Get Known Before The Book Deal Christina Katz,2008-11-17 Sell Your First Book & Develop a Successful and Sustainable Writing Career Before you can land a book deal—before you can even attract the interest of agents and editors—you need to be visible. How do you become visible? You develop a platform, or a way of reaching your readers. Everybody can develop a platform, and this book shows you how to do it while you're still writing. This book offers: A step-by-step approach to creating, growing, and nurturing a platform An economical approach to self-promotion (no need to spend thousands) A clear way to uncover your strengths and weaknesses as an author The strategies that are essential (or not) to online promotion A philosophy of authorship that leaves you confident, empowered, and equally partnered with agents, editors, and publishers (instead of waiting to be discovered) A diverse set of tools and methods for getting known (not just web-based tools or ideas for extroverts) After you read this book, you'll be able to answer the inevitable question: What's your platform? You'll learn the hows and whys of becoming visible and how to cultivate visibility from scratch. Best of all, you won't need any previous knowledge or experience to get started. Growing a writing career isn't just about landing one book deal and then scrambling like crazy. There is a more strategic and steady way to lay the groundwork so you can avoid scrambling altogether—and *Get Known Before the Book Deal* is the only comprehensive book that shows you how.

Get Cast Martin Bentsen,2019-12-07 This book is for any actor that feels overwhelmed by the sheer number of things they could be doing to move their career forward. The industry and many of those in it still recommend the same advice to actors - Get a great headshot and reel, Build your resume, Find an agent, and Build your network. While this advice might have been valid years ago, the truth is with the advent of the internet and the ease with which actors can submit themselves for projects, there are infinitely more people trying to become actors these days, and it's next to impossible now to move ahead without being highly strategic. This book outlines a simple and clear strategy to getting booked up with work you love. And it will show you how to get there much sooner than you think.

Get Real and Get In Dr. Aviva Legatt,2021-08-03 An insider's college admissions guide that teaches students to identify and harness their unique passions, stand out from the crowd, and achieve their dreams. Dr. Aviva Legatt has spent her career in higher education as a professor, counselor, and admissions officer in the Ivy League, and she wants to let students in on a secret:

admissions offices are sick of seeing the same cookie-cutter applications. What were once considered best practices for “doing high school right” are now so commonplace that they have become a liability. *Get Real and Get In* teaches readers to think outside of the box and focus on what admissions officers are really looking for—young people who dare to be their most authentic selves. Through engaging, accessible, and empathetic prose, this book forms an inspirational roadmap for readers to uncover their true passions and leverage them to create applications that truly stand out from the crowd. It also features a variety of useful exercises and candid stories from many influential figures, which teach students to look beyond just getting into a “good” college and focus more actively on identifying and attaining their long term goals. *Get Real and Get In* is designed to ignite an essential mindset shift in students: stop trying to just “get in” and start figuring out exactly what you want from life and how to get it. Stop managing the impressions you make on admissions officers and start defying impressions. This is an essential guide to cutting through the noise of the admissions process and gaining the confidence to forge one’s own path to success—in college and beyond.

The Ways We Get by Joe Dornich, 2021-01-29 Fiction. With equal measures of hilarity and heartache, Joe Dornich collects the stories of America's middle-class cast-offs: the under-employed, the under-appreciated, and most devastatingly, the under-loved. Whether it is the plight of a professional snuggler--offering comfort to strangers, but unable to express his feelings to a co-worker--or a son whose summer spent working alongside his father serves only to deepen their disconnection, truths are laid bare through these darkly humorous pieces. Searching not only for connection with others, but for value in their lives, Dornich's characters find themselves employed in positions that demand more than can be offset by a wage. Though young, they are soul-weary. In a world full of expectations built and then toppled, Dornich's collection asks: How does it feel to have your whole life ahead of you?--Jenny Irish This bizarre, charming, darkly comic irreality of paid cuddlers and mean-spirited parents, where intimacy is commodified and heroes nonexistent might at first resemble something far off and fanciful. But take another look. This is the desperate, inscrutable world we've come to inhabit. And those outsiders and losers our own bewildered selves. Dornich is a master of the present moment.--Adam Prince A wild, dazzling collection that reaches whole new altitudes of comic absurdity. You'd be hard-pressed to find a phrase that fails to crackle with hilarious electricity. You never quite know where a Joe Dornich story will take you, but once you've reached your destination, prepare to have your heart cracked in half.--Patrick Michael Finn The world of *THE WAYS WE GET BY* is askew, and while that makes for sly social critique, the book's real capacity to surprise is nestled in the missteps and errors committed by its main characters. They become more endearing as a result, reminding us that we're all more mess than messiah, helping us reconnect to our humanity.--Craig Bernier

The Pets You Get Thomas Taylor, 2014-01-01 There are so many whiz-bang great pets you can get! How about an enormous brown bear? Or a tentacled beast from the sea? Or even a humongous smoky dragon that glows? But as this small boy learns, even the smallest of pets can be surprisingly fun too!

Getting There Gillian Zoe Segal, 2015-04-14 “The highest achievers share some of their lowest moments, and there is much wisdom to be gained from those struggles. Captivating, thought-provoking.” —David Faber, CNBC The path to success is rarely easy or direct, and good mentors are hard to find. In *Getting There*, thirty leaders in diverse fields share their secrets to navigating the rocky road to the top. In an honest, direct, and engaging way, these role models describe the obstacles they faced, the setbacks they endured, and the vital lessons they learned. They dispense not only essential and practical career advice, but also priceless wisdom applicable to life in general. *Getting There* is for everyone—from students contemplating their futures to the vast majority of us facing challenges or seeking to reach our potential. “Kudos to Gillian Zoe Segal for assembling this remarkable group of visionaries and helping them all tell their stories without filters or false bravado. *Getting There* is both empowering and illuminating.” —Piper Kerman, New York Times—bestselling author of *Orange Is the New Black* “Life-changing, real-world advice.” —Vanity Fair “Reading *Getting There* is like having an intimate, one-on-one talk with some of the world’s most fascinating and

accomplished people. You will be taken aback by their honesty, entertained by their anecdotes, and, most of all, learn invaluable lessons about both business and life. This book is fantastic—you will not be able to put it down!”—JJ Ramberg, bestselling author of *It’s Your Business* “Somehow, Gillian Zoe Segal has gotten these leaders to share their stories in a unique, authentic, and revealing way.”

As Many Nows as I Can Get Shana Youngdahl, 2019-08-20 A Seventeen Best Book of the Year A New York Public Library Top Ten Best Book of the Year A Kirkus Best Book of the Year For fans of All the Bright Places and Looking for Alaska comes a daring, inventive story about love and loss and longing, reminding us that every choice can be a new chance. A dazzling, not-to-be-missed debut. -- Kathleen Glasgow, author of *Girl in Pieces* In one impulsive moment the summer before they leave for college, Scarlett and David plunge into a brief and irresistible swirl of romance, particle physics, and questionable decisions. Scarlett and David have known each other all their lives in small-town Graceville, Colorado, where David is just another mountain in the background, until, one day, he is suddenly so much more than part of the scenery. Magnetic, spontaneous, David is a gravitational force. And Scarlett, pragmatic, wry, eye on the future, welcomes the pull he has on her even as she resists it. Moving between the present and the past, this is the story of a seemingly grounded girl who's pulled into a lightning-strike romance with an electric-charged boy, and the enormity of the aftermath. Smart, bold, and emotionally deep, Shana Youngdahl's debut explores grief, guilt, and reconciling who you think you need to be with the person you've been all along. It's an aching, transporting reminder that between the past that shapes us and the unknowable future, we have only the present to forgive ourselves and forge ahead. A story you won't forget. --Huntley Fitzpatrick, author of *My Life Next Door* Mystery...Heartbreak...Hope...Readers will not be able to put this one down.--SLJ Vivid --Seventeen.com You'll speed read through [it] --PopSugar John Green-like, intelligent and peppered with witty repartee --Booklist Heartbreaking, exquisitely crafted --Estelle Laure, author of *This Raging Light* Deeply authentic...Marvelously complex...Readers shouldn't miss [it] --Kirkus, starred review A complex, compassionately written love story --PW A definite purchase and must read.--VOYA Perfect. --Book Page

People Get Ready Robert W. McChesney, John Nichols, 2016-03-08 Humanity is on the verge of its darkest hour -- or its greatest moment The consequences of the technological revolution are about to hit hard: unemployment will spike as new technologies replace labor in the manufacturing, service, and professional sectors of an economy that is already struggling. The end of work as we know it will hit at the worst moment imaginable: as capitalism fosters permanent stagnation, when the labor market is in decrepit shape, with declining wages, expanding poverty, and scorching inequality. Only the dramatic democratization of our economy can address the existential challenges we now face. Yet, the US political process is so dominated by billionaires and corporate special interests, by corruption and monopoly, that it stymies not just democracy but progress. The great challenge of these times is to ensure that the tremendous benefits of technological progress are employed to serve the whole of humanity, rather than to enrich the wealthy few. Robert W. McChesney and John Nichols argue that the United States needs a new economy in which revolutionary technologies are applied to effectively address environmental and social problems and used to rejuvenate and extend democratic institutions. Based on intense reporting, rich historical analysis, and deep understanding of the technological and social changes that are unfolding, they propose a bold strategy for democratizing our digital destiny -- before it's too late -- and unleashing the real power of the Internet, and of humanity.

Getting Your Ex Back Get Digital World ,2018-03-03 Sometimes, when relationships fail, they may find it difficult to get a clean break from their lovers simply because they still love them. This is especially true for relationships which may have lasted for quite some time, as they have already gotten used to having that person as his or her special someone who stays with them regardless of good or bad times. When you have found someone whom you think you want to spend the rest of your life with, you will find it difficult to let him or her go. As such, even after the break up, you will probably want to find ways to get back together with your ex-lover. While such relationships may be worth a second try, it is important that before you attempt to patch things up, the both of you should spend some time away from one another. There are many issues that you need to consider before you go back to your ex-lover, such as the mistakes that you committed and the reason why you want to rekindle this relationship. You should also consider the other issues which can be found in the articles below. Another important thing you should take note of is that you should maintain a positive outlook on life and take part in activities to rebuild your confidence. Once you have self-confidence, you will definitely glow from within and this will remind your ex-lover of why he or she fell in love with you in the very first place. That would also mean that half the battle would have already been won, since he would most likely love to get back together with you. Now that you have gotten the gist of what you should do to get back your ex-lover, you are ready to read on and learn more about the details so that you will be able to patch things up successfully.

Get Introduction

In the digital age, access to information has become easier than ever before. The ability to download Get has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Get has opened up a world of possibilities. Downloading Get provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Get has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Get. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Get. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Get, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Get has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
