**Impossible Girl** K. M. Neuhold, 2016-04-15 The only thing more difficult than catching her, is keeping her. Dex I've spent the last four years in self-imposed celibacy. It was going fine until I met her. Remy Harris, the wild eyed vixen no man can pin down. She's more than willing to have a good time, but I'm looking for so much more than that. Remy Love 'em and leave 'em. It's safer that way. In my experience all men are looking for is a good time anyway. It's better to give them what they want and walk away before they can do the same to you. When I needed a calculus tutor I never expected to find one who's so...sexy. Since when are nerds so hot? \*\*While every book in this series can be read as a stand alone, you will likely get more enjoyment from Impossible Girl if you've read Worth the Wait and Naughty Angel first
