

# Hotel

Statler Hotel (Saint Louis, Mo.). Library

*The Hotel Book* Shelley-Maree Cassidy, 2003 Who minds sleeping under a mosquito net when it's royally draped over the bed in a lush Kenyan, open-walled hut, fashioned from tree trunks and shielded from the sun by a sumptuous thatched roof? This selection of the most-splendid getaway havens nestled throughout the African continent is sure to please even the most finicky would-be voyagers. Photos.

The Paradox Hotel Rob Hart, 2023-02-07 "Time travel, murder, corruption, restless baby dinosaurs, and a snarky robot named Ruby collide in this excellent, noir-inflected, humor-infused, science-fiction thriller."—The Boston Globe An impossible crime. A detective on the edge of madness. The future of time travel at stake. From the author of *The Warehouse* . . . ONE OF THE BEST BOOKS OF THE YEAR: NPR, Kirkus Reviews January Cole's job just got a whole lot harder. Not that running security at the Paradox was ever really easy. Nothing's simple at a hotel where the ultra-wealthy tourists arrive costumed for a dozen different time periods, all eagerly waiting to catch their "flights" to the past. Or where proximity to the timeport makes the clocks run backward on occasion—and, rumor has it, allows ghosts to stroll the halls. None

of that compares to the corpse in room 526. The one that seems to be both there and not there. The one that somehow only January can see. On top of that, some very important new guests have just checked in. Because the U.S. government is about to privatize time-travel technology—and the world’s most powerful people are on hand to stake their claims. January is sure the timing isn’t a coincidence. Neither are those “accidents” that start stalking their bidders. There’s a reason January can glimpse what others can’t. A reason why she’s the only one who can catch a killer who’s operating invisibly and in plain sight, all at once. But her ability is also destroying her grip on reality—and as her past, present, and future collide, she finds herself confronting not just the hotel’s dark secrets but her own. At once a dazzlingly time-twisting murder mystery and a story about grief, memory, and what it means to—literally—come face-to-face with our ghosts, *The Paradox Hotel* is another unforgettable speculative thrill ride from acclaimed author Rob Hart.

**The Design Hotels Book** Design Hotels, 2020-02-04 A special 25th year anniversary edition of *The Design Hotels*™ Book presents an in-depth look at 25 boutique properties around the world that are changing the way we think about hospitality. For a

quarter century, Design Hotels™ has been at the forefront of a movement in hospitality, curating a global collection of independent, design-driven hotels that function as social hubs and platforms for extraordinary experiences. In celebration of this benchmark, Design Hotels™ sent some of the world's leading editorial and lifestyle photographers around the world to capture the unique character of 25 hotels at the vanguard of their hand-selected collection. Each hotel tells a story, rich with emotion and steeped in the history, culture, and nature of its local environment. The new, special edition of the brand's wildly popular annual brings these stories to life through evocative photo essays and reportage. This edition of The Design Hotels™ Book is a distillation of a quarter century of pioneering design and original experiences, as well as a must-have for a worldwide community of travelers, likeminded in their pursuit of singular aesthetic environments, genuine local culture, and transformative, boundary-pushing travel experiences that defy conventional notions of luxury.

## The Glass Hotel Emily St. John Mandel, 2020-03-24

INTERNATIONAL BESTSELLER • From the bestselling author of Station Eleven and Sea of Tranquility, an exhilarating novel set at the glittering intersection of two seemingly disparate events—the exposure of a massive criminal enterprise and the mysterious disappearance of a woman from a ship at sea. “The perfect novel ... Freshly mysterious.” —The Washington Post Vincent is a bartender at the Hotel Calette, a five-star lodging on the northernmost tip of Vancouver Island. On the night she meets Jonathan Alkaitis, a hooded figure scrawls a message on the lobby's glass wall: Why don't you swallow broken glass. High above Manhattan, a greater crime is committed: Alkaitis's billion-dollar business is really nothing more than a game of smoke and mirrors. When his scheme collapses, it obliterates countless fortunes and devastates lives. Vincent, who had been posing as Jonathan's wife, walks away into the night. Years later, a victim of the fraud is hired to investigate a strange occurrence: a woman has seemingly vanished from the deck of a container ship between ports of call. In this captivating story of crisis and survival, Emily St. John Mandel takes readers through often hidden landscapes: campgrounds for the near-homeless, underground electronica

clubs, service in luxury hotels, and life in a federal prison. Rife with unexpected beauty, *The Glass Hotel* is a captivating portrait of greed and guilt, love and delusion, ghosts and unintended consequences, and the infinite ways we search for meaning in our lives. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!

**The Pink Hotel** Liska Jacobs, 2022-07-19 Heady and dark and dangerous, *The Pink Hotel* is an intoxicating binge of a book. Liska Jacobs's stunning indictment of a society teetering toward apocalypse is one you won't easily forget." —Janelle Brown, author of *I'll Be Your Newlyweds* Keith and Kit Collins can hardly believe their luck when the general manager of the iconic, opulent Pink Hotel invites them to come for a luxurious stay as a bid to hire Keith. Kit loves their small-town life, but Keith has always wanted more, and the glittering, lily-scented lobby makes him feel right at home. Soon after their arrival, wildfires sweep through the surrounding mountains and Los Angeles becomes a pressure cooker, with riots breaking out across the city amid rolling blackouts. The Pink Hotel closes its doors to outsiders, and Keith and Kit find themselves confined with an anxious, disgruntled staff and a growing roster of eccentric, ultra-wealthy, dangerously idle

guests who flock to the hotel for sanctuary, company, and entertainment. The Pink Hotel exposes a tenuous class system within its walls, full of insurmountable expectations and unspoken resentments, which deteriorate as the city burns. In her barbed, provocative new novel, Liska Jacobs explores the corrosive nature of greed and interrogates the notion of true love, while hurtling readers toward certain disaster.

**A List of the Books in the Library of Hotel Statler, St. Louis**  
Statler Hotel (Saint Louis, Mo.). Library, 1919

Honeymoon Hotel Hester Browne, 2014-09-16 A charming novel in the vein of The Wedding Planner featuring an ambitious and by-the-books event planner who finds herself at odds with her new assistant, who happens to be the son of her boss, on the eve of the biggest wedding of her career—from the New York Times bestselling author of The Runaway Princess and the Little Lady Agency series. The Bonneville Hotel is the best-kept secret in London: its elegant rooms and discreet wood-paneled cocktail lounge were the home-away-from-home for royalty and movie stars alike during the golden age of glamour. Recent years haven't been kind, but thanks to events manager Rosie, it's reclaiming some of its old cachet as a wish list wedding venue. While Rosie's

weddings are the ultimate in romance, Rosie herself isn't; her focus is fixed firmly on the details, not on the dramas. She lives with a professionally furious food critic and works tirelessly toward that coveted promotion. But when the hotel owner appoints his eccentric son Joe to help run Rosie's department, she's suddenly butting heads with the free spirit whose predilection for the unconventional threatens to unravel her picture-perfect plans for the most elaborate—not to mention high-profile—wedding the hotel has ever seen, a wedding that could make or break not only the hotel's reputation, but also Rosie's career. From the author whose books are described as “deliciously addictive” (Cosmopolitan), *Honeymoon Hotel* will reaffirm your belief in happily ever after.

Hotel Life Caroline Field Levander, Matthew Pratt

Guterl, 2015-04-27 What is a hotel? As Caroline Field Levander and Matthew Pratt Guterl show us in this thought-provoking book, even though hotels are everywhere around us, we rarely consider their essential role in our modern existence and how they help frame our sense of who and what we are. They are, in fact, as centrally important as other powerful places like prisons, hospitals, or universities. More than simply structures made of steel, concrete, and glass, hotels are social and political institutions that we invest

with overlapping and contradictory meaning. These alluring places uniquely capture the realities of our world, where the lines between public and private, labor and leisure, fortune and failure, desire and despair are regularly blurred. Guiding readers through the story of hotels as places of troublesome possibility, as mazelike physical buildings, as inspirational touchstones for art and literature, and as unsettling, even disturbing, backdrops for the drama of everyday life, Levander and Guterl ensure that we will never think about this seemingly ordinary place in the same way again.

**Bell'Italia È Per Sempre** Christiane Reiter, 2010 The author brings to life some of Italy's most amazing landscapes, such as Venice, Lake Como, Florence, the Amalfi Coast and the Aeolian Islands. She explores legendary hotels in which novels have been set, movies made and love stories consummated.

**The Two Hotel Francforts** David Leavitt, 2013-10-15 It is the summer of 1940, and Lisbon, Portugal, is the only neutral port left in Europe—a city filled with spies, crowned heads, and refugees of every nationality, tipping back absinthe to while away the time until their escape. Awaiting safe passage to New York on the SS Manhattan, two couples meet: Pete and Julia Winters, expatriate Americans fleeing their sedate life in Paris; and Edward and Iris

Freleng, sophisticated, independently wealthy, bohemian, and beset by the social and sexual anxieties of their class. As Portugal's neutrality, and the world's future, hang in the balance, the hidden threads in the lives of these four characters-Julia's status as a Jew, Pete and Edward's improbable affair, Iris's increasingly desperate efforts to save her tenuous marriage-begin to come loose. Gorgeously written, sexually and politically charged, David Leavitt's long-awaited new novel is an extraordinary work.

**RED Hotel** Edwin D. Fuller, Gary Grossman, 2019-03-19 When a bomb rips the façade off the Kensington Hotel in Tokyo, dozens are killed and injured while one man walks calmly away from the wreckage, a coy smile playing on his lips. Former Army intelligence officer Dan Reilly, now an international hotel executive with high level access to the CIA, makes it his mission to track him down. He begins a jet-setting search for answers as the clock ticks down to a climactic event that threatens NATO and the very security of member nations. Reilly begins mining old contacts and resources in an effort to delve deeper into the motive behind these attacks, and fast. Through his connections he learns that the Tokyo bomber is not acting alone. But the organization behind the perpetrator is not who they expect. Facilitated by the official government from a

fearsome global superpower, the implications and reasons for these attacks are well beyond anything Reilly or his sources in the CIA and State Department could have imagined, and point not to random acts of terror, but calculated acts of war. RED Hotel is an incredibly timely globe-trotting thriller that's fiction on the edge of reality.

**The Plaza** Julie Satow, 2019-06-04 Journalist Julie Satow's thrilling, unforgettable history of how one illustrious hotel has defined our understanding of money and glamour, from the Gilded Age to the Go-Go Eighties to today's Billionaire Row. From the moment in 1907 when New York millionaire Alfred Gwynne Vanderbilt strode through the Plaza Hotel's revolving doors to become its first guest, to the afternoon in 2007 when a mysterious Russian oligarch paid a record price for the hotel's largest penthouse, the eighteen-story white marble edifice at the corner of Fifth Avenue and 59th Street has radiated wealth and luxury. For some, the hotel evokes images of F. Scott Fitzgerald frolicking in the Pulitzer Fountain, or Eloise, the impish young guest who pours water down the mail chute. But the true stories captured in **THE PLAZA** also include dark, hidden secrets: the cold-blooded murder perpetrated by the construction workers in charge of building the

hotel, how Donald J. Trump came to be the only owner to ever bankrupt the Plaza, and the tale of the disgraced Indian tycoon who ran the hotel from a maximum-security prison cell, 7,000 miles away in Delhi. In this definitive history, award-winning journalist Julie Satow not only pulls back the curtain on Truman Capote's Black and White Ball and The Beatles' first stateside visit-she also follows the money trail. THE PLAZA reveals how a handful of rich, dowager widows were the financial lifeline that saved the hotel during the Great Depression, and how, today, foreign money and anonymous shell companies have transformed iconic guest rooms into condominiums that shield ill-gotten gains-hollowing out parts of the hotel as well as the city around it. THE PLAZA is the account of one vaunted New York City address that has become synonymous with wealth and scandal, opportunity and tragedy. With glamour on the surface and strife behind the scenes, it is the story of how one hotel became a mirror reflecting New York's place at the center of the country's cultural narrative for over a century.

**Hotel No Tell** Daphne Uviller, 2011 As a junior detective, Zephyr goes undercover as a concierge to investigate a money laundering scheme, but when she finds a guest in distress at the hotel, she discovers there is more to the plot than she believed.

*El Hotel New Hampshire* John Irving, 1995 En meget  
utraditionel families skæbne op gennem 1950'erne og 1960'erne  
som ejere af flere hoteller efter hinanden, først i New Hampshire,  
siden i Wien og sidst i New York, sidstnævnte som et center for  
voldtægtsofre

*The Hotel* Elizabeth Bowen, 2012-11-07 In his introduction to a  
collection of criticism on the Anglo-Irish author Elizabeth Bowen,  
Harold Bloom wrote, "What then has Bowen given us except  
nuance, bittersweet and intelligent? Much, much more." Born in  
1899, Bowen became part of the famous Bloomsbury scene, and  
her novels have a much-deserved place in the modernist canon. In  
recent years, however, her work has not been as widely read or  
written about, and as Bloom points out, her evocative and  
sometimes enigmatic prose requires careful parsing. Yet in addition  
to providing a fertile ground for criticism, Bowen's novels are both  
wonderfully entertaining, with rich humor, deep insight, and a tragic  
sense of human relationships. Bowen's first novel, *The Hotel*, is a  
wonderful introduction to her disarming, perceptive style. Following  
a group of British tourists vacationing on the Italian Riviera during  
the 1920s, *The Hotel* explores the social and emotional  
relationships that develop among the well-heeled residents of the

eponymous establishment. When the young Miss Sydney falls under the sway of an older woman, Mrs. Kerr, a sapphic affair simmers right below the surface of Bowen's writing, creating a rich story that often relies as much on what is left unsaid as what is written on the page. Bowen depicts an intense interpersonal drama with wit and suspense, while playing with and pushing the English language to its boundaries.

**American Hotel** David Freeland, 2021-05-14 Completed in 1931, New York's Waldorf-Astoria towers over Park Avenue as an international landmark and a masterpiece of Art Deco architecture. A symbol of elegance and luxury, the hotel has hosted countless movie stars, business tycoons, and world leaders over the past ninety years. *American Hotel* takes us behind the glittering image to reveal the full extent of the Waldorf's contribution toward shaping twentieth-century life and culture. Historian David Freeland examines the Waldorf from the opening of its first location in 1893 through its rise to a place of influence on the local, national, and international stage. Along the way, he explores how the hotel's mission to provide hospitality to a diverse range of guests was put to the test by events such as Prohibition, the anticommunist Red Scare, and civil rights struggles. Alongside famous guests like

Frank Sinatra, Martin Luther King, Richard Nixon, and Eleanor Roosevelt, readers will meet the lesser-known men and women who made the Waldorf a leader in the hotel industry and a key setting for international events. American Hotel chronicles how institutions such as the Waldorf-Astoria played an essential role in New York’s growth as a world capital.

Embark on a breathtaking journey through nature and adventure with this mesmerizing ebook, *Nature's Adventure: Hotel*. This immersive experience, available for download in a PDF format (\*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
