

Hotel

Caroline Field Levander,Matthew Pratt Guterl

The Hotel Book Shelley-Maree Cassidy,2003 Who minds sleeping under a mosquito net when it's royally draped over the bed in a lush Kenyan, open-walled hut, fashioned from tree trunks and shielded from the sun by a sumptuous thatched roof? This selection of the most-splendid getaway havens nestled throughout the African continent is sure to please even the most finicky would-be voyagers. Photos.

The Paradox Hotel Rob Hart,2023-02-07 "Time travel, murder, corruption, restless baby dinosaurs, and a snarky robot named Ruby collide in this excellent, noir-inflected, humor-infused, science-fiction thriller."—The Boston Globe An impossible crime. A detective on the edge of madness. The future of time travel at stake. From the author of *The Warehouse* . . . ONE OF THE BEST BOOKS OF THE YEAR: NPR, Kirkus Reviews January Cole's job just got a whole lot harder. Not that running security at the Paradox was ever really easy. Nothing's simple at a hotel where the ultra-wealthy tourists arrive costumed for a dozen different time periods, all eagerly waiting to catch their "flights" to the past. Or where proximity to the timeport makes the clocks run backward on occasion—and, rumor has it, allows ghosts to stroll the halls. None of that compares to the corpse in room 526. The one that seems to be both there and not there. The one that somehow only January can see. On top of that, some very important new guests have just checked in. Because the U.S. government is about to privatize time-travel technology—and the world's most powerful people are on hand to stake their claims. January is sure the timing isn't a coincidence. Neither are those "accidents" that start stalking their bidders. There's a reason January can glimpse what others can't. A reason why she's the only one who can catch a killer who's operating invisibly and in plain sight, all at once. But her ability is also destroying her grip on reality—and as her past, present, and future collide, she finds herself confronting not just the hotel's dark secrets but her own. At once a dazzlingly time-twisting murder mystery and a story about grief, memory, and what it means to—literally—come face-to-face with our ghosts, *The Paradox Hotel* is another unforgettable speculative thrill ride from acclaimed author Rob Hart.

The Design Hotels Book Design Hotels,2020-02-04 A special 25th year anniversary edition of *The Design Hotels™* Book presents an in-depth look at 25 boutique properties around the world that are changing the way we think about hospitality. For a quarter century, *Design Hotels™* has been at the forefront of a movement in hospitality, curating a global collection of independent, design-driven hotels that function as social hubs and platforms for extraordinary experiences. In celebration of this benchmark, *Design Hotels™* sent some of the world's leading editorial and lifestyle photographers around the world to capture the unique character of 25 hotels at the vanguard of their hand-selected collection. Each hotel tells a story, rich with emotion and steeped in the history, culture, and nature of its local environment. The new, special edition of the brand's wildly popular annual brings these stories to life through evocative photo essays and reportage. This edition of *The Design Hotels™* Book is a distillation of a quarter century of pioneering design and original experiences, as well as a must-have for a worldwide community of travelers, likeminded in their pursuit of singular aesthetic environments, genuine local culture, and transformative, boundary-pushing travel experiences that defy conventional notions of luxury.

The Hotel World ,1922

Hotel on the Corner of Bitter and Sweet Jamie Ford,2009-01-27 Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices.-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel. -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In Henry and Keiko, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. BONUS: This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

"Where to Stop." Moses King,1894

The American Hotel Jefferson Williamson,1930

A List of the Books in the Library of Hotel Statler, St. Louis Statler Hotel (Saint Louis, Mo.). Library,1919

Hotel Paradise Martha Grimes,2013-08-13 A once-fashionable now fading resort hotel. A spinster aunt living in the attic. Dirt roads that lead to dead ends. A house full of secrets and old, dusty furnishings, uninhabited for almost half a century. A twelve-year-old girl with a passion for double-chocolate ice-cream sodas, and decaying lake-fronts, and an obsession with the death by drowning of another young girl, forty years before. *Hotel Paradise* is a delicate yet excruciating view of the pettiness and cruelty of small town America. It is a look at the difficult decisions a young girl must make on her way to becoming an adult and the choices she must make between right and wrong, between love and truth, between life and death.

Honeymoon Hotel Hester Browne,2014-09-16 A charming novel in the vein of *The Wedding Planner* featuring an ambitious and by-the-books event planner who finds herself at odds with her new assistant, who happens to be the son of her boss, on the eve of the biggest wedding of her career—from the New York Times bestselling author of *The Runaway Princess* and the *Little Lady Agency* series. The Bonnevill Hotel is the best-kept secret in London: its elegant rooms and discreet wood-paneled cocktail lounge were the home-away-from-home for royalty and movie stars alike during the golden age of glamour. Recent years haven't been kind, but thanks

to events manager Rosie, it's reclaiming some of its old cachet as a wish list wedding venue. While Rosie's weddings are the ultimate in romance, Rosie herself isn't; her focus is fixed firmly on the details, not on the dramas. She lives with a professionally furious food critic and works tirelessly toward that coveted promotion. But when the hotel owner appoints his eccentric son Joe to help run Rosie's department, she's suddenly butting heads with the free spirit whose predilection for the unconventional threatens to unravel her picture-perfect plans for the most elaborate—not to mention high-profile—wedding the hotel has ever seen, a wedding that could make or break not only the hotel's reputation, but also Rosie's career. From the author whose books are described as “deliciously addictive” (Cosmopolitan), *Honeymoon Hotel* will reaffirm your belief in happily ever after.

The Hotel/motor Hotel Monthly, 1913

Hotel Life Caroline Field Levander, Matthew Pratt Guterl, 2015-04-27 What is a hotel? As Caroline Field Levander and Matthew Pratt Guterl show us in this thought-provoking book, even though hotels are everywhere around us, we rarely consider their essential role in our modern existence and how they help frame our sense of who and what we are. They are, in fact, as centrally important as other powerful places like prisons, hospitals, or universities. More than simply structures made of steel, concrete, and glass, hotels are social and political institutions that we invest with overlapping and contradictory meaning. These alluring places uniquely capture the realities of our world, where the lines between public and private, labor and leisure, fortune and failure, desire and despair are regularly blurred. Guiding readers through the story of hotels as places of troublesome possibility, as mazelike physical buildings, as inspirational touchstones for art and literature, and as unsettling, even disturbing, backdrops for the drama of everyday life, Levander and Guterl ensure that we will never think about this seemingly ordinary place in the same way again.

Cactus Hotel Brenda Z. Guiberson, 1991-05-15 Describes the life cycle of the giant saguaro cactus, with an emphasis on its role as a home for other desert dwellers.--Title page verso.

Hotel No Tell Daphne Uviller, 2011 As a junior detective, Zephyr goes undercover as a concierge to investigate a money laundering scheme, but when she finds a guest in distress at the hotel, she discovers there is more to the plot than she believed.

Heads in Beds Jacob Tomsy, 2013-07-30 In the tradition of Kitchen Confidential and Waiter Rant, a rollicking, eye-opening, fantastically indiscreet memoir of a life spent (and misspent) in the hotel industry. “Highly amusing.—New York Times Jacob Tomsy never intended to go into the hotel business. As a new college graduate, armed only with a philosophy degree and a singular lack of career direction, he became a valet parker for a large luxury hotel in New Orleans. Yet, rising fast through the ranks, he ended up working in “hospitality” for more than a decade, doing everything from supervising the housekeeping department to manning the front desk at an upscale Manhattan hotel. He's checked you in, checked you out, separated your white panties from the white bed sheets, parked your car, tasted your room-service meals, cleaned your toilet, denied you a late checkout, given you a wake-up call, eaten M&Ms out of your minibar, laughed at your jokes, and taken your money. In *Heads in Beds* he pulls back the curtain to expose the crazy and compelling reality of a multi-billion-dollar industry we think we know. *Heads in Beds* is a funny, authentic, and irreverent chronicle of the highs and lows of hotel life, told by a keenly observant insider who's seen it all. Prepare to be amused, shocked, and amazed as he spills the unwritten code of the bellhops, the antics that go on in the valet parking garage, the housekeeping department's dirty little secrets—not to mention the shameless activities of the guests, who are rarely on their best behavior. Prepare to be moved, too, by his candor about what it's like to toil in a highly demanding service industry at the luxury level, where people expect to get what they pay for (and often a whole lot more). Employees are poorly paid and frequently abused by coworkers and guests alike, and maintaining a semblance of sanity is a daily challenge. Along his journey Tomsy also reveals the secrets of the industry, offering easy ways to get what you need from your hotel without any hassle. This book (and a timely proffered twenty-dollar bill) will help you score late checkouts and upgrades, get free stuff galore, and make that pay-per-view charge magically disappear. Thanks to him you'll know how to get the very best service from any business that makes its money from putting heads in beds. Or, at the very least, you will keep the bellmen from taking your luggage into the camera-free back office and bashing it against the wall repeatedly.

Bell'Italia È Per Sempre Christiane Reiter, 2010 The author brings to life some of Italy's most amazing landscapes, such as Venice, Lake Como, Florence, the Amalfi Coast and the Aeolian Islands. She explores legendary hotels in which novels have been set, movies made and love stories consummated.

The Two Hotel Francforts David Leavitt, 2013-10-15 It is the summer of 1940, and Lisbon, Portugal, is the only neutral port left in Europe—a city filled with spies, crowned heads, and refugees of every nationality, tipping back absinthe to while away the time until their escape. Awaiting safe passage to New York on the SS Manhattan, two couples meet: Pete and Julia Winters, expatriate Americans fleeing their sedate life in Paris; and Edward and Iris Freleng, sophisticated, independently wealthy, bohemian, and beset by the social and sexual anxieties of their class. As Portugal's neutrality, and the world's future, hang in the balance, the hidden threads in the lives of these four characters—Julia's status as a Jew, Pete and Edward's improbable affair, Iris's increasingly desperate efforts to save her tenuous marriage—begin to come loose. Gorgeously written, sexually and politically charged, David Leavitt's long-awaited new novel is an extraordinary work.

Hotel Magnifique Emily J. Taylor, 2022-04-05 AN INSTANT NEW YORK TIMES BESTSELLER “Hotel Magnifique opened the door to a sumptuous and glittering world of magic and mysteries and left me enchanted. Perfect for fans of Caraval and The Night Circus.” —Erin A. Craig, New York Times bestselling author of *House of Salt and Sorrows* and *Small Favors* Decadent and darkly enchanting, this lavish YA fantasy debut follows seventeen-year-old Jani as she uncovers the deeply disturbing secrets of the legendary Hotel Magnifique. All her life, Jani has dreamed of Elsewhere. Just barely scraping by with her job at a tannery, she's resigned to a dreary life in the port town of Durc, caring for her younger sister Zosa. That is, until the Hotel Magnifique comes to town. The hotel is legendary not only for its whimsical enchantments, but also for its ability to travel—appearing in a different destination every morning. While Jani and Zosa can't afford the exorbitant costs of a guest's stay, they can interview to join the staff, and are soon whisked away on the greatest adventure of their lives. But once inside, Jani quickly discovers their contracts are unbreakable and that beneath the marvelous glamour, the hotel is hiding dangerous secrets. With the vexingly handsome doorman Bel as her only ally, Jani embarks on a mission to unravel the mystery of the magic at the heart of the hotel and free Zosa—and the other staff—from the cruelty of the ruthless maître d'hôtel. To succeed, she'll have to risk everything she loves, but failure would mean a fate far worse than never returning home.

Eventually, you will enormously discover a other experience and endowment by spending more cash. still when? accomplish you admit that you require to get those every needs taking into consideration having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more going on for the globe, experience, some places, with history, amusement, and a lot more?
