She believes she has "bad hair" and expresses her insecurity with her mother. In a culture saturated with digitally altered photos and videos, raising girls with high self-esteem can be scary. That Hair Djaimilia Pereira de Almeida, 2020-03-17 Finalist for the 2021 PEN Translation Prize A Best Translation of the Year at World Literature Today
That Hair is a family album of sorts that touches upon the universal subjects of racism, feminism, colonialism, immigration, identity and memory. "The story of my curly hair," says Mila, the narrator of Djaimilia Pereira de Almeida's autobiographically inspired tragicomedy, "intersects with the story of at least two countries and, by extension, the underlying story of the relations among several continents: a geopolitics." Mila is the Luanda-born daughter of a black Angolan mother and a white Portuguese father. She arrives in Lisbon at the tender age of three, and feels like an outsider from the jump. Through the lens of young Mila's indomitably curly hair, her story interweaves memories of childhood and adolescence, family lore spanning four generations, and present-day reflections on the internal and external tensions of a European and African identity. In layered and luscious prose, That Hair enriches and deepens a global conversation, challenging in necessary ways our understanding of racism, feminism, and the double inheritance of colonialism, not yet fifty years removed from Angola's independence. It's the story of coming of age as a black woman in a nation at the edge of Europe that is also rapidly changing, of being considered an outsider in one's own country, and the impossibility of "returning" to a homeland one doesn't in fact know.

Don't Touch My Hair! Sharee Miller, 2018-12-04 An entertaining picture book that teaches the importance of asking for permission first as a young girl attempts to escape the curious hands that want to touch her hair. It seems that wherever Aria goes, someone wants to touch her hair. In the street, strangers reach for her fluffy curls; and even under the sea, in the jungle, and in space, she's chased by a mermaid, monkeys, and poked by aliens...until, finally, Aria has had enough! Author-illustrator Sharee Miller takes the tradition of appreciation of black hair to a new, fresh, level as she doesn't seek to convince or remind young readers that their curls are beautiful--she simply acknowledges black beauty while telling a fun, imaginative story.

My Hair Hannah Lee, 2019-09-03 My birthday's coming up so soon, I'll need new clothes to wear. But most of all, I need to know, How shall I style my hair? Will it be dreads or a twist out? Braids or a high-top fade? Joyous and vibrant, this captures perfectly the excitement of getting ready for a celebration, as well as showcasing a dazzling array of intricate hairstyles. This is a glorious debut from an exciting new partnership who both emerged from the FAB Prize for undiscovered BAME writers and illustrators.

Hairlooms Michele Tapp Roseman, 2017-02-07 Words have power, and those that

Black women often use to describe their hair are derogatory: nappy, steel wool, out of control. They often personally inherit these terms and pass them along without even realizing the crushing effects these words have on their feelings about the person they see in the mirror. While many books on the market address the practical ways of styling Afro-textured hair naturally, *Hairlooms* asks: Why is it so difficult for Black women to embrace their hair? and How can Black women overcome the multi-layered challenge of embracing their natural hair and beauty? Author Michele Tapp Roseman helps readers answer these questions for themselves, to write a new story that they can pass along. A recent Huffington Post article *Natural Hair Becoming Even More Popular Among Black Women* revealed a marked increase in the number of Black women who do not chemically treat their hair, yet also struggle to accept their natural hair and beauty. Through personal, revealing stories *Hairlooms* examines the issues behind these struggles. Guided exercises throughout help readers comb through their self-perceptions and form a plan for self-acceptance and personal empowerment. *Hairlooms* includes 32 compelling personal stories about those who have embraced their God-given hair and beauty, including: Major General Marcia Anderson--Senior advisor to the Chief on policies and programs for the U.S. Army Reserve, and the first woman to earn the distinction of a two-star general in the U.S. Army Reserve. The late Dr. Maya Angelou--World-renowned poet and author. The recipient of 30 honorary degrees and former Reynolds Professor of American Studies at Wake Forest University. Lisa Price--Founder of Carol's Daughter hair and beauty brand, a favorite of celebrities, and now sold in stores from coast-to-coast. Now owned by L'Oréal, Price is still at the helm of this growing business. Jane Carter--A professional hair stylist/colorist and salon owner, she founded the Jane Carter Solution after an allergic reaction caused by prolonged exposure to chemicals in traditional hair care products. Today, Jane Carter Solution sells millions of dollars' worth of products in Whole Foods Market, Sally Beauty Supply, Walmart, Target, CVS, and Walgreens stores. A'Lelia Bundles--Great-great granddaughter of the first Black female millionaire and hair-care creator, Madam C. J. Walker. She has teamed with Sephora and Sundial Brands to launch the Madam C.J. Walker Beauty Culture product line. A'Lelia is also a seasoned journalist, public speaker, and author of the New York Times bestseller, *On Her Own Ground: The Life and Times of Madam C. J. Walker*. Kim Coles--Hollywood actress, comedian, and featured guest on Dr. Drew's *Lifetchangers Good Hair Debate* episode. Tomiko Fraser--The first African-American woman signed exclusively to Maybelline, and the longest-serving spokesperson for any cosmetics company.

Beethoven's Hair Russell Martin, 2002-01-08 The basis for the movie of the same name, an astonishing tale of one lock of hair and its amazing travels--from nineteenth-century Vienna to twenty-first-century America. When Ludwig van Beethoven lay dying in 1827, a young musician named Ferdinand Hiller came to pay his respects to the great composer, snipping a lock of Beethoven's hair as a keepsake--as was custom at the time--in the process. For a century, the lock of hair was a treasured Hiller family relic, until it somehow found its way to the town of Gilleleje, in Nazi-occupied Denmark. There, it was given to a local doctor, Kay Fremming, who was deeply involved in the effort to help save hundreds of hunted and frightened Jews. After Fremming's death, his daughter assumed ownership of the lock, and eventually consigned it for sale at Sotheby's, where two American Beethoven enthusiasts, Ira Brilliant and Che Guevara, purchased it in 1994. Subsequently, they and others instituted a series of complex forensic tests in the hope of finding the probable causes of the composer's chronically bad health, his deafness, and the final demise that Ferdinand Hiller had witnessed all those years ago. The results, revealed for the first time here, are the most compelling explanation yet offered for why one of the foremost musicians the world has ever known was forced to spend much of his life in silence. In *Beethoven's Hair*, Russell Martin has created a rich historical treasure hunt, a tale of false leads, amazing breakthroughs, and incredible revelations. This unique and fascinating book is a moving testament to the power of music, the lure of relics, the heroism of the Resistance movement, and the brilliance of molecular science.
