Three Lines in a Circle Michael G. Long,2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, Three Lines in a Circle offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

The World of IT Alyse Wax,2019-10-01 The official behind-the-scenes companion to New Line Cinema's international blockbusters IT and IT Chapter Two. The 2017 film IT brought a disturbing new vision to Stephen King's classic horror novel of the same name. In 2019, the story continued with IT Chapter Two, in which Bill Skarsgard delivered another acclaimed performance as the terrifying Pennywise the Clown. Collecting the best artwork produced during the making of both of these films—including concept art, sketches, storyboards, and behind-the-scenes photography—The World of IT explores the films' singular aesthetic and meticulous world-building. This compendium includes commentary from director Andy Muschietti; producer Barbara Muschietti; the acclaimed ensemble cast; and other creative players who helped bring King's perennial bestseller to life.

It Alexa Chung,2014-08-07 Alexa Chung's IT: the Top Ten Bestseller from the international fashion muse and Vogue contributing editor Now a Penguin paperback, this one-off collection of Alexa Chung's writing, doodles and photographs combines stories of early style inspirations such as her grandpa and the Spice Girls with discussion of figures of obsession like Jane Birkin and Annie Hall, reflecting on heartbreak, how to get dressed in the morning, the challenges of taking a good selfie, and more. Interspersed with pages from Alexa's notebooks and many a photo of a good night out, It is now perfectly sized for any bag - handbag or otherwise. Witty, charming and with a refreshingly down-to-earth attitude, It is a must-have for anyone who loves fashion, worries about growing up, or loves just about everything Alexa Chung. 'If you love Alexa Chung, buy it. If you are interested in fashion and style, buy it. If you're after a book full of pretty pictures and inspo, buy it' - Cosmopolitan Alexa Chung is a model and contributing editor to British Vogue. The recipient of numerous style awards, Alexa has won the prestigious British Style Award (voted for by the public) three years in a row. She currently lives in New York City.

Agile IT Organization Design Sriram Narayan,2015-06-11 Design IT Organizations for Agility at Scale Aspiring digital businesses need overall IT agility, not just development team agility. In Agile IT Organization Design, IT management consultant and ThoughtWorks veteran Sriram Narayan shows how to infuse agility throughout your organization. Drawing on more than fifteen years' experience working with enterprise clients in IT-intensive industries, he introduces an agile approach to "Business-IT Effectiveness" that is as practical as it is valuable. The author shows how structural, political, operational, and cultural facets of organization design influence overall IT agility—and how you can promote better collaboration across diverse functions, from sales and marketing to product development, and engineering to IT operations. Through real examples, he helps you evaluate and improve organization designs that enhance autonomy, mastery, and purpose: the key ingredients for a highly motivated workforce. You'll find "close range" coverage of team design, accountability, alignment, project finance, tooling, metrics, organizational norms, communication, and culture. For each, you'll gain a deeper understanding of where your organization stands, and clear direction for making improvements. Ready to optimize the performance of your IT organization or digital business? Here are practical solutions for the long term, and for right now. Govern for value over predictability Organize for responsiveness, not lowest cost Clarify accountability for outcomes and for decisions along the way Strengthen the alignment of autonomous teams Move beyond project teams to capability teams Break down tool-induced silos Choose financial practices that are free of harmful side effects Create and retain great teams despite today's "talent crunch" Reform metrics to promote (not prevent) agility Evolve culture through improvements to structure, practices, and leadership—and careful, deliberate interventions

Ship It Britta Lundin,2018-05-01 CLAIRE is a sixteen-year-old fangirl obsessed with the show Demon Heart. FOREST is an actor on Demon Heart who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for Demon Heart, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? Ship It is a funny, tender, and honest look at all the feels that come with being a fan.

Solve ""IT"" Charles H. Kepner,Matthys J Fourie,Andrew Sauter,2016-09-16 The IT professional is constantly struggling with information overload when addressing Incident and Problem Management situations. They need an approach that would dispense with all the different dimensions and layers of data and information to reveal the true nature of the incident or problem as early as possible. What the incident & problem investigators need is a structured, systematic thinking process that helps them to discover the information that is relevant and remove the irrelevant information. Imagine having access to a process that would deliver the correct starting point and provide you only the relevant information first time every time? Even better, imagine having a structured set of 18 questions that would identify what information is missing and therefore the reason why the cause has not been identified yet. When the investigator trusts the process he or she will have a more direct approach. "You either know the answer to the question or you need to get someone to go and get that specific information!" "RESOLVE IT" is a book that will provide you with the structure, process and questions on how to approach any incident situation and will increase your success and confidence levels beyond all expectations!

It Was An Accident Jeremy Cameron,2015-08-06 Nicky Burkett, still incarcerated at the end of Vinnie Got Blown Away, is released on to the streets of Walthamstow in It Was An Accident. He wants to go straight. His girlfriend Noreen wants him to go straight and she won't go near him if he doesn't. He tries. But events and people conspire against him. He is offered work. He is attacked. His mates are attacked. He runs to

Jamaica and is attacked again. Now the fight back begins... Filmed starring Chiwetel Ejiofor, Thandie Newton, Max Beesley and James Bolam, *It Was An Accident* is the fast, furious, bloody and hilarious follow up to the acclaimed *Vinnie Got Blown Away*. 'A wonderful thriller... An absolute cracker.' *The Independent*. 'The pleasure is intense.' *Time Out*. 'Ingenious, his street talk sizzles with wit and invention.' *Literary Review*. 'Brilliant, unputdownable' *The Big Issue*. 'A consistently funny and entertaining book.' *The Times*.

Baby, It's Christmas & Hold Me, Cowboy Susan Mallery, Maisey Yates, 2017-10-31 'TIS THE SEASON Dr. Kelly Hall had lost all hope of ever having a family—until single father Tanner Malone burst into her hospital and asked her how to raise his newborn daughter. What else could she do, so soon before Christmas, but lend her expertise to the gorgeous contractor? His charming smiles and come-hither glances draw her like a moth to a flame, but she's in no position to get involved with anyone. After a devastating heartbreak, Kelly has given up on happiness. Nonetheless, Kelly can't deny the attraction...or the hope she'll get the husband and family she's always longed for. As the days move closer to Christmas, it's clear to Kelly that Tanner—and his daughter—is what's missing from her life. First published as *Their Little Princess* by Silhouette Books in 2000. FREE BONUS STORY INCLUDED IN THIS VOLUME! *Hold Me, Cowboy* by New York Times bestselling author Maisey Yates The last thing Madison West expected was to be stranded for Christmas, let alone snowed in with a cowboy who drives her wild. His proposal: twelve days of hot sex before Christmas! But will it ever be enough?

Could it be Adult ADHD? Jan Willer, 2017-03-06 One out of every 10 adult psychotherapy clients likely has ADHD. Due to high comorbidities with depression, anxiety, substance abuse, and other mental disorders, along with considerable behavioral dysfunction, adult ADHD is even more common in clinical populations than the general public. When an ADHD diagnosis is missed, psychotherapy is often frustrating and less effective. Could it be Adult ADHD? is for mental health professionals who wish to learn how to recognize, assess, and treat adult ADHD. Written in a style maximally accessible to the practicing mental health professional, this book educates early-career psychotherapists and experienced professionals alike on the disorder and its treatment. Author Jan Willer provides a full description of adult ADHD symptoms, based on the most current research, including executive functioning problems, emotional dysregulation, atypical reward sensitivity, and problems with time perception. Recognizing patterns of dysfunction is essential to identify ADHD, so two detailed composite cases are presented, along with supplemental case material. Strengths that may be associated with ADHD are described. Willer offers guidance on providing psychoeducation about cognitive differences in ADHD, which is essential for client self-acceptance and adaptive functioning. Common psychotherapy problems with ADHD clients are addressed, including chronic lateness to sessions, missed appointments, motivation problems, difficulties with homework, and tangentiality. Willer also discusses medications for ADHD, including their benefits, contraindications, and side effects, and reviews the effectiveness of non-traditional treatments.

Jesus Did It for You Greg Texada, 2012-10-04 Everything Jesus did and accomplished through His death, burial, and resurrection was done for you. Many live and die never grasping the significance or experiencing the full blessing and benefits of what Jesus did for them when He died on the cross and was raised from the dead. In *Jesus Did It For You*, Greg Texada clearly identifies what Jesus did for you personally. Jesus was made sin so you could have right standing with God. Jesus was made a curse so the blessing of Abraham would be yours. Jesus became poor so you could be free from poverty and live the abundant life. Jesus was beaten so you could be healed, healthy, and strong. Jesus carried your sorrows so you could have fullness of joy and peace. Jesus died for you so you could have eternal, everlasting, abundant life. These and many other blessings and benefits are freely given to you by the Lord and available for you to receive and enjoy now. Learn how to receive and enjoy the inheritance of blessings that have been freely given to you by the Lord.

It's Not Rocket Science Clive Whichelow, Hugh Murray, 2014-02-06 Over last thirty years, new technology, fashion, and social set-ups have spawned new cliches galore. Everything on the Internet is available at the 'click of a mouse', TV presenters ask the audience to 'give it up' when they want them to applaud, call centres tell us 'we value your call' even though 'all our operators are busy'. And if you're 'gobsmacked' by all this you may be told to 'get a life', 'chill out' or 'whatever'. *It's Not Rocket Science* sifts through all aspects of modern life to find the most prevalent, ubiquitous and downright irritating cliches of our age. This high-octane, caffeine-fuelled, dictionary of cliches highlights the freshly-hackneyed phrases we're being subjected to 24/7. So how good is that? And what's not to like?

Your Mind And How To Use It William Walker Atkinson, 2012 A manual of practical psychology. The values to be derived from such a work are necessarily suggestive, and nothing is more powerfully helpful to any one than suggestions. So when considering in this book the subjects of mind and will, ably and interestingly presented by Mr. Atkinson, the reader must be benefitted, for it is the law of suggestion that attributes, elements of greatness within respond to suggestions from without. No one, therefore, can carefully read this book without awakening responsiveness and obtaining a further knowledge and control of the faculties therein treated.

IT Contracts and Dispute Management Steven Baker, Lawrence Akka, Rachel Glass, 2018-03-30 *IT Contracts and Dispute Management* addresses the law relating to technology projects and the practical, procedural and legal issues which arise at each stage. The authors draw on extensive personal experience of successfully managing IT project disputes from their initial stage through to resolution through a range of dispute resolution mechanisms. Being the only published work in this area relating to English law, the book will be a valuable resource to lawyers acting in connection with procuring an IT project or advising clients on avoidance and resolution of IT project disputes.

It! Introduction

In the digital age, access to information has become easier than ever before. The ability to download It! has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download It! has opened up a world of possibilities. Downloading It! provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading It! has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download It!. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading It!. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading It!, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download It! has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
