Holla If You Hear Me... No More Blind Dates, Please! Shawne White,2005-02 My coworker, Jennifer, and I had had this conversation plenty of times and she always said that if God could raise a man from the dead, surely he could send the one for us. The One is out there somewhere, and author Shawne A. White intends to find him. What better way to search for the perfect mate than through blind dates arranged by well-meaning matchmakers? She didn't go on just one or two rendezvous, but many, many blind dates with an eclectic assortment of men. And she's willing to spill the details. This first-person account of White's encounters is a collection of sometimes funny, sometimes touching short stories. She invites you to tag along vicariously as her blind date blunders--and occasional successes--unfold. A touch of humor, therapeutic observation, and commentary on North Carolinian etiquette and cuisine keep you turning pages as she shares her newly developed understanding. Whether you prefer to profit from lessons learned along the way, or simply be entertained, White's blind date experiences will keep you laughing and dating, because you never know, your next date may be the One.
