fMRI; Applications of rs-fMRI to epilepsy; Data-driven analysis methods for rs-fMRI; Applications of rs-fMRI to presurgical mapping: language mapping; Limitations of rs-fMRI in the setting of focal brain lesions; Applications of rs-fMRI to neuropsychiatric disease; Applications of rs-fMRI to Traumatic Brain Injury; Applications of rs-fMRI to neurodegenerative disease; Graph theoretic analysis of rs-fMRI; and more!

Heart Failure, An Issue of Critical Nursing Clinics, E-Book Jennifer Kitchens, 2016-01-07 Heart failure is the only cardiovascular disease that is increasing. The impact on the critical care environment and the health care system, as a whole, is significant from both a cost and burden to the system perspective. There are 6.5 million hospital days a year and nearly \$40 billion dollars in yearly health care costs attributed to heart failure in the United States. There are more Medicare monies spent for diagnosing and treating heart failure than any other Diagnosis Related Group. There is a 24% hospital re-admission rate for this diagnosis which leads to financial implications for health care systems. The human cost is also significant. Less than half of Americans diagnosed with heart failure survive greater than 5 years. The ongoing health care needs and cost of this chronic disease takes a significant toll on patients' finances, time and quality of life. Over \$2.9 billion dollars is spent annually on the pharmaceutical management of heart failure in the United States. This diagnosis is the leading cause of hospitalization for patients who are 65 years of age and older. Few health care providers in the critical care environment are not affected by heart failure on a routine basis. Caring for these patients and their families is both a challenging and yet a rewarding experience. This edition will provide critical care nurses with a comprehensive heart failure review which is essential in caring for this challenging population given the dynamic health and critical care environments.

None of the Above I. W. Gregorio, 2017-04-04 "None of the Above is a powerful story of discovering one's true identity. This book will open hearts and change minds."—Stephen Chbosky, bestselling author of *The Perks of Being a Wallflower* Now in paperback—this relatable and groundbreaking story for the LGBTQIA+ audience is about a teenage girl who discovers she was born intersex . . . and what happens when her secret is revealed to the entire school. Perfect for fans of *If I Was Your Girl* and *Ask the Passengers*. When Kristin Lattimer is voted homecoming queen, it seems like another piece of her ideal life has fallen into place. She's a champion hurdler with a full scholarship to college and she's madly in love with her boyfriend. In fact, she's decided that she's ready to take things to the next level with him. But Kristin's first time isn't the perfect moment she's planned—something is very wrong. A visit to the doctor reveals the truth: Kristin is intersex, which means that though she outwardly looks like a girl, she has male chromosomes,

not to mention boy “parts.” Dealing with her body is difficult enough, but when her diagnosis is leaked to the whole school, Kristin’s entire identity is thrown into question. As her world unravels, can she come to terms with her new self? Incredibly compelling and sensitively told, *None of the Above* is a thought-provoking novel that explores what it means to be a boy, a girl, or something in between.

Social Issues in America James Ciment, 2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight-volume set: from abortion and adoption to capital punishment and corporate crime; from obesity and organized crime to sweatshops and xenophobia.

Current Issues in Asian Tourism: Volume II C. Michael Hall, Chris Cooper, 2021-04-06 *Current Issues in Asian Tourism: Volume II* draws together a collection of papers from *Current Issues in Asian Tourism* (CIAT). CIAT was launched by the editors of *Current Issues in Tourism* in response to the growing number of papers about tourism in Asia received by the journal and the increasing number of authors from Asian countries. This volume focuses on three aspects of Asian tourism. Firstly, the section on marketing, consumption and demand for Asian tourism includes papers on mega events, creative experiences, World Heritage Sites and pollution. Secondly, a group of papers focus on sustainable Asian tourism destinations including papers on investment, climate change, energy and local food. Finally, there are two chapters on Asian tourism research methods including the use of photography and qualitative methods. The papers in this book were originally published in *Current Issues in Asian Tourism*.

Contemporary Issues in Early Childhood Education in Germany Wilfried Smidt, 2018-07-26 The importance of early childhood education has been emphasized by a large body of research that has demonstrated that children’s cognitive and socio-emotional development is significantly influenced by the quality of the education and care received from their families and in preschool. Consequently, it is important to investigate factors that pertain to the provision of a high-quality education and high-quality care for young children. This book addresses several important issues that are currently under discussion with respect to this topic. In particular, the book focuses on three topics presently under debate: the professionalization of pedagogues working in the field of early childhood education; the quality of education and care provided by families and preschools; and the promotion of children from socio-economically disadvantaged families. Providing an excellent overview of current research in Germany, this book will be useful to readers who are interested in international perspectives on early childhood education and who want to gain insight into relevant topics discussed in other countries. This book was originally published as a special issue of *Early Child Development and Care*.

Ethical and Political Approaches to Nonhuman Animal Issues Andrew Woodhall, Gabriel Garmendia da Trindade, 2017-08-28 This book offers ethical and political approaches to issues that nonhuman animals face. The recent ‘political turn’ in interspecies ethics, from ethical to political approaches, has arisen due to the apparent lack of success of the nonhuman animal movement and dissatisfaction with traditional approaches. Current works largely present general positions rather than address specific issues and principally rely on mainstream approaches. This book offers alternative positions such as cosmopolitan, libertarian, and left humanist thought, as well as applying ethical and political thought to specific issues, such as experimentation, factory farming, nonhuman political agency, and intervention. Presenting work by theorists and activists, insights are offered from both ethics and politics that impact theory and practice and offer essential considerations for those engaging in interspecies ethics within the political turn era.

P.S. I Miss You Jen Petro-Roy, 2018-03-06 In this epistolary middle-grade debut, a girl who's questioning her sexual orientation writes letters to her sister, who was sent away from their strict Catholic home after becoming pregnant.

The Fitch Bond Book Describing the Most Important Bond Issues of the United States and Canada, 1925

Judicial and Statutory Definitions of Words and Phrases, 1928

You Can't Beat the Issues William Lenderking, 2014-01-31 In this conversation with oral historian Charles Stuart Kennedy, Bill Lenderking discusses his long and sometimes contentious diplomatic career, from Castro's Cuba to post-9/11. A Foreign Service officer with the United States Information Agency, Lenderking also served with the Department of State in United Nations, Political-Military, and East Asian/Pacific affairs.

Moral Issues in Global Perspective – Volume 2: Human Diversity and Equality – Second Edition Christine Koggel, 2006-03-27 Now available in three thematic volumes, the second edition of *Moral Issues in Global Perspective* is a collection of the newest and best articles on current moral issues by moral and political theorists from around the globe. Each volume seeks to challenge the standard approaches to morality and moral issues shaped by Western liberal theory and to extend the inquiry beyond the context of North America. Covering a broad range of issues and arguments, this collection includes critiques of traditional liberal accounts of rights, justice, and moral values, while raising questions about the treatment of disadvantaged groups within and across societies affected by globalization. Providing new perspectives on issues such as war and terrorism, reproduction, euthanasia, censorship, and the environment, each volume of *Moral Issues in Global Perspective* incorporates work by race, class, feminist, and disability theorists. *Human Diversity and Equality*, the second of the three volumes, examines issues of equality and difference and the effects, within and across borders, of kinds of discrimination on the basis of race, ethnicity, gender, disability, class, and sexual orientation. Nine essays are new, four of which were written especially for this volume. *Moral Issues in Global Perspective* is available in three separate volumes—*Moral and Political Theory*, *Human Diversity and Equality*, and *Moral Issues*.

Life in the Balance Jen Petro-Roy, 2021-02-16 Veronica struggles to balance softball, friends, and family turmoil in this new honest and heartfelt middle grade novel by Jen Petro-Roy, *Life in the Balance*. Veronica Conway has been looking forward to trying out for the All-Star softball team for years. She's practically been playing the game since she was a baby. She should have this tryout on lock. Except right before tryouts, Veronica's mom announces that she's entering rehab for alcoholism, and her dad tells her that they may not be able to afford the fees needed to be on the team. Veronica decides to enter the town talent show in an effort to make her own money, but along the way discovers a new hobby that leads her to doubt her feelings for the game she thought she loved so much. Is her mom the only one learning balance, or can Veronica find a way to discover what she really wants to do with her life?

The Seventh Wish Kate Messner, 2017-06-13 When Charlie Brennan goes ice fishing on her town's frozen lake, she's hoping the fish she reels in will help pay for her dream: a fancy Irish dancing dress for her upcoming competition. But when Charlie's first catch of the day happens to be a talking fish offering her a wish in exchange for its freedom, her world quickly turns upside down, as her wishes go terribly and hilariously wrong. Just as Charlie

is finally getting the hang of communicating with a magical wishing fish, a family crisis with her older sister brings reality into sharp focus. Charlie quickly learns that the real world doesn't always keep fairy-tale promises and life's toughest challenges can't be fixed by a simple wish . . . Acclaimed author Kate Messner expertly weaves fantasy into the ordinary, in an important story of self-reliance and hope that will open readers' eyes to the wonders and challenges of their world.

LIFE ,1936-11-23 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century.
