Hunter Killer Brad Taylor, 2020-01-07 Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." –Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite

Israeli assassins of his own. And Pike will stop at nothing to protect his family.

The Riverside Killer Christine Keers, Dennis St. Pierre, 1996 The story of the Riverside Killer is told by the homicide detective who cracked the case and covers the efforts of the investigative team, the double life of stock clerk William Lester Suff, and his six-year murder spree. Original.

Killer Book of Cold Cases Tom Philbin, 2012-02-01 Shocking Stories of the Most Infamous Unsolved Crimes Every criminal dreams of committing the perfect crime. A crime that is so well executed, with clues and evidence so scarce, that even the experts are left baffled. The Killer Book of Cold Cases takes you behind the crime scene tape and deep into the investigations of some of the most puzzling and notorious cold cases of all time from murders to kidnappings to massive bombings that were open for years before the criminal was finally brought to justice. Read about: * The New York City judge whose disappearance was so famous, his name became synonymous with cold cases * The first use of DNA to help solve a murder case that had been cold for years * The bomber who took down an entire plane of people, just to collect on his mother's insurance * The legendary bank robber D.B. Cooper * The murder of two cops in a small California town-a case that took more than 50 years to solve * The Mad Bomber, who drove New Yorkers half crazy in the fifties by planting bombs all over the city Bury yourself in these edge-of-your-seat tales, read chilling quotes, and test your crime IQ with cold-case trivia. You'll

stay up wondering which criminals might still be on the loose!

The Killer's Wife Bill Floyd, 2008-03-04 Six years after her courageous testimony helped put her husband on death row for a string of gruesome murders, Leigh Wren has almost succeeded in putting her past to rest. She has moved from the West Coast to North Carolina with her young son, adopting a new name and a new life. But the world that she has created for herself is shattered when the father of one of her ex-husband's victims begins stalking her, then confronts her late one night. In the days that follow, he exposes Leigh, in newspapers and on television, to a startled North Carolina community. And just as her marriage to Randall Mosley, a man who became known to the world as a deviant serial killer, is brought back to light, a more deadly game of cat and mouse ensues. A new killer has emerged, one whose methods are frighteningly similar to those used by Mosley, who is awaiting execution thousands of miles away. Leigh and her son appear to be in the assailant's scope, and it becomes clear that he is more than a copycat killer—his targets are all tied to Leigh's former life. With the clock ticking down and the victims of a new killer mounting, Leigh is forced to probe the darkest corridors of her past to protect her life and her son's. She must also confront her own feelings of responsibility: Leigh has always professed her ignorance, but how complicit was she in her husband's horrific murder spree, as it was taking place? From a major new voice in suspense, *The Killer's Wife* is a story driven by psychological

insight and harrowing revelations, asking how well you can ever really know the person sleeping beside you.

The Professional Serial Killer and the Career of Ted Bundy Bonnie M. Rippo Psy. D., 2007-02-13 In the pages of The Professional Serial Killer and the Career of Ted Bundy, you will find yourself eerily intrigued as the serial killer introduces himself to you. Say hello to your neighbor, partner, son, or daughter-whose dual identity now includes the facade of Politician, Clergyman, Lawyer, Contractor, or Compliance Officer. Your imagination will spark as you slowly but gradually become enamored to the serial killer's ingenuity, as an entrepreneur in the art of murder. Now that you are chillingly mesmerized by his charm, the serial killer takes great pleasure in his sting operation. Thrilled as he passionately and addictively perfects his art, the killer creatively refines his ruse for capturing his victims. In order to inflict the highest level of horror and pain each scene is designed to give the killer an ultimate high of sadistic pleasure. As you reel back and forth, from the disdain you feel for the killer, a sudden and unsuspecting sinking feeling erupts through your very being. The sensation that this is not a horror movie, illuminates your mind, and grasps your fascination with the question: How did this happen? A more intriguing question may be: When did this start? You may want to ask three-year old Ted Bundy.

The Christopher Killer Alane Ferguson, 2008-02-01 On the payroll as an assistant to her coroner father, seventeen-year-old Cameryn Mahoney uses

her knowledge of forensic medicine to catch the killer of a friend while putting herself in terrible danger.

Mapping the Trail of a Serial Killer Brenda Lewis, 2009-11-10 The idea of the wandering murderer, leaving a trail of mutilated bodies in his wake, has long fascinated followers of true crime. By charting the geography of the killer's actions, Mapping the Trail of a Serial Killer takes an innovative approach to exploring the killing sprees of more than 40 mass murderers from the early 20th century right up to the present day. With specially commissioned maps pinpointing each killer's actions, Mapping the Trail of a Serial Killer reveals patterns of behavior and enables the reader to understand some of the thinking of the minds of men like Ted Bundy, David Berkowitz, and Andrei Chikatilo.

Inside the Minds of Serial Killers Katherine Ramsland, 2006-08-30 There are many cultural myths about serial killers, often propagated even by mental health professionals. Many assume there is a profile of a serial killer, that serial killers always go for the same victim type or always use the same MO, that they are more clever than ordinary people, and that they are inevitably charming and attractive. The truth is not as simple as that. There are different types of serial killers, and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context, researchers have not yet been able to come up with a definition, or type, that covers the broad spectrum of serial killers and their

complex psychological dynamics. Ramsland looks at the variety of serial killer types, illustrating that it is difficult to accurately depict these elusive, intriguing, and dangerous killers. There are many cultural myths about serial killers, often propagated even by mental health professionals. Many assume there is a profile of a serial killer, that serial killers always go for the same victim type or always use the same MO, that they are more clever than ordinary people, and that they are inevitably charming and attractive. The truth is not as simple as that. There are different types of serial killers and while there are many books that discuss the serial killer phenomenon especially in relationship to victim types or context, researchers have not yet been able to come up with a definition, or type, that covers the broad spectrum of serial killers and their complex psychological dynamics. Ramsland looks at serial killer types, illustrating that it is difficult to accurately depict these elusive, intriguing, and dangerous killers. This book examines a variety of serial killers, from sexual predators to psychotic killers, from murder teams to odd eccentric stalkers, in order to present the distinct psychological dynamics that set serial killers apart from other violent murderers. Among the motives addressed are lust, control, glory, profit, thrill, delusions, rage, the desire for company, the need to please a partner, and even murder as an intellectual exercise. Serial killers live double lives, hiding their violence even from those who live with them, so along with a study of motives are chapters devoted to how close

associates have described killers, including parents, siblings, co-workers, lovers, and survivors. There is no profile of a serial killer, and this book establishes that in vivid and frightening detail.

Ted Bundy: Conversations with a Killer Stephen G. Michaud, Hugh Aynesworth, 2019-07-02 In a series of death row interviews done shortly before his execution, infamous serial killer Ted Bundy gave a third-person confession of his many murders. This definitive book on Bundy was recently made into a Netflix documentary. What goes on in the mind of a serial killer? Drawn from more than 150 hours of exclusive tape-recorded interviews with the handsome, charismatic Bundy, whose grisly killing spree left at least 30 young women dead across seven states between 1974 and 1978, this chilling exposé provides a shocking self-portrait of one of the most savage sex murderers in history. Speaking eerily in the third person, Bundy reveals appalling details about his crimes, discloses how he attracted his victims, explains how he methodically disguised his acts, and recounts his two daring jailbreaks. Bundy also offers his thoughts on other infamous serial killers, including John Wayne Gacy and Son of Sam.

Confessions of a Gentleman Killer Johnny Payne, 2020-10-15 London, 1843 He hadn't planned to become a murderer. In fact, he had dreamed of graduating from Oxford, settling down with Cecilia, the love of his life, opening a small law practice, having a child, and stealing away from his overbearing in-laws. That's not what happened. Kilcairn is a brilliant man with a philosopher's

mind, ambitious and capable, gentle and thoughtful. But when his life begins to unravel, blood lust overtakes him and his life of crime begins. Was the urge always there? If not, who pulled the string that began his demise? An intimate peek into one serial killer's mind, *Confessions of a Gentleman Killer* asks readers just what motivates a man who, otherwise, would be the perfect gentleman.

Tantamount Blaine L. Pardoe, Victoria R. Hester, 2019-10-01 A cold case investigation of a notorious serial killer who terrorized 1970s Washington D.C. by the New York Times bestselling true crime coauthors. In 1971 and 1972, a deadly predator stalked the streets of the nation's capital. His targets were young girls whose fates included rape and torture before their brutalized corpses were left in plain view along busy roadways. Seven victims ranging from the ages of ten to eighteen died in his hands. On one victim he left a note, taunting police and claiming the media's name for him: The Freeway Phantom. Then, as abruptly as he started, the Freeway Phantom stopped. Decades later, Washington DC's oldest unsolved serial killing spree is pried open with the suspects, the liars, and the evidence laid bare. Father-daughter true crime investigators Blaine Pardoe and Victoria Hester shed new light and provide tantalizing new clues as to who the Freeway Phantom may be.

The Killer Tom Wood, 2011-08-02 After a routine job turns into a fight for his life, professional killer Victor races across Europe to find out who bought his services and why they now want him

dead, a trip that causes him to stumble into an international conspiracy that spans four continents.

The Making of a Serial Killer Danny

Rolling, Sondra London, 2011-02-01 The man convicted of the vicious murders of five college students in Gainesville, Florida, discusses his motivations and actions in committing the crimes, reflects on what made him into a killer, and his struggle to come to terms with what he did. Original. IP.

Raised by a Killer: Extreme Horror Book #1 Age 4

Sea Caummisar, 2021-03-22 The story of a daughter being raised by a single father, who happens to be a serial killer. As the series progresses, Deicide will grow older. In this thrilling first book, experience the sights, smells, and sounds through the eyes of four-year-old Deicide. The formative years of any child's life are crucial. In this time frame, she is curious and innocent. With each book, Deicide will grow older, giving us an inside look at how her life has been affected due to her upbringing. Warning: Graphic scenes that may disturb some readers

Ted Bundy Al Cimino, 2019-05-15 On first

impressions, Ted Bundy seemed like the perfect all-American boy. He was good-looking, fun and very charming; many women found him irresistible... But deep inside he was an evil monster who terrorised large areas of America, assaulting and murdering numerous women and adolescent girls. He used his insider knowledge of law enforcement to evade detection, escaping from imprisonment twice before his eventual capture. While he confessed to 30 killings, the real figure

was probably much higher and many of the bodies have never been found. Crime writer and journalist Al Cimino delves into this astonishing and tragic tale, providing a detailed account of Bundy's crimes and the twisted manipulations of his victims. This is the story of a chameleon-like psychopath and necrophile who lured innocent victims to a horrible end.

The I-5 Killer Ann Rule, 2022-01-04 Previously publisher under the pseudonym Andy Stack.--Title page verso.

Killer Book of Serial Killers Tom

Philbin, Michael Philbin, 2009 The Killer Book of Serial Killers is the ultimate resource (and gift) for any true crime fan and student of the bizarre world of serial killers. Filled with stories, trivia, quizzes, quotes, photos, and odd facts about the world's most notorious murderers, this is the perfect bathroom reader for anyone fascinated with serial killers. The stories and trivia cover such killers as: John Wayne Gacy Ted Bundy The BTK Killer Jack the Ripper The Green River Killer Serial killers around the world And many more Bathroom readers have enjoyed considerable success as a format, selling millions of copies. The Killer Book series brings this format to the rabid true crime audience. Including more than 40 black & white photos, this is a must for true crime fans.

Sleep My Little Dead Kieran Crowley, 2011-04-01 The twisted copycat who looked to the stars... He slipped like a sinister shadow in the night, stalking, then savagely attacking. Most of his unsuspecting targets were shot at close range and

one woman was stabbed over one hundred times. After dispatching his victims, police allege he left their bloodstained bodies and crept back to the neatly kept room in his mother's apartment. Sleep my little dead... The taunting, bizarre letters alleged killer Heriberto Seda sent to the police and the New York Post were full of strange symbols and mysterious references to the Zodiac. For six terror-filled years, the Zodiac killer ruled the night, claiming nine victims in his homicidal rage. One of the biggest manhunts in New York City's history was unleashed...and still the body count rose. When would the terror end? Police claim his lethal fury finally exploded one summer afternoon. After shooting his own sister, he held her boyfriend hostage and kept scores of heavily armed police pinned down in a ferocious firefight that finally ended with his surrender. But it was only when an alert detective recognized a symbol drawn on Seda's confession as similar to the personal signature used by the Zodiac Killer in his letters, that investigators concluded that the madman they had arrested was in fact the notorious Zodiac Killer. Author Kieran Crowley, an award-winning New York Post reporter who covered the case from the first grisly shooting and cracked the psychopath's secret code, reveals the exclusive inside story and finally solves the biggest remaining mystery of the case.

Once a Killer Martin Bodenham, 2018-06-11 You can never really escape your past... Michael Hoffman has come a long way from his deprived childhood in Chicago's South Side. Now he's a young, successful partner in a major New York law firm, handling

some of its clients' most prestigious M&A deals. With a beautiful wife, and two young daughters who look up to him, he has built the perfect life. But Michael has a secret: one that goes back to his childhood; a secret so dark it would destroy his family and brilliant career. Discovered by the wrong people, it would certainly get him killed. There is only one person who knows about his past, and he is a career criminal who manages a low profile hedge fund, bankrolled by Eastern European mafia money. Michael is safe, but only for as long as he agrees to feed details of his firm's deals to the fund so it can make millions from insider trading.

The Killer Book of Infamous Murders Tom

Philbin, Michael Philbin, 2011-03-01 Spine-chilling Tales of the Ultimate Evil Deeds Murders have long made headlines, but only those with the most heartless betrayals, twisted lies, and gruesome crime scenes have earned a place in infamy. The Killer Book of Infamous Murders takes you behind the crime scene tape and into the heart of notorious and remorseless massacres. Uncover fascinating facts about killers' dark pasts, pent-up rage, and what finally caused them to snap-leading them to commit some of the world's most shocking crimes, including: Leopold and Loeb's perfect crime: the kidnapping and slaying of fourteen-year-old Bobby Franks The bloody shootings of Alan and Diane Johnson, killed by their sixteen-year-old daughter The cold-blooded murder of the Clutter family The puzzling and controversial murder of Marilyn Sheppard And much more... Bury yourself in these edge-of-your-seat

tales, read chilling quotes and courtroom transcripts, and test your crime IQ with trivia. You'll shudder in horrified delight-and you just might need to sleep with the lights on.
