Legendary Locals of Monroe Griffin Scott,Amy Sliger,2014-11-10 Located at the center of the 12 rural parishes that comprise northeastern Louisiana, Monroe has long been a tiny metropolis offering its citizens a taste of the colorful politics and rich cultural history for which the Bayou State is known. Featuring the tales of the area's most prominent politicians, innovators, entrepreneurs, broadcasters, musicians, reality stars, athletes, educators, movers, shakers, and rabble-rousers, *Legendary Locals of Monroe* takes a look at the characters whose fascinating stories paint the vibrant history of this southern river city. Presented in a clear, concise format, this volume features biographical accounts that range from inspiring and captivating to shocking and tragic. Profiles include such notable locals as indie-film queen Parker Posey, Coca-Cola innovator Joseph Biedenharn, pizza restaurant dynamo Johnny Huntsman, Black Panther Party founder Huey P. Newton, baseball great Chuck Finley, country music superstar Andy Griggs, internationally renowned composer Frank Ticheli, flamboyant politician Shady Wall, and many more.

**A Boy in the South** Arthur J. Solomon,2021-02-16 Sometimes, life is like a revolving door. As a teenager, when I left Georgia to pursue a better life and to see the world, I told myself I would never live here again. 70 years later, after all my travels and being in so many places, I accomplished my dream; with many prayers. I was determined not to return, but somehow, I found myself back in Georgia, where I started. Life has changed a great deal since my younger days. Many loved ones, the homes where I lived, and the places I use to go are gone. One thing that remains is my memory of them and the times we shared. I still enjoy a drive to the country, visiting the old places, and on occasion, I take my children and grandchildren with me on those rides and tell them stories about the little boy who grew up in the south.

**Don't Think Of An Elephant! / How Democrats And Progressives Can Win** George Lakoff,2005-01-30 *Don't Think of an Elephant!* is the definitive handbook for understanding what happened in the 2004 election and communicating effectively about key issues facing America today. Author George Lakoff has become a key advisor to the Democratic party, helping them develop their message and frame the political debate. In this book Lakoff explains how conservatives think, and how to counter their arguments. He outlines in detail the traditional American values that progressives hold, but are often unable to articulate. Lakoff also breaks down the ways in which conservatives have framed the issues, and provides examples of how progressives can reframe the debate. Lakoff's years of research and work with environmental and political leaders have been distilled into this essential guide, which shows progressives how to think in terms of values instead of programs, and why people vote their values and identities, often against their best interests. *Don't Think of An Elephant!* is the antidote to the last forty years of conservative strategizing and the right wing's stranglehold on political dialogue in the United States. Read it, take action--and help take America back. *How Democrats and Progressives Can Win* (DVD) features a lively interview with George Lakoff, television news clips, and illustrative graphics, this is a must-see media tool for everyone who wants to better understand and communicate the progressive agenda. Includes *How to Debate a Conservative*, *Know Your Values*, and much more. Each DVD includes a summary card of key points. Produced by Educate the Base, LLC.
