Halfway Home Reuben Jonathan Miller, 2021-02-02 A persuasive and essential (Matthew Desmond) work that will forever change how we look at life after prison in America through Miller's stunning, and deeply painful reckoning with our nation's carceral system (Heather Ann Thompson). Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record. Reuben Miller, a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens. Home Home Lisa Allen-Agostini,2021-07-13 Fans of Monday's Not Coming and Girl in Pieces will love this award-winning novel about a girl on the verge of losing herself and her unlikely journey to recovery after she is removed from anything and everyone she knows to be home. Moving from Trinidad to Canada wasn't her idea. But after being hospitalized for depression, her mother sees it as the only option. Now, living with an estranged aunt she barely remembers and dealing with her troubles in a foreign country, she feels more lost than ever. Everything in Canada is cold and confusing. No one says hello, no one walks anywhere, and bus trips are never-ending and loud. She just wants to be home home, in Trinidad, where her only friend is going to school and Sunday church service like she used to do. But this new home also brings unexpected surprises: the chance at a family that loves unconditionally, the possibility of new friends, and the promise of a hopeful future. Though she doesn't see it yet, Canada is a place where she can feel at home--if she can only find the courage to be honest with herself. A hopeful story about finding one's place.-Kirkus Reviews, Starred review

The Long Flight Home Alan Hlad, 2019-06-25 A USA Today Bestseller Inspired by fascinating, true, yet little-known events during World War II, *The Long Flight Home* is a testament to the power of courage in our darkest hours—a moving, masterfully written story of love and sacrifice. It is September 1940—a year into the war—and as German bombs fall on Britain, fears grow of an impending invasion. Enemy fighter planes blacken the sky around the Epping Forest home of Susan Shepherd and her grandfather, Bertie. After losing her parents to influenza as a child, Susan found comfort in raising homing pigeons with Bertie. All her birds are extraordinary to Susan—loyal, intelligent, beautiful—but none more so than Duchess. Hatched from an egg that Susan incubated in a bowl under her grandfather's desk lamp, Duchess shares a special bond with Susan and an unusual curiosity about the human world. Thousands of miles away in Buxton, Maine, young crop-duster pilot Ollie Evans decides to join Britain's Royal Air Force. His quest brings him to Epping and the National Pigeon Service, where Susan is involved in a new, covert mission to air-drop hundreds of homing pigeons in German-occupied France. Many will not survive. Those that do will bring home crucial information. Soon a friendship between Ollie and Susan deepens, but when his plane is downed behind enemy lines, both know how remote the chances of reunion must be. Yet Duchess will become an unexpected lifeline, relaying messages between Susan and Ollie as war rages on—and proving, at last, that hope is never truly lost. “Hlad adeptly drives home the devastating civilian cost of the war.” —Booklist

Home: A Celebration Charlotte Moss, 2021-10-05 Celebrated artists, designers, photographers, writers, actors, and activists offer personal reflections on the essence of home in this inspirational book to benefit No Kid Hungry. Filled with personal insight, humor, creativity, joy, and poignancy, *Home: A Celebration* is a lyrical ode to sanctuary and a thoughtful and inspirational book to peruse again and again. Through the lenses of their crafts and passions, each illustrious contributor presents an offering—either a personal text or work of art—on what home means to them. Historian Jon Meacham discusses books as the emotional infrastructure of the houses in his life. Photographer Oberto Gili documents the glorious garden at his property in northwest Italy. Chef Alice Waters proffers a recipe from her home garden. Interior designers—including Nina Campbell, Steven Gambrel, and Kelly

Wearstler—share aspects of their profession that define home to them. Other notable pieces are from Joan Juliet Buck, Julian Fellowes, John Grisham, Jill Kargman, Joyce Carol Oates, and Gloria Steinem. Charlotte Moss's inspiration for this project is Edith Wharton's *The Book of the Homeless* (1916), a fundraising effort that aided refugees and children during the First World War. For this book, a portion of the profits are benefiting the organization No Kid Hungry, which works to feed more than 11 million children in the United States who live in food-insecure homes.

Stealing Home Eric Nusbaum, 2021-03-16 A story about baseball, family, the American Dream, and the fight to turn Los Angeles into a big league city. Dodger Stadium is an American icon. But the story of how it came to be goes far beyond baseball. The hills that cradle the stadium were once home to three vibrant Mexican American communities. In the early 1950s, those communities were condemned to make way for a utopian public housing project. Then, in a remarkable turn, public housing in the city was defeated amidst a Red Scare conspiracy. Instead of getting their homes back, the remaining residents saw the city sell their land to Walter O'Malley, the owner of the Brooklyn Dodgers. Now LA would be getting a different sort of utopian fantasy -- a glittering, ultra-modern stadium. But before Dodger Stadium could be built, the city would have to face down the neighborhood's families -- including one, the Aréchigas, who refused to yield their home. The ensuing confrontation captivated the nation - and the divisive outcome still echoes through Los Angeles today.

Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.
