A Grammar Book for You and I-- Oops, Me! C. Edward Good, 2002 Correct English usage as it's never been taught before: lucidly, memorably, and humorously -- for all ages.

Understanding Written Grammar Jane Walpole, 2000 Unlike a standard grammar handbook that merely states the rules and provides an example or two, Understanding Written Grammar seeks to illuminate the rationale and logic of grammar and therefore treats its subject as a reflection of the way the human mind thinks.

Grammar for Writers C. Beth Burch, 2017-02-02 This lively textbook on grammar helps writers of all abilities understand how the English language functions in contemporary life. It begins with a close examination of sentence patterns, word classes, and syntactical transformations, laying a structural base for understanding usage. Examples from a variety of published writers further your understanding of writing well from a rhetorical and stylistic perspective. Whether you're a beginning student, an advanced grammarian, or someone who wants to know more about how language works and how to use it, this textbook gives you what you need. Learn how to • manipulate, join, and transform patterns that undergird sentences; • write sentence patterns, transformations, and figures to establish habits of strong and varied sentence building; • compare kinds of grammatical and rhetorical structures and their effects on readers; and • analyze sentences and chunks of text for grammatical underpinnings and rhetorical effect. Become a better writer by understanding grammar, usage, and punctuation with the explanations, examples, and exercises in Grammar for Writers.

A Semantic Approach to English Grammar R. M. W. Dixon, 2005-06-30 Showing how grammar helps people communicate and looking at the ways grammar and meaning interrelate, this work reviews the main points of English syntax and discusses English verbs in terms of their semantic types.

The Joy of Syntax June Casagrande, 2018-07-24 Language columnist June Casagrande presents a

fun and breezy guide to everything a grown-up interested in grammar needs to know. When it comes to grammar, it seems like everyone—even die-hard word nerds—feel they missed something in school. The Joy of Syntax picks up where sixth grade left off, providing a fresh foundation in English syntax served up by someone with an impressive record of making this otherwise inaccessible subject a true joy. With simple, pithy information on everything from basic parts of speech and sentence structure to usage and grammar pitfalls, this guide provides everything you need to approach grammar with confidence.

A Commonsense Guide to Grammar and Usage Larry Beason, Mark Lester, 2011-11-24
Presents lessons in learning English grammar.

The Uses of Grammar Judith Rodby, W. Ross Winterowd, 2012 In this second edition of THE USES OF GRAMMAR, Judith Rodby and W. Ross Winterowd develop their successful first edition with new examples, more discussion questions and exercises, and clear explanations of the grammatical principles that teach students to understand grammar conceptually and deeply. The first edition has been completely redesigned visually to enhance learning and retention. Rodby and Winterowd's THE USES OF GRAMMAR 2E is an accessible approach grounded in deep understanding of language acquisition, structure, and even the rhetoric of everyday use. THE USES OF GRAMMAR 2E integrates traditional, structural, and functional concepts with ideas from contemporary linguistics and grammatical study. Rather than simply partition the study of grammar from the bottom up—from the parts to the whole—Rodby and Winterowd employ a unique structure based on the differentiation of FORM and FUNCTION. This structure is framed around three questions: What are the forms in the grammar of American English? How do those forms function in that grammar? How are they used in real-life speaking and writing to achieve specific purposes? Students may learn, for example, how a variety of FORMS (including nouns, pronouns, verbals, and clauses) can all FUNCTION as nominals. This form/function approach ensures that students learn the uses of grammar as both an object of study and as the living text of social interaction. - THE USES OF GRAMMAR thus uses living language to illustrate the practical applications of grammar in our lives. These examples are drawn from a wide variety of sources—newspapers, magazines, books, and the writings of undergraduate students—and from such writers and speakers as Ronald Reagan, Shirley Chisholm, Groucho Marx, Mark Twain, and Jane Addams. Class-tested and refined to be student- and instructor-friendly, THE USES OF GRAMMAR 2E also features For Discussion sections that enhance students' understanding of the principles covered in the text and encourage classroom discussion. Using Grammar sections show students how to think about grammar's function in social relations. Language Learning sections summarize critical concepts. Chapter Previews and Chapter Reviews help students anticipate the new principles, rules, and concepts to follow and reinforce learning. Exercises ask students to rehearse new learning, and Challengers ask them to apply this learning to broader issues or more complex problems. - JUDITH RODBY joined the faculty at California State University, Chico in 1989 after finishing her PhD in the rhetoric, linguistics, and literature program at the University of Southern California. She has been the composition coordinator, writing center director, and coordinator of basic writing. She is currently working primarily in the field of English education and is coordinator for the National Writing Project's National Reading Initiative. She has published in composition, ESL, youth development, and English education. - W. Ross Winterowd was the Bruce R. McElderry Professor Emeritus, University of Southern California, where he founded its PhD program in Rhetoric, Linguistics, and Literature. He authored, coauthored, or edited many essays, reviews, poems, and books, including SEARCHING FOR FAITH: A SKEPTIC'S JOURNEY (2004, Parlor Press), SENIOR CITIZENS WRITING (2007, Parlor Press), THE CULTURE AND POLITICS OF LITERACY (1989, Oxford), and ATTITUDES: SELECTED PROSE AND POETRY (2010, Parlor Press). In 2010, he received the field's highest honor, the Exemplar Award, from the Conference on College Composition and Communication. He passed away in January, 2011, shortly after completing work on THE USES OF GRAMMAR.

Mysteries of English Grammar Andreea S. Calude, Laurie Bauer, 2021-09-30 Despite a history of hundreds of years of research analysing aspects of English grammar, there are still open problems which continue to baffle language researchers today. Such 'grammar mysteries' arise for a number of

reasons: because the language is changing; because different speakers of the language adhere to distinct norms and thus introduce and maintain variation in the system; because there are differences between the grammar of spoken and written English. This book illuminates some of the complexities of the subject, the areas where new discoveries await and why it matters. Through a series of accessible and engaging case studies on various aspects of grammar, from multiple negation to possession, the authors present grammar as an intellectual challenge. This book brings out into the open questions about language usage to which we still do not have good answers in a bid to make variation overt and to revel in the mystery of the English language. Both aimed at the interested general reader and the beginning student of English language and linguistics, this is a fresh take on grammar.

The Grammar Book Diane Larsen-Freeman, Marianne Celce-Murcia, Jan Frodesen, Howard Alan Williams, Benjamin White, 2014-06-15 The Grammar Book introduces teachers and future teachers to English grammatical constructions. This highly acclaimed text, used both as a course book and as a grammar reference guide, is suitable for all teachers of English. What sets it apart from other grammar books is its unique pedagogical focus: It describes not only how each grammatical construction is formed, but also its meaning and its use. Grammar is seen to be a resource for making meaning in textually and socially appropriate ways.

Essential Grammar for Today's Writers, Students, and Teachers Nancy M. Sullivan, 2020-07-23 This innovative grammar text is an ideal resource for writers, language students, and classroom teachers who need an accessible refresher in a step-by-step guide to essential grammar. Rather than becoming mired in overly detailed linguistic definitions, Nancy Sullivan helps writers and students understand and apply grammatical concepts and develop the skills they need to enhance their writing. Along with engaging discussions of both contemporary and traditional terminology, Sullivan's text provides clear explanations of the basics of English grammar and a practical, hands-on approach to mastering the use of language. Complementing the focus on constructing excellent sentences, every example and exercise set is contextually grounded in language themes. This updated edition includes new sections in each chapter on Writing Matters (addressing key tools and concerns for writers) and Language Varieties (addressing issues of social and regional dialect variation). This is an ideal textbook for any writing course across disciplines where grammatical precision is important. Online resources including additional exercises, links, and an answer key are available at [Routledge.com/9780367148683](https://www.routledge.com/9780367148683). Instructor materials accompanying the text provide teachers with activities designed for face-to-face, hybrid, and online instruction to enliven these basic grammar lessons as well as writing activities to integrate these concepts into students' own writing.

Fundamentals of English Grammar Nc Sinha, 2021-01-19 English enjoys the status of the World Language. No other language has ever scaled this height. It is the language that encompasses everything in the world. It is used and cherished by millions whose mother tongue is not English. Spoken English, as a natural corollary to that, has become an important tool in our hands today. Without mastery over it, the gateway to success will remain a distant dream in today's globalised market. Command on any language depends primarily on command on its grammar. Grammar is a repository of rules, governing how words are put together into sentences. These rules govern most constructions in a given language. Grammar is the science of correct use of language. It is concerned only with correct speaking and writing. Fundamentals of Grammar need to be fully comprehended to to acquire skills of quality English. Aim of this book is a practical one: an aid to good English, to take you places on the wings of English. The book is designed to meet the requirements of students completing their schooling and entering colleges or job market, or preparing for various competitions.

An Introduction to English Grammar Syntax Nadia Hussein Salim, 2008-01-01 This book is for people who have never thought about syntax, and who don't know anything about grammar, but who want to learn. Assuming a blank slate on the part of the reader, the book treats English grammar as a product of the speaker's mind, and builds up student skills by exploring phrases and sentences with more and more complexity, as the chapters proceed.

Grammar Introduction

In today's digital age, the availability of Grammar books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through

pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Grammar books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Grammar books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Grammar versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Grammar books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Grammar books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Grammar books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the

public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Grammar books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Grammar books and manuals for download and embark on your journey of knowledge?
