Grant Tracy Saxon

The Hustler Walter Tevis, 2022-01-18 The legendary novel from the bestselling author of *The Queen's Gambit* about an ambitious pool shark who discovers what it takes to make the big time. The basis for the acclaimed film starring Paul Newman. To the strangers he plays in darkened pool halls, at first "Fast" Eddie Felson seems like a sloppy pool player with bright eyes and an extraordinary grin. But when real money is on the line, they see that Eddie is a hustler of the first order. But Eddie's got ambitions and wants to quit his two-bit hustling for the big time. And when he sets his sights on Minnesota Fats, the best pool player in the country, he knows this match will be a true test of his skill—and he knows he can win. But what Eddie doesn't know is that the game of pool isn't all about skill. It's about guts and stamina, and, above all, character.

Understanding the Male Hustler Sam Steward, 2014-01-09 This book is a serious study of male hustlers using experiential dialogue to introduce the reader to real-life concepts and experiences that otherwise could not be effectively conveyed. An intriguing attempt to get into the mind and personality of the male hustler through a largely imagined series of dialogues between a well-known fictional hustler and his so-called amanuensis, Samuel Steward, this unique book covers all aspects of the hustler's motivations, activities, life style, adjustments, advantages, and disadvantages. It accomplishes this dispassionately, without prejudgment, moral censure, approbation, or more than cursory involvement. Therapists and counselors in all fields of sexual functioning will find here some understanding of the causes and impulses (beyond the popular "broken home syndrome") that lead young males into prostitution. It signals some of the signposts to danger and serious threats to health that accompany the profession of prostitution and also explains to counselors some of the activities and practices of the male prostitute, enabling them to have a better understanding of the fascination and peril of the hustler's life. The brevity of success in such a calling is also considered, with some consideration for the necessity of long-range planning for the hustler's future. Important contents: interview of a well-known hustler brief look at early male prostitution--Greek, Roman, Burton's theory the peacock period and youth as a prerequisite for hustling lures of the profession--money, power, other motivations paths and mechanisms leading to hustling characteristics of different types of hustlers types of clients patronizing hustlers literary illuminations the modus operandi of the male hustler extraordinary dangers confronting the male hustler today the attractiveness of the "seeing-through" of a hustler to past clients quo vadis for the hustler after youth passes Readers will be amazed by the daily hazards and drawbacks as well fascinated by the curiosities and rewards of the hustler's profession. Especially of interest to therapists and counselors, *Understanding the Male Hustler* is also valuable for sociologists, anthropologists, medical specialists, psychiatrists, psychologists.

It's not always easy to even know what Point B is, what real success in your life would look like! It's also not rocket science, and you don't have to be a scholar to make it in this world. What you do have to be is a Hustler. You have to have the ability to put others first, set aside your ego, work through

tough times, be thoughtful, be honest, and give people the benefit of the doubt as you would give yourself. This is not complicated stuff, but this is the stuff that creates winners. More than just a motivational message, The Hustler's Handbook guides you through concrete steps and actionable changes you can make to set yourself on the path to success – through what it really means to HUSTLE: • Helping others get what they want • Under-promise and over-deliver • Sacrifice • Take chances • Listen more, talk less • Expect the best out of people These practices can't just happen every now and then. This has to be a consistent action that becomes part of you. Stop waiting for the "right moment." Learn to set real goals, to get rid of the bad thinking that holds you back, to break out of the cycle of mediocrity, to defeat laziness. The time to start is now. Life is no dress rehearsal, so let's go to work!
