**I Beat The Odds** Michael Oher, 2012-02-07 The football star made famous in the hit film (and book) *The Blind Side* reflects on how far he has come from the circumstances of his youth. Michael Oher shares his personal account of his story, in this inspirational New York Times bestseller. Moroccan contemporary artist, Fouad Bellamine, was born in Fez in 1950 and was raised amidst varied artistic and creative influences in the Medina of his home town. In 1997, he initiated the creation of a permanent collection of contemporary art in the Children's Hospital of Rabat, first experience of its kind in Morocco. His works have been acquired by several public and corporate collections such as Moroccan institutions as well as the Museum of the Arab World Institution (IMA), the National Fund for

*The Island* Elin Hilderbrand, 2010-07-06 A summertime story only Elin Hilderbrand can tell: a family in upheaval after a cancelled wedding fill an island summer with heartache, laughter, and surprises. Birdie Cousins has thrown herself into the details of her daughter Chess's lavish wedding, from the floating dance floor in her Connecticut back yard to the color of the cocktail napkins. Like any mother of a bride-to-be, she is weathering the storms of excitement and chaos, tears and joy. But Birdie, a woman who prides herself on preparing for every possibility, could never have predicted the late-night phone call from Chess, abruptly announcing that she's cancelled her engagement. It's only the first hint of what will be a summer of upheavals and revelations. Before the dust has even begun to settle, far worse news arrives, sending Chess into a tailspin of despair. Reluctantly taking a break from the first new romance she's embarked on since the recent end of her 30-year marriage, Birdie circles the wagons and enlists the help of her younger daughter Tate and her own sister India. Soon all four are

headed for beautiful, rustic Tuckernuck Island, off the coast of Nantucket, where their family has summered for generations. No phones, no television, no grocery store - a place without distractions where they can escape their troubles. But throw sisters, daughters, ex-lovers, and long-kept secrets onto a remote island, and what might sound like a peaceful getaway becomes much more. Before summer has ended, dramatic truths are uncovered, old loves are rekindled, and new loves make themselves known.
