

Hebrew

Marvin J. Heller

The Story of Hebrew Lewis Glinert, 2017-01-30 A unique history of the Hebrew language from biblical times to the modern Jewish state This book explores the extraordinary hold that Hebrew has had on Jews and Christians, who have invested it with a symbolic power far beyond that of any other language in history. Preserved by the Jews across two millennia, Hebrew endured long after it ceased to be a mother tongue, resulting in one of the most intense textual cultures ever known. It was a bridge to Greek and Arab science. It unlocked the biblical sources for Jerome and the Reformation. Kabbalists and humanists sought philosophical truth in it, and Colonial Americans used it to shape their own Israelite political identity. Today, it is the first language of millions of Israelis. The Story of Hebrew takes readers from the opening verses of Genesis—which seemingly describe the creation of Hebrew itself—to the reincarnation of Hebrew as the everyday language of the Jewish state. Lewis Glinert explains the uses and meanings of Hebrew in ancient Israel and its role as a medium for wisdom and prayer. He describes the early rabbis' preservation of Hebrew following the Babylonian exile, the challenges posed by Arabic, and the prolific use of Hebrew in Diaspora art, spirituality, and science. Glinert looks at the conflicted relationship Christians had with Hebrew from the Renaissance to the Counter-Reformation, the language's fatal rivalry with Yiddish, the dreamers and schemers that made modern Hebrew a reality, and how a lost pre-Holocaust textual ethos is being renewed today by Orthodox Jews. A major work of scholarship, *The Story of Hebrew* is an unforgettable account of what one language has meant to those possessing it.

In the Beginning Joel Hoffman, 2006-03 Written in language simple enough for everyone to learn, this sweeping history traces the Hebrew language's development and covers the dramatic story of the rebirth of Hebrew as a modern, spoken language.

Modern Hebrew Norman Berdichevsky, 2016-03-21 Ben-Yehuda's vision of a modern Hebrew eventually came to animate a large part of the Jewish world, and gave new confidence and pride to Jewish youth during the most difficult period of modern history, infusing Zionism with a dynamic cultural content. This book examines the many changes that occurred in the transition to Modern Hebrew, acquainting new students of the language with its role as a model for other national revivals, and explaining how it overcame many obstacles to become a spoken vernacular. The author deals primarily with the social and political use of the language and does not cover literature. Also discussed are the dilemmas facing the language arising from the fact that Israelis and Jews in the Diaspora don't speak the same language, while Israeli Arabs and Jews often do.

Hebrew Word Study Chaim Bentorah, 2016-06-21 God's Word Leads Us to God's Heart Hebrew Word Study: Revealing the Heart of God is a devotional book unlike any you've ever read. Most Hebrew word study books read like a dictionary, not really explaining the Hebrew words in light of specific Bible passages. Hebrew Word Study by Chaim Bentorah combines an in-depth look at the meanings of a variety of scriptural words and phrases in the original Hebrew with a down-to-earth application for our daily Christian experience. Guided by Chaim's expertise in biblical languages, you will examine not just word definitions, but also the origins of words, their place in the culture and idioms of the day, and even their emotional context. With the author's anecdotes and stories from the Bible and ancient Jewish literature, the

meanings of these words and passages become even more vivid. Each of the ninety word studies in this book will encourage and strengthen you in your relationship with God. As you search the depths of God's Word, you will see just how beautiful the Scriptures are, and most of all, you will see the beauty of God Himself and come to love Him all the more.

A Best-Selling Hebrew Book of the Modern Era David B. Ruderman, 2015-02-17

In 1797, in what is now the Czech Republic, Pinchas Hurwitz published one of the best-selling Hebrew books of the modern era. Nominally an extended commentary on a sixteenth-century kabbalist text, *The Book of the Covenant* was in fact a compendium of scientific knowledge and a manual of moral behavior. Its popularity stemmed from its ability to present the scientific advances and moral cosmopolitanism of its day in the context of Jewish legal and mystical tradition. Describing the latest developments in science and philosophy in the sacred language of Hebrew, Hurwitz argued that an intellectual understanding of the cosmos was not at odds with but actually key to achieving spiritual attainment. In *A Best-Selling Hebrew Book of the Modern Era*, David B. Ruderman offers a literary and intellectual history of Hurwitz's book and its legacy. Hurwitz not only wrote the book, but was instrumental in selling it as well and his success ultimately led to the publication of more than forty editions in Hebrew, Ladino, and Yiddish. Ruderman provides a multidimensional picture of the book and the intellectual tradition it helped to inaugurate. Complicating accounts that consider modern Jewish thought to be the product of a radical break from a religious, mystical past, Ruderman shows how, instead, a complex continuity shaped Jewish society's confrontation with modernity.

Everyday Hebrew (Book + 3 audiocassettes) Eliezer Tirkel, 1996-01-11
Developed by leading Hebrew-language educators, this text/audio program is great for self-study or group instruction. Four 60-minute audiocassettes and 30 text units help students speak, read, and understand modern Hebrew.

Israelian Hebrew in the Book of Kings Gary Rendsburg, 2002
Reconstruction based upon grammatical and lexical items in the book of Kings of the dialect of Hebrew peculiar to the northern kingdom of Israel. Occasional Publications of the Department of Near Eastern Studies and the Program of Jewish Studies, Cornell University, no. 5

Hebrew at the Crossroads of Cultures Haiim B. Rosén, 1995 (Peeters 1995)

What We Talk about When We Talk about Hebrew (and What It Means to Americans) Naomi B. Sokoloff, Nancy E. Berg, 2018-08-14
Why Hebrew, here and now? What is its value for contemporary Americans? In *What We Talk about When We Talk about Hebrew (and What It Means to Americans)* scholars, writers, and translators tackle a series of urgent questions that arise from the changing status of Hebrew in the United States. To what extent is that status affected by evolving Jewish identities and shifting attitudes toward Israel and Zionism? Will Hebrew programs survive the current crisis in the humanities on university campuses? How can the vibrancy of Hebrew literature be conveyed to a larger audience? The volume features a diverse group of distinguished contributors, including Sarah Bunin Benor, Dara Horn, Adriana Jacobs, Alan Mintz, Hannah Pressman, Adam Rovner, Ilan Stavans, Michael Weingrad, Robert Whitehill-Bashan, and Wendy Zierler. With lively personal insights, their essays give fellow Americans a glimpse into the richness of an exceptional language. Celebrating the vitality of modern Hebrew, this book addresses the challenges and joys of being a Hebraist in America in the twenty-first

century. Together these essays explore ways to rekindle an interest in Hebrew studies, focusing not just on what Hebrew means—as a global phenomenon and long-lived tradition—but on what it can mean to Americans.

The revival of Hebrew in Israel Elena Agathokleous, 2021-04-27 Essay from the year 2018 in the subject Speech Science / Linguistics, grade: A, , language: English, abstract: The revival of Hebrew is considered to be the most astonishing revival of a language, which however was not entirely dead, but it was used exclusively for religious matters for a period of 2000 years. It is considered to be a remarkable achievement, one tightly linked to the Hebrew pride. The high nationalism of Hebrew parents led them to using Hebrew as the language to bring up their children. Children were spoken to and taught in Hebrew and this way native speakers of the language were created. After the foundation of the Israel state and the continuous efforts concerning the revival of the language, Hebrew has gone from being an inactive language used only in the religious domain to a living language used by over nine million users. When talking about the study of a language's revival, we refer to the study of all factors relevant or any obstacles to that revival. Studying various language revival attempts can provide insight on revival techniques, on what actually works and which motives are strongest when attempting to revive a language. Also through comparison between those attempts a lot of useful information about what works can come up.

Biblical Hebrew Nancy deClaiss-Walford, 2002-12-01 In an easy-to-use workbook format, students learn tools for understanding the structure of Hebrew phonology and morphology, nouns, pronouns, adjectives, verbs, and syntax, and gain a reading knowledge of the Hebrew Bible that will last beyond seminary. Spiral Bound. REVISED EDITION

Further Studies in the Making of the Early Hebrew Book Marvin J. Heller, 2013-01-09 Further Studies in the Making of the Early Hebrew Book addresses a variety of aspects of the early Hebrew book often treated in a cursory manner. The essays encompass book arts, printing-places and printers, and unusual book varia.

The American Hebrew , 1921

The Revival of Classical Tongue Jack Fellman, 2011-07-19 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students, researchers and practitioners in all of the social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists, historians etc. to the development of the sociology of language.

Hebrew in Ashkenaz Lewis Glinert, 1993 Hebrew in Ashkenaz is a pioneering attempt to reverse an age-old academic prejudice against the legitimacy of Ashkenazi Hebrew. Glinert has gathered philosophers, historians, sociologists, and linguists to address such contentious issues as the role of Hebrew in Jewish life and the evolving shape of the language, over the period of one thousand years from the dawn of Ashkenazi life in Germany through contemporary Jewish society in Britain and Russia. This book finally abolishes the myth that Ashkenazi Hebrew was solely a language of religious study and fixed prayer. Instead, it is shown through these essays to be a

language with vibrancy and creativity all its own, from which today's Hebrew emerged with remarkably little effort. This study, the first global look at the role of Hebrew in Jewish society, will interest students and scholars of Jewish history, Hebrew, mysticism, and general sociolinguistics and ethnolinguistics.

Word Systems in Modern Hebrew Aphek,Tobin,2023-09-20

The Hebrew Language Viewed in the Light of Assyrian Research Friedrich Delitzsch,1883

Hebrew for Beginners Ahmet Murat Taşer,2020-09-28 With a chapter for every week, you'll develop the necessary skills to reach the intermediate level in Hebrew. With original dialogues, easy-to-understand grammar, extensive vocabulary, and engaging exercises with transliteration; this book provides its students the necessary skills to communicate well in Hebrew. This book is designed to equip the students in reading and speaking. Students will be able to lay the foundations for further Hebrew language studies with this book. This book consists of 10 regular chapters covering Beginner level Hebrew Language material. All sections are given with the original written Hebrew form, English Transliteration and English translation. Each chapter touches upon a different setting; from staying at a hotel to visiting friends for dinner and traveling. In this intensely designed book, we embark on a journey with David and Malka while they are getting acquainted with the land, culture and people of Israel. Additional Study Materials for Beginner level learners **Practical Hebrew Grammar** (979-8559907055) is a reference book for Hebrew learners. **Hebrew Learners' Dictionary: with Conjugation & Declension Tables, Fully Transliterated - A1** (979-8695228137) is a beginner level dictionary with words and phrases essential for elementary level learners. With the experience of teaching more than 20 years, the author's other works include Hebrew and Turkish self-study books and complementary materials. They've proven successful with their new editions and over 8 years in the market. * Pronunciation symbols (Nekudot) are not usually present in Modern Hebrew texts. They are mostly printed in Biblical scriptures. Therefore, in Hebrew, it's crucial to remember the correct pronunciation of each word. Some coursebooks include these pronunciation symbols to facilitate learning, however, this causes confusion in real life for foreign students. To prevent such confusion and prepare the students to reading and writing Hebrew without a hassle, in this book all Hebrew words are given without the Nekudot, except for those that require the use of these symbols for grammatical reasons. To provide students with a more convenient and practical approach, in this book all Hebrew words are transliterated. The English transliteration shows the correct pronunciation of each word.

Hebrew Life and Times Harold B. Hunting,2019-12-02 'Hebrew Life and Times' is a historical narrative of the lives of the Jewish people by author Harold Hunting. It captures the daily life of the common people—their joys and sorrows, their hopes, achievements, and ideals. In the author's words, In this course we shall try to reconstruct for ourselves the story of the Hebrew people as an account of Hebrew shepherds, farmers, and such like: what oppressions they endured; how they were delivered; and above all what ideals of righteousness and truth and mercy they cherished, and how they came to think and feel about God.

Hebrew-English Torah ,2012-01-01 Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to

the classic word-for-word Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.
