Corrupt Illinois Thomas J. Gradel, Dick Simpson, 2015-02-15 Public funds spent on jets and horses. Shoeboxes stuffed with embezzled cash. Ghost payrolls and incarcerated ex-governors. Illinois' culture of Where's mine? and the public apathy it engenders has made our state and local politics a disgrace. In *Corrupt Illinois*, veteran political observers Thomas J. Gradel and Dick Simpson take aim at business-as-usual. Naming names, the authors lead readers through a gallery of rogues and rotten apples to illustrate how generations of chicanery have undermined faith in, and hope for, honest government. From there, they lay out how to implement institutional reforms that provide accountability and eradicate the favoritism, sweetheart deals, and conflicts of interest corroding our civic life. *Corrupt Illinois* lays out a blueprint to transform our politics from a pay-to-play-driven marketplace into what it should be: an instrument of public good.

Geneva, Illinois Jo Fredell Higgins, 2002-08-28 The essence of Geneva lies in the city's distinctive hometown quality and relaxed atmosphere. Visitors sense a slower pace and tender ambience that flourished even before Geneva was platted on May 3, 1837. Geneva, Illinois presents a remarkable portrait of the community's

earliest beginnings and present-day charms. Geneva offers the vintage flavor of an historic city as well as the contemporary feel of a modern community. In this collection you will find early portraits of education, when lessons were taught in the dining room of a local hotel, along with scenes that celebrate the lush riverbanks upon which residents and guests have enjoyed picnics for more than a hundred years. From the flowers picked at Wheeler Park to the moving pictures of the Optigraph, from the wooden ice cabinets of 1884 to the sidewalk cafes of today, Geneva has flourished.

Ni'il: Waking Turtle James Boyle, 2011-03 Police Chief Dan Connor and Stephanie return in the third volume of The Ni'il Trilogy. They have now defeated the monster ni'ilaquo twice, but they know it will no longer underestimate their strength. As they prepare for the next battle they receive a cryptic warning: Wokani tsi. They quickly learn that it means the turtle awakes, and that it's bad, but little else. As they explore the local Natives' lore looking for answers, Dan's political enemies start to move against them and they begin to realize that ni'ilaquo is the least of their problems. The stakes have never been so high. For if they fail now, everything, literally, could cease to exist.

Haunted Rockford, Illinois Kathi

Kresol,2017-10-02 Follow local historian and “Ghost Lady” Kathi Kresol as she researches the spirits, curses, and curiosities from the Forest City’s shadowy past. Just beneath the glossy surface of Rockford’s rich heritage lies a dark history of tragedy, a troubled and turbulent past leaving scars that still resonate today. Geraldine Bourbon’s final struggle echoes throughout the farmhouse where her estranged husband pursued her with a pistol from room to room before gently laying her corpse on the bed. The sobs of society darling Carrie Spafford still keep vigil over the family plot of the cemetery where she sowed the heartbreak of her twilight years. From the vengeance of Chief Big Thunder to the Witch of McGregor Road, author Kathi Kresol shares the legends and lore of Rockford’s haunted history. Includes photos! “There are reasons why Kathi Kresol believes Rockford is so haunted. The tour guide said there are good ‘conductors’ for the supernatural in the city’s downtown area. These factors include being near a body of water, having limestone in the area and the area having a Native American influence.” –Beloit Daily News
