

KILLER

Katherine Ramsland

Killer Book of Cold Cases Tom Philbin, 2012-02-01 Shocking Stories of the Most Infamous Unsolved Crimes Every criminal dreams of committing the perfect crime. A crime that is so well executed, with clues and evidence so scarce, that even the experts are left baffled. The Killer Book of Cold Cases takes you behind the crime scene tape and deep into the investigations of some of the most puzzling and notorious cold cases of all time from murders to kidnappings to massive bombings that were open for years before the criminal was finally brought to justice. Read about: * The New York City judge whose disappearance was so famous, his name became synonymous with cold cases * The first use of DNA to help solve a murder case that had been cold for years * The bomber who took down an entire plane of people, just to collect on his mother's insurance * The legendary bank robber D.B. Cooper * The murder of two cops in a small California town-a case that took more than 50 years to solve * The Mad Bomber, who drove New Yorkers half crazy in the fifties by planting bombs all over the city Bury yourself in these edge-of-your-seat tales, read chilling quotes, and test your crime IQ with cold-case trivia. You'll stay up wondering which criminals might still be on the loose!

The Riverside Killer Christine Keers, Dennis St. Pierre, 1996 The story of the Riverside Killer is told by the homicide detective who cracked the case and covers the efforts of the investigative team, the double life of stock clerk William Lester Suff, and his six-year murder spree. Original.

Ted Bundy: Conversations with a Killer Stephen G. Michaud, Hugh Aynesworth, 2019-07-02 In a series of death row interviews done shortly before his execution, infamous serial killer Ted Bundy gave a third-person confession of his many murders. This definitive book on Bundy was recently made into a Netflix documentary. What goes on in the mind of a serial killer? Drawn from more than 150 hours of exclusive tape-recorded interviews with the handsome, charismatic Bundy, whose grisly killing spree left at least 30 young women dead across seven states between 1974 and 1978, this chilling exposé provides a shocking self-portrait of one of the most savage sex murderers in history. Speaking eerily in the third person, Bundy reveals appalling details about his crimes, discloses how he attracted his victims, explains how he methodically disguised his acts, and recounts his two daring jailbreaks. Bundy also offers his thoughts on other infamous serial killers, including John Wayne Gacy and Son of Sam.

Hunter Killer Brad Taylor, 2020-01-07 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." —Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the

lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

The Professional Serial Killer and the Career of Ted Bundy Bonnie M. Rippo Psy. D., 2007-02-13 In the pages of The Professional Serial Killer and the Career of Ted Bundy, you will find yourself eerily intrigued as the serial killer introduces himself to you. Say hello to your neighbor, partner, son, or daughter-whose dual identity now includes the facade of Politician, Clergyman, Lawyer, Contractor, or Compliance Officer. Your imagination will spark as you slowly but gradually become enamored to the serial killer's

ingenuity, as an entrepreneur in the art of murder. Now that you are chillingly mesmerized by his charm, the serial killer takes great pleasure in his sting operation. Thrilled as he passionately and addictively perfects his art, the killer creatively refines his ruse for capturing his victims. In order to inflict the highest level of horror and pain each scene is designed to give the killer an ultimate high of sadistic pleasure. As you reel back and forth, from the disdain you feel for the killer, a sudden and unsuspecting sinking feeling erupts through your very being. The sensation that this is not a horror movie, illuminates your mind, and grasps your fascination with the question: How did this happen? A more intriguing question may be: When did this start? You may want to ask three-year old Ted Bundy.

Killer Book of Serial Killers Tom Philbin, Michael Philbin, 2009 The Killer Book of Serial Killers is the ultimate resource (and gift) for any true crime fan and student of the bizarre world of serial killers. Filled with stories, trivia, quizzes, quotes, photos, and odd facts about the world's most notorious murderers, this is the perfect bathroom reader for anyone fascinated with serial killers. The stories and trivia cover such killers as: John Wayne Gacy Ted Bundy The BTK Killer Jack the Ripper The Green River Killer Serial killers around the world And many more Bathroom readers have enjoyed considerable success as a format, selling millions of copies. The Killer Book series brings this format to the rabid true crime audience.

Including more than 40 black & white photos, this is a must for true crime fans.

Inside the Minds of Serial Killers Katherine Ramsland, 2006-08-30 There are many cultural myths about serial killers, often propagated even by mental health professionals. Many assume there is a profile of a serial killer, that serial killers always go for the same victim type or always use the same MO, that they are more clever than ordinary people, and that they are inevitably charming and attractive. The truth is not as simple as that. There are different types of serial killers, and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context, researchers have not yet been able to come up with a definition, or type, that covers the broad spectrum of serial killers and their complex psychological dynamics. Ramsland looks at the variety of serial killer types, illustrating that it is difficult to accurately depict these elusive, intriguing, and dangerous killers. There are many cultural myths about serial killers, often propagated even by mental health professionals. Many assume there is a profile of a serial killer, that serial killers always go for the same victim type or always use the same MO, that they are more clever than ordinary people, and that they are inevitably charming and attractive. The truth is not as simple as that. There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context, researchers

have not yet been able to come up with a definition, or type, that covers the broad spectrum of serial killers and their complex psychological dynamics. Ramsland looks at serial killer types, illustrating that it is difficult to accurately depict these elusive, intriguing, and dangerous killers. This book examines a variety of serial killers, from sexual predators to psychotic killers, from murder teams to odd eccentric stalkers, in order to present the distinct psychological dynamics that set serial killers apart from other violent murderers. Among the motives addressed are lust, control, glory, profit, thrill, delusions, rage, the desire for company, the need to please a partner, and even murder as an intellectual exercise. Serial killers live double lives, hiding their violence even from those who live with them, so along with a study of motives are chapters devoted to how close associates have described killers, including parents, siblings, co-workers, lovers, and survivors. There is no profile of a serial killer, and this book establishes that in vivid and frightening detail.

"K" is for Killer Sue Grafton, 2009-11-03 Lorna Kepler was beautiful and willful, a loner who couldn't resist flirting with danger. Maybe that's what killed her. Her death had raised a host of tough questions. The cops suspected homicide, but they could find neither motive nor suspect. Even the means were mysterious: Lorna's body was so badly decomposed when it was discovered that they couldn't be certain she hadn't died of natural causes. In the way of overworked cops everywhere, the case was gradually shifted to

the back burner and became another unsolved file. Only Lorna's mother kept it alive, consumed by the certainty that somebody out there had gotten away with murder. In the ten months since her daughter's death, Janice Kepler had joined a support group, trying to come to terms with her loss and her anger. It wasn't helping. And so, leaving a session one evening and noticing a light on in the offices of Millhone Investigations, she knocked on the door. In answering that knock, Kinsey Millhone is pulled into the netherworld of unavenged murder, where only a pact with the devil will satisfy the restless ghosts of the victims and give release to the living they have left behind. Eleven books into the series that has won her readers around the world, Sue Grafton takes a darkside turn, pitching us into a shadow land of pain and grief where killers still walk free, unaccused, unpunished, unrepentant. With K is for Killer she offers a tale that is dark, complex, and deeply disturbing. A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice N Is for Moose O Is for Outlaw P Is for Peril Q Is for Quarry R Is for Ricochet S Is for Silence T Is for Trespass U Is for Undertow V Is for Vengeance W Is for Wasted X

Ted Bundy Al Cimino, 2019-05-15 On first impressions, Ted Bundy seemed like the perfect all-American boy. He was good-looking, fun and very charming; many women found him irresistible... But deep inside he was an evil monster

who terrorised large areas of America, assaulting and murdering numerous women and adolescent girls. He used his insider knowledge of law enforcement to evade detection, escaping from imprisonment twice before his eventual capture. While he confessed to 30 killings, the real figure was probably much higher and many of the bodies have never been found. Crime writer and journalist Al Cimino delves into this astonishing and tragic tale, providing a detailed account of Bundy's crimes and the twisted manipulations of his victims. This is the story of a chameleon-like psychopath and necrophile who lured innocent victims to a horrible end.

The Killer Book of Infamous Murders Tom Philbin, Michael Philbin, 2011-03-01
Spine-chilling Tales of the Ultimate Evil Deeds Murders have long made headlines, but only those with the most heartless betrayals, twisted lies, and gruesome crime scenes have earned a place in infamy. The Killer Book of Infamous Murders takes you behind the crime scene tape and into the heart of notorious and remorseless massacres. Uncover fascinating facts about killers' dark pasts, pent-up rage, and what finally caused them to snap-leading them to commit some of the world's most shocking crimes, including: Leopold and Loeb's perfect crime: the kidnapping and slaying of fourteen-year-old Bobby Franks The bloody shootings of Alan and Diane Johnson, killed by their sixteen-year-old daughter The cold-blooded murder of the Clutter family The puzzling and controversial murder of Marilyn Sheppard And much more... Bury yourself in these edge-of-your-seat tales, read chilling quotes and courtroom

transcripts, and test your crime IQ with trivia. You'll shudder in horrified delight-and you just might need to sleep with the lights on.

The I-5 Killer Ann Rule,2022-01-04 Previously publisher under the pseudonym Andy Stack.--Title page verso.

I Am Not A Serial Killer Dan Wells,2011-08-02 John Wayne Cheever keeps his obsession with serial killers in check by a set of rigid rules that he lives by, hoping to the prevent himself from committing murder, but when a body turns up at a laundromat, must confront a danger outside himself.

The FBI Killer Aphrodite Jones,1992 An account of the murder of poor, divorced mother of two Susan Daniels Smith describes how Smith agreed to be an informer for her lover, FBI agent Mark Putnam, a promise that brought about her death at Putnam's hands. Reissue.

The Christopher Killer Alane Ferguson,2008-02-01 On the payroll as an assistant to her coroner father, seventeen-year-old Cameryn Mahoney uses her knowledge of forensic medicine to catch the killer of a friend while putting herself in terrible danger.

The Killer's Wife Bill Floyd,2008-03-04 Six years after her courageous testimony helped put her husband on death row for a string of gruesome murders, Leigh Wren has almost succeeded in putting her past to rest. She has moved from the West Coast to North Carolina with her young son, adopting a new name and a new life. But the world that she has created for herself is shattered when the father of one of her ex-husband's victims begins stalking

her, then confronts her late one night. In the days that follow, he exposes Leigh, in newspapers and on television, to a startled North Carolina community. And just as her marriage to Randall Mosley, a man who became known to the world as a deviant serial killer, is brought back to light, a more deadly game of cat and mouse ensues. A new killer has emerged, one whose methods are frighteningly similar to those used by Mosley, who is awaiting execution thousands of miles away. Leigh and her son appear to be in the assailant's scope, and it becomes clear that he is more than a copycat killer—his targets are all tied to Leigh's former life. With the clock ticking down and the victims of a new killer mounting, Leigh is forced to probe the darkest corridors of her past to protect her life and her son's. She must also confront her own feelings of responsibility: Leigh has always professed her ignorance, but how complicit was she in her husband's horrific murder spree, as it was taking place? From a major new voice in suspense, *The Killer's Wife* is a story driven by psychological insight and harrowing revelations, asking how well you can ever really know the person sleeping beside you.

The Making of a Serial Killer Danny Rolling, Sondra London, 2011-02-01 The man convicted of the vicious murders of five college students in Gainesville, Florida, discusses his motivations and actions in committing the crimes, reflects on what made him into a killer, and his struggle to come to terms with what he did. Original. IP.

Green River, Running Red Ann Rule, 2004-10-31 In the most extraordinary book Ann Rule has ever undertaken, America's master of true crime has spent more than two decades researching the story of the Green River Killer, who murdered more than forty-nine young women. The quest to discover the most prolific serial killer in American history has been an intimate part of Ann Rule's life, with some of the corpses found only a mile or so from where she lived and raised her own daughters. She did not know the killer, but he apparently knew her and attended many of her book signings. For twenty-one years, the killer carried out his self-described career as a killing machine, ridding the world of women he considered evil. His eerie ability to lure his victims to their deaths and hide their bodies made him far more dangerous than any infamous multiple murderer in the annals of crime. A few men -- including a law student, a truck painter, and a taxi driver -- eventually emerged as the prime suspects among an unprecedented forty thousand scrutinized by the Green River Task Force. Still, there was no physical evidence linking any of them to the murders until 2001, when investigators used a new DNA process on a saliva sample they had preserved since 1987, with stunning results. Ann Rule has followed the case since July 1982, when the first body -- that of teenager Wendy Lee Coffield -- was found in the Green River, snagged on pilings under a bridge. Rule has compiled voluminous files, working through an incredible 95,000 pages of official police records, transcripts, photographs, and maps, winnowing out the chaff and identifying

what is truly important. Over the years, she gained unparalleled access to all the key players -- from King County Sheriff Dave Reichert to those close to the killer and his victims. When finally apprehended and convicted, the killer made a detailed confession -- of his twisted sexual obsessions -- that will shock even the most jaded reader. Green River, Running Red is a harrowing account of a modern monster, a killer who walked among us undetected. It is also the story of his quarry -- of who these young girls were, and who they might have become. A chilling look at the darkest side of human nature, this is the most important and most personal book of Ann Rule's long career.

The Zodiac Killer WL Knightly, Detective Darek Blake thought the secrets of his past were long buried, but when a young girl is murdered in a familiar way, finding the killer will not only bring back memories he's repressed, but give him a golden opportunity to impress the FBI. So, when his partner, Special Agent Lizzy McNamara digs up evidence that's a little too close to home, he's shaken to the core. The worst sin he's ever committed bubbles up, threatening to destroy his future. Are the Zodiac killings a coincidence or is someone toying with him, and if so... who? Warning: This is the first book in a thirteen-book series. Every book has a cliffhanger of some sort as we're telling the story of a serial killer. There will be a book out on the last Thursday of every month until we get to December, where book 13 will reveal everything. We invite you to join us on this year long journey and try as

hard as you can to figure out... whodunit! There is cursing, violent situations, a bit of gore and murder in almost every book. Enjoy!!

My Sister, the Serial Killer Oyinkan Braithwaite, 2019-07-30 ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • BOOKER PRIZE NOMINEE • "A taut and darkly funny contemporary noir that moves at lightning speed, it's the wittiest and most fun murder party you've ever been invited to." –MARIE CLAIRE Korede's sister Ayoola is many things: the favorite child, the beautiful one, possibly sociopathic. And now Ayoola's third boyfriend in a row is dead, stabbed through the heart with Ayoola's knife. Korede's practicality is the sisters' saving grace. She knows the best solutions for cleaning blood (bleach, bleach, and more bleach), the best way to move a body (wrap it in sheets like a mummy), and she keeps Ayoola from posting pictures to Instagram when she should be mourning her "missing" boyfriend. Not that she gets any credit. Korede has long been in love with a kind, handsome doctor at the hospital where she works. She dreams of the day when he will realize that she's exactly what he needs. But when he asks Korede for Ayoola's phone number, she must reckon with what her sister has become and how far she's willing to go to protect her.

The Riverman Robert D. Keppel, William J. Birnes, 2010-05-20 After a search of over twenty years, one of America's most elusive serial killers was finally apprehended. Now, read the true story of one man's attempt to get inside the mind of the Green River Killer July 15, 1982: 3 woman's strangled

body was filed, caught on the pilings of Washington state's Green River. Before long, the Green River Killer would be suspected in at least forty-nine more homicides, with no end in sight. Then the authorities received an unbelievable letter from the infamous serial killer Ted Bundy -- then on Florida's death row -- offering to help catch the Green River Killer. But he would only talk to one man: Robert Keppel, the former homicide detective who had helped track Bundy's cross-county killing spree. Now these conversations are revealed, in which Bundy speculates about the motive and methods of the Green River Killer -- and reveals his own twisted secrets as well. Now, as never before, we look into the face of evil...and into the heart of a killer.
