

Iron

Scott C. Dulebohn

Cold Iron Stina Leicht, 2015-07-14 Fraternal twins Nels and Suvi move beyond their royal heritage and into military and magical dominion in this flintlock epic fantasy debut from a two-time Campbell Award finalist. Prince Nels is the scholarly runt of the ancient Kainen royal family of Eledore, disregarded as flawed by the king and many others. Only Suvi, his fraternal twin sister, supports him. When Nels is ambushed by an Acrasian scouting party, he does the forbidden for a member of the ruling family: He picks up a fallen sword and defends himself. Disowned and dismissed to the military, Nels establishes himself as a leader as Eledore begins to shatter under the attack of the Acrasians, who the Kainen had previously dismissed as barbarians. But Nels knows differently, and with the aid of Suvi, who has allied with pirates, he mounts a military offensive with sword, canon, and what little magic is left in the world.

Book of Iron Elizabeth Bear, 2013 Subterranean Press is proud to announce Book of Iron, the standalone prequel to Elizabeth Bear's acclaimed novella, Bone and Jewel Creatures. Bijou the Artificer is a Wizard of Messaline, the City of Jackals. She and her partner and rival Kaulas the Necromancer, along with the martial Prince Salih, comprise the Bey's elite band of trouble-solving adventurers. But Messaline is built on the ruins of a still more ancient City of Jackals. So when two foreign Wizards and a bard from the mysterious western isles cross the desert in pursuit of a sorcerer intent on plundering the deadly artifacts of lost Erem, Bijou and her companions must join their hunt. The quest will take them through strange passages, beneath the killing light of alien suns, with the price of failure the destruction of every land.
