeles gang violence in 2002, she set out not so much to provide a solution but to find out what was being done and who was doing it. The stakes couldn't have been higher: a child or teenager is killed by gunfire almost every three hours--nearly eight times a day--and homicide is the primary cause of death of African American males between the ages of fifteen and thirty-four. During her years of research, this petite white woman from UCLA gained the trust of gang interventionists and access to their inner world. She sat in the living rooms, stood at the crime scenes, and drove through the housing projects. Through the oral histories, personal interviews, and eyewitness accounts of current and former gang members, readers come to understand gangs and the forces that pull people into them. First we get the lay of the land: the genealogy and geography of gangs and sub-gangs, territories within territories. But the centerpiece of the book is really the stories of those people who live la vida loca, as well as the experiences of those trying to make things better. These stories are told in Leap's candid first-person voice, as she introduces us to gangland residents such as Tray, a young father trying to go straight who is nonetheless felled by a bullet, and Joanna, a third-generation gang member, who speaks of forbidding her mother to sell drugs around her baby granddaughter. We also ride along with Leap and Big Mike, a former original gangster who now does street peace ministry. We see the successful Jobs not Jails program at Homeboy Industries

and learn that former gangsters make good paramedics and firefighters, accustomed to dangerous situations as they are. With an anthropologist's eye and a compassionate heart, Leap offers not a prescription for solving the gang problem, but a gritty yet hopeful portrait of violence and redemption.

Gangland [2 volumes] Laura L. Finley, 2018-10-01 This two-volume set integrates informative encyclopedia entries and essential primary documents to provide an illuminating overview of trends in gang membership and activity in America in the 21st century. *Gangland: An Encyclopedia of Gang Life from Cradle to Grave* includes extended discussion of specific gangs; types of gangs based on ethnicity and environment (rural, suburban, and urban); recruitment and retention methods; leadership structure and other internal dynamics of various gangs; impacts of gang membership on extended family; the historical evolution of gangs in American society; depictions of gang life in popular culture; violent and nonviolent gang activities; and programs, policies, agencies, and organizations that have been crafted to combat gang activities. In addition, the encyclopedia includes a suite of primary sources that offer a look into the personal experiences of gang members, examine efforts by law enforcement and public officials to address gang activity, and address wider societal factors that make eradicating gangs such a difficult task.

Our Mother's Tears: Manuel Jaramillo, 2012-11-16 Gangs are a blemish on our society and cause much distress to those who are around them. They sell drugs, commit acts of violence, and influence our children. We need to learn how to fight back, not with more police or longer sentences, but at the heart of gangs, which is their recruitment ability. We can only do this by arming our children and ourselves with the necessary tools. Awareness, education, and truth are what is needed. Gangs come off as glamorous and cool, when in reality, the life is brutal and eats a person up like cancer. We can beat this together!

The Gang Frederic M. Thrasher, James F. Short, 1968

Juvenile Gangs Kay C. McKinney, 1988

Gangs Gail B. Stewart, 2002 Discusses the history and locations of gangs, the reasons why people join gangs, what life is like in a gang, and the steps communities and law enforcement are taking to decrease gang activity.

Gangs Mario L. Hesse, Hesse Et Al, 2016-01-30 Covers essential gang topics as well as new topics not found in other texts. This book presents a traditional and brief overview of the history of gangs. It also includes four areas not extensively covered in other textbooks: Gangs and Corrections, Gangs and Law Enforcement, Gangs and The Law, and Gangs and The Media.

The Gangs of Birmingham Philip Gooderson, 2010 In the early 1870s, the boomtown of Birmingham erupted in a series of vicious gang wars. Mobs of youths armed with stones, knives and belt buckles fought pitched battles in a struggle for territorial supremacy. Known as sloggers, they drew their numbers from the workshops and factories that made guns, nails and jewellery, and lived cheek-by-jowl in overcrowded, insanitary slums. Author Philip Gooderson traces the history of these warring factions from their first appearance in the Cheapside area to the later rise of the peaky blinders, new gangs named for their peaked caps and long fringes. He describes for the first time the brutal antics of once-infamous fighters such as the Simpson and Harper brothers and the police killer George Cloggy Williams, and explains the eventual demise of the gangs at the turn of the century. *The Gangs of Birmingham* brings to vivid life a forgotten chapter in the history of British gangland.

Gangs of St. Louis Daniel Waugh, 2010 St. Louis was a city under siege during Prohibition. Seven different criminal gangs violently vied for control of the town's illegal enterprises. Although their names (the Green Ones, the Pillow Gang, the Russo Gang, Egan's Rats, the Hogan Gang, the Cuckoo Gang and the Shelton Gang) are familiar to many, their exploits have remained largely undocumented until now. Learn how an awkward gunshot wound gave the Pillow Gang its name and why Willie Russo's bizarre midnight interview with a reporter from the St. Louis Star involved an automatic pistol and a floating hunk of cheese. From daring bank robberies to cold-blooded betrayals, *Gangs of St. Louis* chronicles a fierce yet juicy slice of the Gateway City's history that rivaled anything seen in New York or Chicago.

The History of Street Gangs in the United States James C. Howell, 2015-06-09 This book is an historical account of the emergence of youth gangs and the transformation of these into street gangs in the United States. The author traces the emergence of these gangs in the four major geographical regions over the span of two centuries, from the early 1800s to 2012. The author's authoritative analysis explains gang emergence and expansion from play groups to heavily armed street gangs responsible for a large proportion of urban crimes, including drive-by shootings that often kill innocent bystanders. Nationwide, street gangs now account for 1 in 6 homicides each year, and for 1 in 4 in very large cities. In recent years, the number of gangs, gang members, and gang homicides increased, even though the U.S. has seen a sharp drop in violent and property crimes over the past decade. The author's historical analysis reveals the key contributing factors to transformation of youth gangs, including social disorganization that occurred following large-scale immigration early in American history and urban policies that pushed minorities to inner city areas and public housing projects. This analysis includes the influence of prison gangs on street gangs. The first generation of prison gangs emerged spontaneously in response to dangers inside prisons. The second generation was for many years extensions of street gangs that grew enormously during the 1980s and 1990s, particularly in large urban areas in which public housing projects have served as incubators for street gangs. The third generation of prison gangs is extremely active in street-level criminal enterprises in varied forms, often highly structured and well managed organizations that are actively involved in drug trafficking. In recent years, returning inmates are a predominant influence on local gang violence. Now, prison gangs and street gangs often work together in street-level criminal enterprises. This book identifies the most promising ways that gang violence can be reduced. The best long-term approach is a combination of gang prevention, intervention, and suppression strategies and programs. Targeted suppression of gang violence is imperative. Street-workers that serve as violence interrupters can break the cycle of contagious gang violence.

The Real Gangs of New York Wallace Edwards, 2020-09-12 ☐☐☐ Is true better than fiction? ☐☐☐ The subject of a classic history by Herbert Asbury and an Academy Award-nominated film by Martin Scorsese, the gangs of The Five Points in New York have become the stuff of legend. But how much is legend and how much is fact? In this short book, we examine the original gangs of the Five Points in New York and see how accurate the film was (spoiler alert: not very) and what Asbury may have gotten wrong in his original research on this era. From the Bowery Boys to the Dead Rabbits, we look at the gangs that operated not just in the Five Points, but also those who wanted a piece of the action there and engaged in gang wars that would leave even modern thugs quivering in their boots!

Embracing the Track of Appearance: An Mental Symphony within **Gangs**

In a global eaten by monitors and the ceaseless chatter of immediate conversation, the melodic splendor and psychological symphony developed by the published term frequently fade in to the backdrop, eclipsed by the relentless noise and disturbances that permeate our lives. However, nestled within the pages of **Gangs** a wonderful literary treasure filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, that charming masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden songs and profound affect resonating within each carefully constructed phrase. Within the depths of the poignant examination, we can examine the book's key harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

Gangs Introduction

Gangs Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gangs Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gangs : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gangs : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gangs Offers a diverse range of free eBooks across various genres. Gangs Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gangs Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gangs, especially related to Gangs, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gangs, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gangs books or magazines might include. Look for these in online stores or libraries. Remember that while Gangs, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Gangs eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gangs full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gangs eBooks, including some popular titles.

FAQs About Gangs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gangs is one of the best book in our library for free trial. We provide copy of Gangs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gangs. Where to download Gangs online for free? Are you looking for Gangs PDF? This is definitely going to save you time and cash in something you should think about.
