*The Sthory of Two Wimmin Named Kalyani and Dakshayani* R. Rajasree, 2022-12-12 The Sthory of Two Wimmin Kalyani and Dakshayani traces luminous paths of female friendship in the rural worlds of north Malabar, through the lives of two rural women, Kalyani and Dakshayani. Rebelling against the patriarchy in school at the age of six ('Rot in 'ell, yuh sonofabitch', yells Dakshayani at the school master who lifted her skirt to pinch her thigh, and walks out of school, with Kalyani following in solidarity), the two friends take on life and love. Women have no native place, they learn-but they have each other. Rajashree's cleverly crafted narrator pauses and plays the scenes of their struggles, pains and laughter, drawing strength from them for her own battle against the mind-police. The bittersweet longing for one's place of birth, the dialects of Malayalam, animals, spirits-all come alive in Rajashree's beautifully crafted tale, enabled by Devika's magnificent and careful translation.

The Astrologer + Kalyani The Crow Anita Nair,2008 This book has two entertaining stories. The Astrologer is efficient when it comes to his profession but the same cannot be said when it comes to his day-to-day life. The comedy of errors will leave the young reader in splits of laughter. Meanwhile, in our next story, Kalyani, the crow is ashamed of her looks and refuses to be consoled. But then love comes calling.

*Making Place for Muslims in Contemporary India* Kalyani Devaki Menon,2022-05-15 Making Place for Muslims in Contemporary India looks at how religion provides an arena to make place and challenge the majoritarian, exclusionary, and introverted tendencies of contemporary India. Places do not simply exist. They are made and remade by the acts of individuals and communities at particular historical moments. In India today, the place for Muslims is shrinking as the revanchist Hindu Right increasingly realizes its vision of a Hindu nation. Religion enables Muslims to re-envision India as a different kind of place, one to which they unquestionably belong. Analyzing the religious narratives, practices, and constructions of religious subjectivity of diverse groups of Muslims in Old Delhi, Kalyani Devaki Menon reveals the ways in which Muslims variously contest the insular and singular understandings of nation that dominate the sociopolitical landscape of the country and make place for themselves. Menon shows how religion is concerned not just with the divine and transcendental but also with the anxieties and aspirations of people living amid violence, exclusion, and differential citizenship. Ultimately, *Making Place for Muslims in Contemporary India* allows us to understand religious acts, narratives, and constructions of self and belonging as material forces, as forms of the political that can make room for individuals, communities, and alternative imaginings in a world besieged by increasingly xenophobic understandings of nation and place.

*The Goodbye Book* Ruby Kalyani,2021-03-24 This children's book is about trying to understand the natural feelings that occur after losing someone you love. It is my hope that this book will allow children to explore their feelings and to understand that it is ok to be sad. The story will also provide children with a few skills in what to do when they experience grief and sadness.

**Everyday Nationalism** Kalyani Devaki Menon,2011-07-06 Hindu nationalism has been responsible for acts of extreme violence against religious minorities and is a dominant force on the sociopolitical landscape of contemporary India. How does such a violent and exclusionary movement recruit supporters? How do members navigate the tensions between the normative prescriptions of such movements and competing ideologies? To understand the expansionary power of Hindu nationalism, Kalyani Menon argues, it is critical to examine the everyday constructions of politics and ideology through which activists garner support at the grassroots level. Based on fieldwork with women in several Hindu nationalist organizations, Menon explores how these activists use gendered constructions of religion, history, national insecurity, and social responsibility to recruit individuals from a variety of backgrounds. As Hindu nationalism extends its reach to appeal to increasingly diverse groups, she explains, it is forced to acknowledge a multiplicity of positions within the movement. She argues that Hindu nationalism's willingness to accommodate dissonance is central to understanding the popularity of the movement. *Everyday Nationalism* contends that the Hindu nationalist movement's power to attract and maintain constituencies with incongruous beliefs and practices is key to its growth. The book reveals that the movement's success is facilitated by its ability to become meaningful in people's daily lives, resonating with their constructions of the past, appealing to their fears in the present, presenting itself as the protector of the country's citizens, and inventing traditions through the use of Hindu texts, symbols, and rituals to unite people in a sense of belonging to a nation.

**The Empress** Kalyani Shankar,2017-09-10 The book captures the life and times of ' puratchi thalaivi' Jayalalithaa who through sheer will and determination rose to become the chief minister of Tamil Nadu in 1991. Under her leadership the AIADMK came to power four times: 1991,2001,2011 and 2016. Her death on December 5, 2016 was sudden. For many, Jaya was a cult figure, who remained an enigma all her life. She could garner votes and pull crowds on the basis of her charismatic appeal, which she had

cultivated during her initial years as a movie star. Known as the 'Iron Lady' of Tamil Nadu, her autocratic style brooked no dissent from her party whose members fawned over her with slavish displays of obedience. Hailing from the celluloid world, Jaya's life story runs like a screenplay. She excelled in two fields: films and politics. She was introduced to films by her mother and to politics by her mentor and the AIADMK founder M.G.Ramachandran, himself a super star. From filmhood to politics, her life remains an interesting subject of study. She was known as 'Amma' (mother) to her voters, and though a Brahmin, her appeal transcended caste, language and creed. She pioneered welfare schemes and portrayed herself as the champion of the poor by introducing schemes to provide cheap food, medicines, cement and even mineral water. The book portrays the ups and downs in her life, her legal and political battles and her political dominance in Tamil Nadu. Jaya may be dead, but she has ensured that her legend lives on. She was an empress when alive, and continues to reign from the afterlife.

*Pandora's Daughters* Kalyani Shankar, 2015-04-09 Pandora's Daughters looks at eight prominent women leaders in modern India who have achieved great power in the male-dominated world of Indian politics, examining their traits and personalities, tactics and manoeuvres, strengths and disadvantages and analysing the reasons for their success. With her years of experience in covering national politics, Shankar combines rigorous research and invaluable insight to make Pandora's Daughters essential reading for all who wish to understand politics in India today.

Sacred Bonds Kalyani R Menon,2016-05-10 The book is a series of images, narratives, and reflections. Most of them are seen through the eyes of a solitary child gazing at and understanding life and men, by moving from a cocoon of comfort into the wider world of complex relationships. The book is partly autobiographical: the authors own experiences help her to view the world by understanding herself better. The last part is a set of beliefs on the inner self, on what makes life tick within her.
