**Kara in Black** Max Bush,2006 Kara in Black takes place January through March of 2003, beginning prior to the invasion of Iraq and finishing three days after the invasion. Eighteen-year-old Kara's older sister, Della, is leaving to join her Army unit and travel to Kuwait to prepare for the possible invasion of Iraq. While Della is proud to serve and proud to be a woman in the Army, is ready to prove herself, and believes in the policies of the administration, Kara, after thinking about such things for the first time in her life, begins to oppose her sister going, and the impending war itself. Their dialog begins as Della is preparing to depart to join her unit and continues by phone up to the night before the invasion. Together with Juanita and Sue Ellen, two of her friends, Kara researches the first Gulf War to try to understand what may occur in this one. As the research continues and questions multiply, a rising chorus of voices opposes Kara: Sue Ellen, other students, Della, Della's best friend Rachel, and, seemingly, the majority of the American people. To understand more about war and its effects on people, Kara talks to Stevens--Juanita's former stepfather--a decorated Vietnam vet who speaks directly from the reality of his combat experience. Kara finds her way to Women in Black, an international organization, begun in Israel, which holds nonviolent vigils protesting violence toward women and children. Motivated by Steven's revelations, her love for her sister, and her budding political sensibility, Kara (with Juanita) decides to open a local chapter of Women In Black to protest the invasion of Iraq. Throughout the play Kara struggles with her feelings of isolation, frustration, fear, ignorance and helplessness to begin to understand her own views and to find the courage--against the opposing voices--to express herself publicly on matters important to her.--Publisher's website.

*Everywhere Holy* Kara Lawler,2019-12-03 “Readers who are dealing with depression, parenting struggles, questions of identity and self-image, or who simply find it hard to bring prayer into their chaotic life will find welcome encouragement in Lawler’s rejuvenating words.” – Publishers Weekly Popular writer and blogger Kara Lawler shows women how to embrace the sacred in mundane, ordinary life--and in the process, discover themselves. Life doesn't have to be lived on grand mountaintops for it to be meaningful. We can see God at work right where we are: in our ordinary and mundane routines, in the faces of our family and friends, and--especially--in nature. Kara Lawler speaks to the hearts of those who find themselves lost in the midst of their chaotic schedules and weary attempts to be all that is expected of them. Everywhere Holy addresses our deepest struggles, including: How to feel joy, despite depression and anxiety Dealing with hardships and understanding unconditional love How to view life as an adventure, even when that feels too hard How to feel more connected, more grateful, and more at peace In beautiful prose, Lawler describes the unique sacredness found in God's creation and offers fifteen inspiring insights for cultivating it day-to-day. She encourages you to make this lifestyle change through the observance of small acts. In so doing, you will discover a holy space that honors God and the life you’ve been given--and will discover yourself and your unique place in the holy that is everywhere, whether it’s in the woods behind your house or in the face of a stranger on a bus in a busy city. No matter where you are, there is holy free for the taking.

*Kara Was Here* William Conescu,2013-10-21 Brad Mitchell’s life is falling apart. His marriage is in limbo. The woman he thought he would marry, Kara, died from an overdose. An old friend keeps trying to convince him that Kara was actually murdered. And he has started to see double. Literally. When Kara—or, rather, her ghost—returns to Brad, his past and present blur into a fog. Kara Was Here tells the story of a failed actress whose life and sudden death are only partially understood; her teenage sister, Gwen, who starts taking dangerous steps into Kara’s secret world; Kara’s college friend, Margot, who went from being the football team’s sexy secret weapon to the solitary proprietress of a baked goods business; and Kara’s one-time lover, Brad, who stands with one foot in the past and one foot in an increasingly uncertain future. In the spirit of Clare Messud's The Emperor's Children or Hannah Pittard's The Fates Will Find Their Way, Conescu’s novel is at once a mystery about the dangers of aging into adulthood, an exploration of truth and perception, and a story about the ways we keep those we love with us—the people we’ve lost, the people we no longer see, and the people we used to be.
