

Japanese

Héctor García, Francesc Miralles

Kokoro Lafcadio Hearn, 2012-12-20 The 15 classic essays collected in *Kokoro* examine the inner spiritual life of Japan. The title itself can be translated as heart, spirit or inner meaning, and that's exactly what this collection teaches us about Japan. Sometimes touching and always compelling, the writings here tell the stories of the people and social codes that make Japan the unique place it is. Kimiko paints the portrait of a beautiful geisha; *By Force of Karma* tells the story of a Buddhist monk; and in *A Conservative*, we come to know the thoughts and actions of a Samurai. As an early interpreter of Japan to the West, Lafcadio Hearn was without parallel in his time. His numerous books about that country were read with a fascination that was a tribute to his keen powers of observation and the vividness of his descriptions. Today, even though Japan has changed greatly from what it was when he wrote about it, his writing is still valid, for it captures the essence of the country--an essence that has actually changed a good deal less than outward appearances might suggest. In a word, the Japanese character and the Japanese tradition are still fundamentally the same as Hearn found them to be, and for this reason, his books are still extremely revealing to readers in the West.

Being Japanese American Gil Asakawa, 2015-08-17 This entertaining compendium is a celebration of Japanese American history and heritage. While detailing favorite foods, customs, words, games, and holidays, it explores the painful history of immigration and WWII internment, with suggestions for connecting to your Japanese American community and passing on traditions across generations and into intermarried families. This revised edition has fresh interviews with Japanese Americans about their life experiences and explores

contemporary Japanese pop culture like anime and J-pop, with information on traveling to visit your Japanese roots and lists of resources on the Web and social media. Gil Asakawa lives in Denver, Colorado, and is a nationally known journalist, editor, author, speaker, and blogger focusing on Japanese and Asian American issues.

Japanese Culture and Behavior Takie Sugiyama Lebra, William P. Lebra, 1986-08-01 Every chapters offers insights into one aspect or other of contemporary Japanese life. Newly included are discussions on such topics as dinner entertainment, skiing cross-culturally, male chauvinism as a manifestation of love in marriage, and domestic violence. Ten chapters have been retained from the first edition because they have achieved the status of classics.

Norwegian Wood Haruki Murakami, 2010-08-11 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, “a masterly novel” (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man’s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

Japanese Women Takie Sugiyama Lebra, 1985-08-01 Japan, a decade behind the United States, is now expressing its awareness of women as a major social issue. This awareness manifests itself in floods of publications, television

coverage, the burgeoning of women's studies groups, court rulings interfering with sex discrimination, appointments of women to prominent positions thus far reserved exclusively for men, admission of women to such institutions as the Self Defense Forces, police, athletics, and so on.

Kafka on the Shore Haruki Murakami, 2005-01-18 NATIONAL BESTSELLER • From the New York Times bestselling author of *The Wind-Up Bird Chronicle* and one of the world's greatest storytellers comes an insistently metaphysical mind-bender" (The New Yorker) about a teenager on the run and an aging simpleton. Now with a new introduction by the author. Here we meet 15-year-old runaway Kafka Tamura and the elderly Nakata, who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey. "As powerful as *The Wind-Up Bird Chronicle*.... Reading Murakami ... is a striking experience in consciousness expansion." —The Chicago Tribune

The Chrysanthemum and the Sword Ruth Benedict, 2005 Essential reading for anyone interested in Japanese culture, this unsurpassed masterwork opens an intriguing window on Japan. Benedict's World War II-era study paints an illuminating contrast between the culture of Japan and that of the United States. *The Chrysanthemum and the Sword* is a revealing look at how and why our cultures differ, making it the perfect introduction to Japanese history and customs.

From Japs to Japanese Dennis M. Ogawa, 1971

Jews in the Japanese Mind David G. Goodman, Masanori Miyazawa, 2000 Why are the Japanese fascinated with the Jews? By showing that the modern attitude is

the result of a process of accretion begun 200 years ago, this book describes the development behind Japanese ideas of Jews and how these images are reflected in their modern intellectual life

Japanese Knitting Stitches from Tokyo's Kazekobo Studio Yoko Hatta, 2019-08-20 This exciting new Japanese stitch dictionary is from popular designer Yoko Hatta--the founder and driving force behind the Kazekobo Studio. Though this is her first book in English, her work already has an extensive following in Western countries--more than 1,000 of her designs can be seen on Ravelry.com. Hatta is one of several Japanese knitters whose patterns and designs have sparked an explosion of interest in Japanese knitting techniques and aesthetics around the world. Her work in knitwear design spans more than thirty years, and knitters love her modern-yet-timeless, fun-yet-classy styles. This book presents her 200 favorite Kazekobo stitch patterns--a delightful selection of multipurpose knit-and-purl, lace, cable, Aran and rib & twist stitches in solids and motifs. Sample projects give knitters a chance to practice Hatta's techniques. These include: Mini mufflers using knit-and-purl stitches A cozy scallop-edged scarf using lace stitches A beautifully textured pair of mittens using cable and Aran stitches A stylish and sturdy pair of two-tone socks using rib and twist stitches Experienced knitters will find a wealth of unique patterns just waiting to be brought to life. A guide to the basic symbols shows how to knit the stitches, step-by-step. Originally published in Japanese by Nihon Vogue, whose books have brought the designs of artists such as Hitomi Shida, Keiko Okamoto and others to knitters around the world, this book will be a much-anticipated addition to every knitter's library.

The Phonetics of Japanese Language P M Suski, 2010-10-18 This book gives

true characters of Japanese speech sounds in reference to European speech sounds. When it was first published in 1931, it was the first book of its kind. There are only 5 Japanese vowel elements as opposed to 18 in English, 13 in French and 8 in German. There are 15 Japanese consonants, 26 in English, 22 in French & 23 in German. Because of the lesser number of elements, it follows that the wider range in vowels and consonants is heard by Japanese ears, so this volume gives average sounds uttered by Japanese in the twentieth century in relation to the English sounds.

Japanese in America Elias Manchester Boddy, 1921 It is inconceivable that fewer than 100,000 Japanese, willing to work exceedingly long hours at the hardest of tasks for economic success, could create an international problem. Yet at the present time, such a problem seems to exist. It is the belief of the author that were the average American to know the exact facts of the Japanese American situation, there would be no problem. A full understanding by the public is not at all difficult to arrive at, providing the facts and not propaganda are furnished. A certain section of the American Press has singled out the Japanese for vilification, abuse and slander, for the sole purpose of increasing its circulation by sensational methods. We find the people of California constantly harassed by Anti-Japanese Propaganda, while the rest of the nation looks on, expressing only a nominal interest, and that more in the skill with which the propagandists have plied their art, than in the subject of their discussion. The purpose of the author in the present volume is to present as concisely as possible the history of the diplomatic, industrial, and social relations between Japan and the United States, to review the actual conditions in California, and to present as fully as possible an account of the various forces and interests vitally concerned

with the campaign of propaganda which has been and is now being waged. The author is indebted to McMasters' History of the People of the United States, Harper's Encyclopedia of United States History, A History of the Japanese People, by Capt. F. Brinkley (Encyclopedia Britannica); the Japanese Association of America, and Mr. K. Kanzaki.--Introduction.

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-09-01 In this extraordinary collection of writings, covering the period from 1878 to 1989, a wide range of Japanese visitors to the United States offer their vivid, and sometimes surprising perspectives on Americans and American society. Peter Duus and Kenji Hasegawa have selected essays and articles by Japanese from many walks of life: writers and academics, bureaucrats and priests, politicians and journalists, businessmen, philanthropists, artists. Their views often reflect power relations between America and Japan, particularly during the wartime and postwar periods, but all of them dealt with common themes--America's origins, its ethnic diversity, its social conformity, its peculiar gender relations, its vast wealth, and its cultural arrogance--making clear that while Japanese observers often regarded the U.S. as a mentor, they rarely saw it as a role model.

Japanese Foodways, Past and Present Stephanie Assmann, Eric C. Rath, 2010 Spanning nearly six hundred years of Japanese food culture, Japanese Foodways, Past and Present considers the production, consumption, and circulation of Japanese foods from the mid-fifteenth century to the present day in contexts that are political, economic, cultural, social, and religious. Diverse contributors--including anthropologists, historians, sociologists, a tea master, and a chef--address a range of issues such as medieval banquet cuisine, the tea ceremony, table manners, cookbooks in

modern times, food during the U.S. occupation period, eating and dining out during wartimes, the role of heirloom vegetables in the revitalization of rural areas, children's lunches, and the gentrification of blue-collar foods. Framed by two reoccurring themes--food in relation to place and food in relation to status--the collection considers the complicated relationships between the globalization of foodways and the integrity of national identity through eating habits. Focusing on the consumption of Western foods, heirloom foods, once-taboo foods, and contemporary Japanese cuisines, Japanese Foodways, Past and Present shows how Japanese concerns for and consumption of food has relevance and resonance with other foodways around the world. Contributors are Stephanie Assmann, Gary Soka Cadwallader, Katarzyna Cwiertka, Satomi Fukutomi, Shoko Higashiyotsuyanagi, Joseph R. Justice, Michael Kinski, Barak Kushner, Bridget Love, Joji Nozawa, Tomoko Onabe, Eric C. Rath, Akira Shimizu, George Solt, David E. Wells, and Miho Yasuhara.

100 Poems from the Japanese, 1955-06-17 It is remarkable that any Westerner—even so fine a poet as Kenneth Rexroth—could have captured in translation so much of the subtle essence of classic Japanese poetry: the depth of controlled passion, the austere elegance of style, the compressed richness of imagery. The poems are drawn chiefly from the traditional Manyōshū, Kokinshū and Hyakunin Isshū collections, but there are also examples of haiku and other later forms. The sound of the Japanese texts is reproduced in Romaji script and the names of the poets in the calligraphy of Ukai Uchiyama. The translator's introduction gives us basic background on the history and nature of Japanese poetry, which is supplemented by notes on the individual poets and an extensive bibliography.

Ikigai Héctor García, Francesc Miralles, 2017-08-29 INTERNATIONAL BESTSELLER

• 1.5 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” –Business Insider “One of the unintended–yet positive–consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” –Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” –Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

Japanese Fairy Tales Yei Theodora Ozaki, 2023-07-19 This collection of

Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore. Grateful acknowledgment is due to Mr. Y. Yasuoka, Miss Fusa Okamoto, my brother Nobumori Ozaki, Dr. Yoshihiro Takaki, and Miss Kameko Yamao, who have helped me with translations. The story which I have named "The Story of the Man who did not Wish to Die" is taken from a little book written a hundred years ago by one Shinsui Tamenaga. It is named Chosei Furo, or "Longevity." "The Bamboo-cutter and the Moon-child" is taken from the classic "Taketari Monogatari," and is NOT classed by the Japanese among their fairy tales, though it really belongs to this class of literature. The pictures were drawn by Mr. Kakuzo Fujiyama, a Tokio artist. In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority, and this has encouraged me to write them for the children of the West...FROM THE BOOKS.

Japan Rising Kenneth Pyle, 2009-04-27 Japan is on the verge of a sea change. After more than fifty years of national pacifism and isolation including the lost decade of the 1990s, Japan is quietly, stealthily awakening. As Japan

prepares to become a major player in the strategic struggles of the 21st century, critical questions arise about its motivations. What are the driving forces that influence how Japan will act in the international system? Are there recurrent patterns that will help explain how Japan will respond to the emerging environment of world politics? American understanding of Japanese character and purpose has been tenuous at best. We have repeatedly underestimated Japan in the realm of foreign policy. Now as Japan shows signs of vitality and international engagement, it is more important than ever that we understand the forces that drive Japan. In *Japan Rising*, renowned expert Kenneth Pyle identifies the common threads that bind the divergent strategies of modern Japan, providing essential reading for anyone seeking to understand how Japan arrived at this moment—and what to expect in the future.

Japanese Harriet Milles, 2013-01-17 This book looks at Japanese, and examines where it is spoken, who speaks it, what alphabet the language is written in, and other interesting facts. The book also includes introductions on how to say key phrases in Japanese, such as how to say hello and goodbye, or talk about your home, school, and family. A pronunciation guide at the back of the book explains how to pronounce the Japanese words used throughout the book.

Japanese for Professionals: Revised (Enhanced with Audio) AJALT, 2021-03-03 From the authors of the best-selling *Japanese for Busy People* series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills. The Association for Japanese-Language Teaching (AJALT), renowned for its *Japanese for Busy People* series, has developed a comprehensive course for students who need to use Japanese in a real-life business environment. Almost a decade after its first edition,

Japanese for Professionals has been revised and updated to reflect current business scenes. Moreover, learners can now practice their listening skills with the newly added audio for the dialogues and exercises from the text. Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients. Each lesson is consisted with two parts: Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises. Precise definitions for all new vocabulary and lucid explanations of grammar, idioms, and cultural differences provide the reader with powerful communication tools for the office. Exercises and quizzes have been included to help students check their progress. Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Japanese: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Japanese : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo"

This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The

Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Japanese Introduction

In today's digital age, the availability of Japanese books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Japanese books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages

of Japanese books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Japanese versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Japanese books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can

access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss

of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Japanese books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide

range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Japanese books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and

educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Japanese books and manuals for

download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why

not take advantage of the vast world of Japanese books and manuals for download and embark on your journey of knowledge?

FAQs About Japanese Books

1. Where can I buy Japanese books?
 Bookstores:
 Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
 Online Retailers:
 Amazon, Book Depository, and various online bookstores offer a

wide range of books in physical and digital formats.

2. What are the different book formats available?
 Hardcover: Sturdy and durable, usually more expensive.
 Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Japanese book to read? Genres:
 Consider the genre you enjoy (fiction,

non-fiction,
mystery, sci-fi,
etc.).

Recommendations:
Ask friends, join
book clubs, or
explore online
reviews and
recommendations.

Author: If you like
a particular
author, you might
enjoy more of their
work.

4. How do I take care
of Japanese books?
Storage: Keep them
away from direct
sunlight and in a
dry environment.
Handling: Avoid
folding pages, use
bookmarks, and
handle them with
clean hands.
Cleaning: Gently

dust the covers and
pages occasionally.

5. Can I borrow books
without buying
them? Public
Libraries: Local
libraries offer a
wide range of books
for borrowing. Book
Swaps: Community
book exchanges or
online platforms
where people
exchange books.

reading progress or
manage my book
collection? Book
Tracking Apps:
Goodreads,
LibraryThing, and
Book Catalogue are
popular apps for
tracking your
reading progress
and managing book

collections.

Spreadsheets: You
can create your own
spreadsheet to
track books read,
ratings, and other
details.

7. What are Japanese
audiobooks, and
where can I find
them? Audiobooks:
Audio recordings of
books, perfect for
listening while
commuting or
multitasking.
Platforms: Audible,
LibriVox, and
Google Play Books
offer a wide
selection of
audiobooks.
8. How do I support
authors or the book
industry? Buy
Books: Purchase

books from authors or independent bookstores.
Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
