Him Elle Kennedy, Sarina Bowen, 2015-07-28

Us Elle Kennedy, Sarina Bowen, 2016-03-08 Can your favorite hockey players finish their first season together undefeated? Five months in, NHL forward Ryan Wesley is having a record-breaking rookie season. He's living his dream of playing pro hockey and coming home every night to the man he loves—Jamie Canning, his longtime best friend turned boyfriend. There's just one problem: the most important relationship of his life is one he needs to keep hidden, or else face a media storm that will eclipse his success on the ice. Jamie loves Wes. He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves. Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel. With the outside world determined to take its best shot at them, can Wes and Jamie develop major-league relationship skills on the fly? Warning: contains sexual situations, a vibrating chair, long-distance sexytimes and proof that hockey players look hot in any shade of green. I read HIM in one sitting—it's so, so good! If I had to pick two authors who I'd have team up, it would be Bowen and Kennedy -- #1 New York Times bestselling author Colleen Hoover HIM is my favorite read of 2015! Hot, sexy, romantic, funny, and full of heart. I LOVED Jamie and Wes! -- NYT Bestselling Author Lauren Blakely The way that Sarina Bowen and Elle Kennedy spun the tale of these two men falling and staying in love was absolutely timeless and beautifully real. --Audrey Carlan, #1 New York Times Best Selling Author Keywords: MM, male/male, hockey romance, hockey mm, sports romance, contemporary romance. I highly recommend it not only to women who lose themselves in their relationships with men but to the parents of adolescent girls who need to be taught how to view themselves as valuable beings separate from their relationships with men and boys.—Michael Gurian, author of *The Good Son* and *A Fine Young Man* Do you frequently find yourself putting your lover's needs ahead of your own? Do you tend to lose yourself in your romantic relationships? Have you ever neglected your career, your friends, or even your health while in the midst of a love affair? In Him Kenneth E. Hagin, 1979 This minibook will help believers learn more about who they are and what they have in Christ.

Why Him? Why Her? Helen Fisher, 2009-01-20 A groundbreaking book about how your personality type determines who you love Why do you fall in love with one person rather than another? In this fascinating and informative book, Helen Fisher, one of the world's leading experts on romantic love, unlocks the hidden code of desire and attachment. Each of us, it turns out, primarily expresses one of four broad personality types—Explorer, Builder, Director, or Negotiator—and each of these types is governed by different chemical systems in the brain. Driven by this biology, we are attracted to partners who both mirror and complement our own personality type. Until now the search for love has been blind, but Fisher pulls back the curtain and reveals how we unconsciously go about finding the right match. Drawing on her unique study of 40,000 men and women, she explores each personality type in detail and shows you how to identify your own type. Then she explains why some types match up well, whereas others are problematic. (Note to Explorers: be prepared for a wild ride when you hitch your star to a fellow Explorer!) Ultimately, Fisher's investigation into the complex nature of romance and attachment leads to astonishing new insights into the essence of dating, love, and marriage. Based on entirely new research—including a detailed questionnaire completed by seven million people in thirty-three countries—Why Him? Why Her? will change your understanding of why you love him (or her) and help you use nature's chemistry to find and keep your life partner.

Him Pierre Jeanty, 2018-08-16 The best-selling poet of HER & HER Vol. 2 returns with a different voice, on a different path, but with the same mission. HIM is a collection of he-poetry in a world of she-poems that tends to only refer to him when speaking ill. Through poetry and prose, Pierre wears his heart on paper and pens a tribute to men; their undelivered feelings, unrecognized strength, their loud silence, and their neglected complaints. HIM celebrates good men, their love, their worth, and their beauty. The characteristics that often fall into the shadows are now brought to life.

Save Him William M. Hayes, 2019-09-19 Discover the award-winning time-travel thriller that Blue Ink Reviews says combines the physics of chaos theory and the whiz-bang action of a techno thriller to fuel a military page-turner that tests the faith of everyone involved.” Winner – 2022 Audiobook Reviewer’s Award–Thriller–Time Travel Winner – 2022 Audiobook Reviewer’s Choice Award Winner – 2021 Pinnacle Achievement Awards–Time Travel Winner – 2021 American Fiction Awards–Religious Thriller Winner – 2021 Pacific Book Awards–Thriller Winner – 2021 Firebird Book Awards–Time Travel Winner – 2021 International Impact Book Awards–Military Winner – 2020 Author Circle Awards – Novel of Excellence–Science Fiction Military scientist Rydel Scott has discovered time travel. He also believes he's received a message from God. The message: go back in time and save Jesus Christ from being crucified. When a secret mission involving one of his inventions goes horribly wrong, Rydel obsessively tries to learn what caused the system failure and, in doing so, stumbles upon a physics-bending ability to travel through time. Overworked and massively sleep-deprived, Rydel believes he has received a message from God—save God's son. And the man of science embarks on a world-changing quest to rescue Jesus. As he covers his tracks to journey back undetected, he neglects to factor in the consequences of a devastating butterfly effect. And he's terrified to discover The Unit, a highly-trained team of elite soldiers, is hunting him down to stop him from making choices that could upend all of human history. Will The Unit find Rydel before he alters the past? And, if they find him, can some members of the elite force be persuaded to join Rydel on his mission to save Jesus Christ from the cross? “Save Him combines the physics of chaos theory and the whiz-bang action of a techno thriller to fuel a military page-turner that tests the faith of everyone involved.” – Blue Ink Reviews “Every time I thought I had this book figured out a little bit it surprised me...and then did it again and again.” – Amazon Review

Marry Him Lori Gottlieb,2010-02-04 An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships and a wake-up call for single women about getting real about Mr. Right. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

Just by Looking at Him Ryan O'Connell,2023-06-06 From the first line of *Just by Looking at Him*, you'll know this story is so much more than boy meets boy. First, there's the humor. Elliot is a writer who spends his days navigating the back stabbing, the pressure, and the day to day snark of writing aggressively average television. In laugh out loud detail, we're immediately with him on his journey to try to get his lines onto the screen. But there's a deeper, and more poignant, story beating at the heart of this would be rom com. Instead of the usual boy meets boy, the person you really fall in love, the one you're rooting for until the end, is the protagonist himself. As a gay man with cerebral palsy, Elliot has always searched for the one, and he thought he found that person in Gus, his doting boyfriend. And yet, he can't seem to stop cheating. Elliot falls into a rabbit hole of sex, drinking, and addiction, and ultimately learns that the person he truly needs to learn to accept is himself. As incisive commentary on gay life today, a heart centered, laugh out loud exploration of self and a rare insight into life as a person with disabilities who refuses to be a victim, critics and readers alike will fall in love with this story--

Let's Praise Him Arvind Ephraim,2021-07-29 Praising God has played a very important role in my life and ministry. For every challenge and need which I face in my life , I praise God and I have seen if I praise God for one topic for 10 hours then things turn. God takes control of things in my life as soon as I start praising Him. Amplified Bible says 1 Thessalonians 5:18 Thank [God] in everything [no matter what the circumstances may be, be thankful and give thanks], for this is the will of God for you [who are] in Christ Jesus [the Revealer and Mediator of that will]. God specially put on my heart to write this book which is 7 hours Praise, which we are doing for 3 days. The main purpose of the book is to Praise the Most High God. There are 12 praises per hour and each Praise should be given for 5 minutes. And Each day there are 252 praises. You can divide the days and hours mentioned in this book according to your convenience. I pray that many will see the power of God as they start praying and praising aloud these promises of God. God bless!

Let Him Lead Ludi Denis,2022-03-15 Who are you letting lead your life? Life itself is hard why would we want to live a life of self dependent? I have made so many mistakes, I need the Lord to direct my every step. I have experienced the love of God. He has brought me to a place I never been before. He has gone before me and prepares me for me. The love of God has complete me. He made Himself real to me. I could go to Him anytime and He will speak to me and grant me the peace that is needed for each day. I learned to trust Him and take Him as His word. He said I will never leave you. We all need to have a relationship with our Lord. We might not understand everything, but one thing I know He is real and He is our hope. He had sent His son to die on the cross for our sins. That is love. We all need to believe in who He says He is. The truth is we are blind. There is so much to know about God. He led you to a family of love. He takes you away from issues we are tired of handling. Over and over He goes and protect me from making the same mistakes. Letting Him lead my life has been unexplainable. The love He gave is like no other.
