I.M. Isaac Mizrahi,2019-02-26 “Honest, insightful, and thoroughly entertaining...Mizrahi comes off in writing just like his onscreen persona: warm, witty, humble—and ready to dish.” –Booklist, starred review Isaac Mizrahi is sui generis: designer, cabaret performer, talk-show host, a TV celebrity. Yet ever since he shot to fame in the late 1980s, the private Isaac Mizrahi has remained under wraps. Until now. In I.M., Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. Growing up gay in a sheltered Syrian Jewish Orthodox family, Isaac had unique talents that ultimately drew him into fashion and later into celebrity circles that read like a who’s who of the twentieth and twenty-first centuries: Richard Avedon, Audrey Hepburn, Anna Wintour, Mikhail Baryshnikov, Meryl Streep, and Oprah Winfrey, to name only a few. In his elegant memoir, Isaac delves into his lifelong battles with weight, insomnia, and depression. He tells what it was like to be an out gay man in a homophobic age and to witness the ravaging effects of the AIDS epidemic. Brimming with intimate details and inimitable wit, Isaac's narrative reveals not just the glamour of his years, but the grit beneath the glitz. Rich with memorable stories from in and out of the spotlight, I.M. illuminates deep emotional truths.

Volkstümliche Astronomie im islamischen Mittelalter Petra Schmidl,2007-03-31 This source book provides new information about a much neglected aspect of the scientific tradition of the Islamic Middle Ages, focusing on folk astronomy and its relations to religious duties (determination of the times of Muslim prayer and the direction towards the Kaaba in Mecca (Arabic qibla)).

I'm Fine...And Other Lies Whitney Cummings,2021-02-02 “Whitney Cummings has written a book about being, well, not fine—and what to do when you find yourself with brutal anxiety and a co-dependency disorder; all in her trademark wit, humor, and honesty. This book, however, is fine as hell.”–Sophia Amoruso, author of #Girlboss “The funniest cry for help you'll read this year.”–BJ Novak Well, well, well. Look at you, ogling my book page....I presume if you’re reading this it means you either need more encouragement to buy it or we used to date and you’re trying to figure out if you should sue me or not. Here are all the stories and mistakes I’ve made that were way too embarrassing to tell on stage in front of an actual audience; but thanks to not-so-modern technology, you can read about them here so I don’t have to risk having your judgmental eye contact crush my self-esteem. This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my shoulder while trying to impress a guy, coming very close to spending my life in a Guatemalan prison, and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. In addition to hoarding mortifying situations that’ll make you feel way better about your choices, I’ve also accumulated a lot of knowledge from therapists, psychotherapists, and psychopaths, which can probably help you avoid making the same mistakes I’ve made. Think of this book as everything you’d want from the Internet all in one place, except without the constant distractions of ads, online shopping, and porn. I’m not sure what else to say to say, except that you should buy it if you want to laugh and learn how to stop being crazy. And if we used to date, see you in court.

I'm Sad Michael Ian Black,2018-06-05 A girl, a potato, and a very sad flamingo star in this charming sequel to I’m Bored by New York Times bestselling author and comedian Michael Ian Black and celebrated illustrator Debbie Ridpath Ohi. Everyone feels sad sometimes—even flamingos. Sigh. When Flamingo announces he’s feeling down, the little girl and Potato try to cheer him up, but nothing seems to work. Not even dirt! (Which usually works for Potato.) Flamingo learns that he will not always feel this way. And his friends learn that sometimes being a friend means you don’t have to cheer someone up. You just have to stick by your pal no matter how they feel. Even if they’re a potato.

Amateur to IM Jonathan Hawkins,2012 For IM Jonathan Hawkins, the key to rising from average strength to an international title was knowing what to study and how to learn as efficiently as possible. Focusing his attention firmly on the endgame, he devised building blocks and identified important areas of study that will help you become a much better practical player, armed with a deeper understanding of key aspects of chess.

Tell Me I'm Worthless Alison Rumfitt,2023-01-17 Alison Rumfitt’s Tell Me I’m Worthless is a dark, unflinching haunted house story that confronts both supernatural and real-world horrors through the lens of the modern-day trans experience. “A triumph of transgressive queer horror.” –Publishers Weekly, STARRED review “Easily one of the strongest horror debuts in recent memory.” –Booklist, STARRED review Three years ago, Alice spent one night in an abandoned house with her friends, Ila and Hannah. Since then, Alice’s life has spiraled. She lives a haunted existence, selling videos of herself for money, going to parties she hates, drinking herself to sleep. Memories of that night torment Alice, but when Ila asks her to return to the House, to go past the KEEP OUT sign and over the sick earth where teenagers dare each other to venture, Alice knows she must go. Together, Alice and Ila must face the horrors that happened there, must pull themselves apart from the inside out, put their differences aside, and try to rescue Hannah, whom the House has chosen to make its own. Cutting, disruptive, and darkly funny, Tell Me I’m Worthless is a vital work of trans fiction that examines the devastating effects of trauma and how fascism makes us destroy ourselves and each other. “Ambitious, brutal, and brilliant.” –Gretchen Felker-Martin, author of Manhunt Also by Alison Rumfitt: Brainwyrms At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

I'm the Best Lucy Cousins,2021-04-06 A joyous spirit pervades this picture book and its fallible yet lovable protagonist. – Booklist (starred review) I win! I’m the best! Dog boasts. He can run faster than Mole, dig better than Goose, swim faster than Donkey, and he’s much bigger than Ladybug. He wins! Unfortunately, Dog’s nonstop bragging is starting to make his friends feel kind of sad. But what if they mixed things up and looked at them differently? Could they teach Dog a lesson – and remind him of what it means to be a best friend?

Contributions to the Biology of the Rotifera ... Carl Wesenberg-Lund,1923

I'm Special Ryan O'Connell,2015-06-02 NOW a NETFLIX series entitled Special from Executive Producer JIM PARSONS starring RYAN O’CONNELL as himself. From the beloved

blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls “a younger, gay version of Mary Karr's Lit.” People are obsessed with Ryan O’Connell’s blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who’s not afraid to dole out some real talk. He’s that candid, snarky friend you consult when you fear you’re spending too much time falling down virtual k-holes stalking your ex on Facebook or when you’ve made the all-too-common mistake of befriending a psycho while wasted at last night’s party and need to find a way to get rid of them the next morning. But Ryan didn’t always have the answers to these modern-day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché: he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on “necessary” items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, I’m Special will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown-ups with a 401k and a dog.

I'm Worried Michael Ian Black,2019-06-04 A girl, a flamingo, and a worried potato star in the third book in New York Times bestselling author Michael Ian Black and celebrated illustrator Debbie Ridpath Ohi’s series about feelings—and why they’re good, even when they feel bad. Potato is worried. About everything. Because anything might happen. When he tells his friends, he expects them to comfort him by saying that everything will be okay. Except they don’t. Because it might not be, and that’s okay too. Still, there’s one thing they can promise for sure: no matter what happens...they will always be by his side.
