A Kit Story Kristen Tracy, Alison Farrell, 2022-03-08 Alison Farrell's The Hike meets Richard Scarry's I Am a Bunny in this delightful board book that combines sweetness and science. I am a fox. Do you see me? Timeless and nostalgic, quirky and fresh, lightly educational and wholly heartfelt, this autobiography of a fox kit will delight all cuddlers and snugglers. See the world through a fox kit's eyes in a charming book about finding your place in the world. Over the course of four seasons, Kit comes of age in the forest. In spring, she gambols. In autumn, she races. In summer, she sneaks and slinks. But with her mama, she will always be a little kit. This is the second in a series of board books that pairs Kristen Tracy's enchanting, playful text with Alison Farrell's sweet, endearing art for an adorable treatment of everyone's favorite topic: baby animals! PERFECT FOR BEDTIME KISSES: The story goes through a day in the life of a baby fox kit and ends tucked into her den with her mama fox. It's the perfect book to take families through their own day, complete with a cozy goodnight moment! ENCOURAGES CHILDREN TO IMAGINE OTHER PERSPECTIVES: This book is told in the first person: I am a fox. The unusual narrator will get the youngest readers thinking about what it's really like to be a little fox kit! TEACHES COMPARISONS: The idea of seeing through the animal's eyes using

comparisons to familiar ideas (Kit is slower than a hummingbird but faster than a turtle) is a perfect introduction to comparative logic. **TEACHES SEASONS:** Readers will delight in following Kit through all four seasons of the year, learning what she does differently in spring than she does in summer, what she does for the first time in autumn, and how she experiences winter. **CRITICALLY ACCLAIMED ILLUSTRATOR:** Alison Farrell is the author-illustrator of the fan favorite *The Hike*, along with *Cycle City*, *Bicycle Bash*, and *A Cub Story*, the first book in this series. Here she brings her love of science and sweet animals to a brand-new series about forest critters! **BABY ANIMALS!** There's one thing all babies love: baby animals! There are all kinds of animals to look at and learn about in these pages filled with wildlife and with love. Careful eyes will spot animals hidden everywhere in the detail-rich, evocative scenes. **A BOOK TO BOND OVER:** This is the perfect cuddly read between baby and parent, since it's focused on baby animals and their families. Perfect for: • Parents • Grandparents • Friends searching for the perfect baby shower gift • Animal lovers

Turning Things Around ,2014 Kit is delighted when Aunt Millie comes to visit! Aunt Millie has a special way of turning ugly things into beautiful useful ones, and she has ideas for helping the whole Kittredge family. Then, a train-hopping adventure makes Kit appreciate the safety of home, and learning about homeless children inspires Kit to make a difference. But what can she do to bring the children hope and help?

Kit's Story Collection Valerie Tripp,2005-09 If Kit Kittredge could write her own story about how the Depression affected her family, she'd make sure it had a happy ending. But the reality is that she and her family are living through the Depression one grim day at a time. The Kittredges' boarding house brings in some money, but it may not be enough to keep them from losing their house. Kit

struggles with an endless list of chores that keeps her constantly busy at home. But she knows that there are people who have lost even more than her family has because of the Depression, and she looks for ways to help. To her great surprise, Kit discovers that along with hard times come good times, too. Book jacket.

Caleb and Kit Beth Vrabel, 2017-09-12 From award-winning author Beth Vrabel comes a powerfully moving story about a magical friendship, coping with disability, and the pains of growing up and growing apart. Twelve-year-old Caleb is shorter, frailer, and more protected than most kids his age. That's because he has cystic fibrosis, a diagnosis meaning lungs that fill with mucus and a shortened lifespan. Caleb tries not to let his disorder define him, but it can be hard with an overprotective mom and a perfect big brother. Then Caleb meets Kit -- a vibrant, independent, and free girl -- and his world changes instantly. Kit reads Caleb's palm and tells him they are destined to become friends. She calls birds down from the sky and turns every day into an adventure. Her magic is contagious, making Caleb question the rules and order in his life. But being Kit's friend means embracing deception and danger, and soon Caleb will have to decide if his friendship with Kit is really

what's best for him -- or her.

Dear Old Kit Harvey Lewis Carter,1968 The Figure of Kit Carson strides through the literature of the American West in heroic size. Trader, trapper, scout, brigadier general of New Mexico Volunteers, and many other things besides, he has appealed to the public imagination as no other frontiersman has. Many biographies and who versions of his “autobiography” have been published. Yet much of the legend still remains to be separated from the facts, declares the author of this new biography. “I am an admirer of Carson,” says Mr. Carter, “and have no wish deliberately to debunk him, but I am interested in correcting the statements of uncritical hero worship many by many writers.” Kit is allowed to speak for himself, as far as possible, through an exact transcription of his dictated reminiscences made from the manuscript in the Newberry Library, Chicago. Persons and places are clearly identified, and Kit’s slips of memory are corrected in the definitive annotation of his account. One hundred years of speculation about the identity of the man who transcribed Carson’s story is ended. Mr. Carter has established positive identification, based on carefully assembled facts. A new

assessment of Kit's character and reputation is included, as well as an annotated account of the last years of his life.
