**Personal History** Katharine Graham, 2011-02-09 #1 NATIONAL BESTSELLER • PULITZER PRIZE WINNER • The captivating inside story of the woman who helmed the Washington Post during one of the most turbulent periods in the history of American media: the scandals of the Pentagon Papers and Watergate In this widely acclaimed memoir (Riveting, moving...a wonderful book The New York Times Book Review), Katharine Graham tells her story—one that is extraordinary both for the events it encompasses and for the courage, candor, and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband—a confidant to John F. Kennedy and Lyndon Johnson—plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted—and mastered—the personal and professional crises of her fascinating life.

Tantalus Depths Evan Graham, 2022-09-27 An AI cannot lie. An AI must obey human commands. An AI cannot kill. These are the laws SCARAB has broken, and only Mary knows. The Tantalus 13 survey expedition went off the rails as soon as Mary Ketch and the crew of the Diamelen learned that the thing beneath their feet wasn't a planet. An impossibly vast and ancient artificial structure lies below, hidden from the universe under a façade of cratered stone. SCARAB arrived on Tantalus 13 two years ago. An artificially intelligent, self-

constructing factory, it was supposed to aid the crew in their mission, to meet their every need. But when erratic behavior in the AI coincides with a series of deadly accidents among the crew, Mary faces the horrifying possibility that SCARAB has gone rogue. With the AI watching her every move, any attempt to warn the crew could be disastrous. But SCARAB knows far more about the Tantalus 13 enigma than it lets on, and the secrets it's willing to kill for may have dire implications for all humankind.

*Hate Notes* Gracie Graham, 2021-06-26 Topher Elliot is high school royalty. The king of Lakeview prep. You know the type. Disgustingly rich. Blond-haired. Eyes the color of a clear, blue sky. And muscles for days. He also happens to be enemy #1, the bane of my existence. Only, now my scholarship is in jeopardy and, like the peasant I am, I must tutor the king himself if I want to graduate. Still, if I have to be around him, I might as well make it worth my while. So I send him a scathing text, telling him exactly what I think about him. But he mistakes me for someone else. That's when I hatch a plan: get dirt on the king, and watch his reign crumble. It's about time someone made the king come tumbling down.

**Billy Graham** Andrew S. Finstuen, Anne Blue Wills, Grant Wacker, 2017 Billy Graham stands among the most influential Christian leaders of the twentieth century. Perhaps no single doctrine, practice, political position, or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham. Throughout his six-decade career, Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity, global Christianity, church and state, the Cold War, race relations, American manhood, intellectual life, and religious media and music. His life and career provide a many-paned window through which to view the history and character of our present and recent past. *Billy Graham: American Pilgrim* offers groundbreaking accounts of Graham's role in shaping these phenomena. Graham stayed true to evangelical precepts yet journeyed to positions in religion, politics, and culture that stretched his tradition to its limits. This book's distinguished contributors capture Graham's evolution and complexity. Like most people, he grew in fits and starts. But Graham's growth occurred on an international stage, influencing the world around him in ways large and small. This book delves into this influence, going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century.

*Billy Graham and the Beloved Community* NA NA, 2016-04-30 This study is the first detailed analysis of Billy Graham's social thought during one of the most volatile periods of American history, the Martin Luther King, Jr. years (1955-1968). Using previously

unpublished documents, this book argues that although the popular evangelist occasionally supported King's mission to save America, he largely opposed King's vision of the beloved community and his tactics of civil disobedience. The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity, he never dreamed of nor worked for a world marked by lasting racial reconciliation, economic justice, and peace.
