It's Always Windy on Trash Night Hugh W. Rardin,2008-10-17 There are a lot of little things in life that get overlooked. Rardin makes his point in an irreverent look at lifes idiosyncrasies and craziness as only he can scrutinize. Jumping from one topic to another in a harebrained tour of our mundane lives and the things that most people think about but never talk about, Rardin delivers a tome that is sure to tickle. Spanning the gamut from the brutality of boredom to the excitement of discovery in a book that flows from the obvious to heart wrenching recollections of a childhood wrapped around a father who did more than his share of bonding, you will laugh, love, yawn and cry. Everyone knows that it is always windy on trash night. The bane of every dad who has ever had to take out the trash. Thats how its set up in the grand scheme of things. Its Always Windy On Trash Night so trash morning is always special.
