Imagine Heaven John Burke, 2015-10-13 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

*Heaven* Mieko Kawakami, 2021-05-25 “A raw, tender portrait of adolescent misery, reminiscent of Elena Ferrante’s fiction.” —NPR From the bestselling author of *Breasts and Eggs*, a sharp and illuminating novel about the impact of violence and the power of solidarity. Tormented by his peers because of his lazy eye, Kawakami’s protagonist suffers in silence. His only respite comes thanks to his friendship with a girl who is also the victim of relentless teasing. But what is the nature of a friendship if your shared bond is terror? Unflinching yet tender, intimate and multi-layered, *Heaven* is yet another dazzling testament to Kawakami’s uncontainable talent. “An argument in favor of meaning, of beauty, of life.” —The New York Times Book Review “If you enjoyed Mieko Kawakami’s brilliant *Breasts and Eggs*, you’re certain to be astonished by her latest novel exploring violence and bullying with fierce, feminist and damning candor.” —Ms. Magazine “This is the real magic of *Heaven*, which shows us how to think about morality as an ongoing, dramatic activity. It can be maddening and ruinous and isolating. But it can also be shared, enlivened . . . and momentarily redeemed through unheroic acts of solidarity.” —The New Yorker “Quietly devastating.” —TIME Magazine “Keen psychological insight, brilliant sensitivity, and compassionate understanding.” —Publishers Weekly, starred review “Raw and eloquent. . . . An unexpected classic.” —Kirkus Reviews, starred review “An incredible literary talent.” —Booklist, starred review “Kawakami writes with jagged, visceral beauty.” —Oprah Daily “Kawakami never lets us settle comfortably, which is a testament to her storytelling power.” —Los Angeles Review of Books “One of Japan’s brightest stars.” —Japan Times

*Breasts and Eggs* Mieko Kawakami, 2020-04-07 A novel that “considers the agency . . . women exert over their bodies and charts the emotional underpinnings of physical changes . . . with

humor and empathy" (The New Yorker). On a sweltering summer day, Makiko travels from Osaka to Tokyo, where her sister Natsu lives. She is in the company of her daughter, Midoriko, who has lately grown silent, finding herself unable to voice the vague yet overwhelming pressures associated with adolescence. Over the course of their few days together in the capital, Midoriko's silence will prove a catalyst for each woman to confront her fears and family secrets. On yet another summer's day eight years later, Natsu, during a journey back to her native city, confronts her anxieties about growing old alone and childless. Bestselling author Mieko Kawakami mixes stylistic inventiveness and riveting emotional depth to tell a story of contemporary womanhood in Japan. "Took my breath away." —Haruki Murakami, #1 New York Times-bestselling author *The Wind-Up Bird Chronicle* "Kawakami lobbed a literary grenade into the fusty, male-dominated world of Japanese fiction with *Breast and Eggs*." —The Economist "A sharply observed and heartbreaking portrait of what it means to be a woman." —TIME "Raw, funny, mundane, heartbreaking." —The Atlantic "A bracing, feminist exploration of daily life in Japan." —Entertainment Weekly "Timely feminist themes; strange, surreal prose; and wonderful characters will transcend cultural barriers and enchant readers." —The New York Observer "Bracing and evocative, tender yet unflinching." —Publishers Weekly "Kawakami writes with unsettling precision about the body—its discomforts, its appetites, its smells and secretions. And she is especially good at capturing its longings." —The New York Times Book Review

*The Book of Heaven* Patricia Storace, 2014-11-04 From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed

ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

Heaven Is for Real Todd Burpo, Lynn Vincent, 2016-07-11 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how reaaaally big God and his chair are, and how the Holy Spirit shoots down power from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

Dog Heaven Cynthia Rylant, 2010-11-01 A comforting and playful exploration of a beloved dog's journey after a happy life on Earth. In Newbery Medalist Cynthia Rylant's classic bestseller, the author comforts readers young and old who have lost a dog. Recommended highly by pet lovers around the world, Dog Heaven not only comforts but also brings a tear to anyone who is devoted to a pet. From expansive fields where dogs can run and run to delicious biscuits no dog can resist, Rylant paints a warm and

affectionate picture of the ideal place God would, of course, create for man's best friend. The first picture book illustrated by the author, *Dog Heaven* is enhanced by Rylant's bright, bold paintings that perfectly capture an afterlife sure to bring solace to anyone who is grieving.

*Passport to Heaven* Micah Wilder, 2021-06-01 “You have a call, Elder Wilder.” When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God’s grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. *Passport to Heaven* is a gripping account of Micah’s surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

*What's Heaven* Maria Shriver, 2007-10-30 After her great-grandmother's death, a young girl learns about heaven by asking her mother all kinds of questions.

*The Case for Heaven* Lee Strobel, 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations

with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

**The Treasure Principle, Revised and Updated** Randy Alcorn, 2012-04-11 Discover how the joy of giving can make your life richer, starting today. Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original *The Treasure Principle* in 2001. Now the revision to the compact, perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources. Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us—but we can send it on ahead! Readers are moved from the realms of thoughtful Bible

exposition into the highly personal arena of everyday life. Because when Jesus told His followers to “lay up for yourselves treasures in heaven,” He intended that they discover an astounding secret: how joyful giving brings God maximum glory and His children maximum pleasure. In *The Treasure Principle*, you’ll unearth a radical teaching of Jesus—a secret wrapped up in giving. Once you discover this secret, life will never look the same. And you won’t want it to be. “Supercharged with stunning, divine truth! Lightning struck over and over as I read it.” - John Piper, Senior Pastor, Bethlehem Baptist Church, Minneapolis

**The Real Heaven** Chip Ingram, Lance Witt, 2016-02-23

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

*Heaven Wins* Don Richardson, 2013-11-26 *Who Will Be Saved?*

*Who Will Be Lost?* The past few years have seen the release of several high-profile books, including *Love Wins* (Rob Bell) and *God Wins* (Mark Galli), that attempt to clarify what the Bible teaches about the ultimate destiny of individuals after this life. Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence. In *Heaven Wins*, the best-selling author of *Peace Child* and *Eternity in Their Hearts* offers a faith-enhancing, scripturally grounded perspective that changes everything. Are a majority of people destined for hell, as many Christians assume, or will heaven harvest the greater part of mankind? Could it be that the good news is even better and more

expansive than we have dared to hope? The answer may surprise you.

**Under the Banner of Heaven** Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double

murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.
