

LDS

David L. Rowe

The Next Mormons Jana Riess, 2019-02-01 American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Book of Commandments, for the Government of the Church of Christ Church of Jesus Christ of Latter-Day Saints, 1884

The Mormon Quest for Glory Melvyn Hammarberg, 2013-06-03 The Church of Jesus

Christ of Latter-day Saints has 6 million members in the United States today (and 13 million worldwide). Yet, while there has been extensive study of Mormon history, comparatively little scholarly attention has been paid to contemporary Mormons. The best sociological study of Mormon life, Thomas O'Dea's *The Mormons*, is now over fifty years old. What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question by offering an ethnography of contemporary Mormons. In *The Mormon Quest for Glory*, Hammarberg examines Mormon history, rituals, social organization, family connections, gender roles, artistic traditions, use of media, and missionary work. He writes as a sympathetic outsider who has studied Mormon life for decades, and strives to explain the religious world of the Latter-day Saints through the lens of their own spiritual understanding. Drawing on a survey, participant observation, interviews, focus groups, attendance at religious gatherings, diaries, church periodicals, lesson manuals, and other church literature, Hammarberg aims to present a comprehensive picture of the religious world of the Latter-day Saints.

Mormonism and Evolution William Evenson, Duane E. Jeffery, 2006-01-01 The Church of Jesus Christ of Latter-day Saints (the Mormon Church) has generally been viewed by the public as anti-evolutionary in its doctrine and teachings. But official statements on the subject by the Church's highest governing quorum and/or president have been considerably more open and diverse than is popularly believed. This book compiles in full all known authoritative statements (either authored or formally approved for publication) by the Church's highest leaders on the topics of evolution and the origin of human beings. The editors provide historical context for these statements that allows the reader to see what

stimulated the issuing of each particular document and how they stand in relation to one another.

I Love Mormons David L. Rowe,2005-08-01 David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

The Religion of the Latter-day Saints Lowell L. Bennion,1940 A course to help students gain an understanding of the religion of the Latter-day Saints.

The Articles of Faith: The Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints James E. Talmage,2020-12-17 The Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints is book by James E. Talmage about doctrines of The Church of Jesus Christ of Latter-day Saints (LDS Church). The name of the book is taken from the LDS Church's Articles of Faith, an 1842 creed written by Joseph Smith. Talmage decided to use Smith's Articles of Faith as an outline of his work. He first delivered the material that he would organize into a book in a series of

lectures delivered in 1893 at Latter-day Saints' University in Salt Lake City, Utah, which Talmage was the president of at the time. *Articles of Faith* is a Mormon classic and, for many years, it was among the few non-scriptural works that full-time LDS Church missionaries were asked to study.

The Articles of Faith James E. Talmage, 2022-09-15 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation.

The Lectures on Faith Joseph Smith, 2022-11-13 The *Lectures on Faith* is a set of seven lectures on the doctrine and theology of the Church of Jesus Christ of Latter Day Saints, first published as the doctrine portion of the 1835 edition of the canonical *Doctrine and Covenants*. The lectures were originally presented by Joseph Smith to a group of elders in a course known as the School of the Prophets. Lecture 1: Faith gives rise to all human endeavors in both worldly and spiritual matters, and is a source of power, both in man and in God. Lecture 2: The human family's knowledge of God began with God's interaction with

Adam before The Fall, which knowledge was retained after The Fall, and which knowledge has been transmitted via human testimony among Adam's descendants. Lecture 3: In addition to a belief in God, a correct knowledge of God's character and attributes as revealed in scripture is necessary for the exercise of faith leading to life and salvation. Lecture 4: From scripture, one can learn that God possesses the following attributes: knowledge, faith (which is His power), justice, judgment, mercy, and truth. Lecture 5: The Godhead, or the collective persons of the Father, the Son, and the Holy Spirit. Lecture 6: The knowledge that one's life is in accordance with God's will is necessary for obtaining eternal life. Lecture 7: By growing in faith, one draws nearer to God, and in the perfection of faith, one becomes like God. By faith, one obtains knowledge of God, through which knowledge one can receive all things pertaining to life and godliness.

The Lds Gospel Topics Series: A Scholarly Engagement Matthew L Harris, Newell G Bringham, 2020-09-15 This anthology provides a scholarly, in-depth analysis of the thirteen Gospel Topics essays issued by the Church of Jesus Christ of Latter-day Saints from December 2013 to October 2015. The contributors reflect a variety of faith traditions, including the LDS Church, Community of Christ, Catholic, and Evangelical Christian. Each contributor is an experienced, thoughtful scholar, many having written widely on religious thought in general and Mormon history in particular. The writers probe the strengths and weaknesses of each of the Gospel Topics essays, providing a forthright discussion on the relevant issues in LDS history and doctrine. The editors hope that these analyses will spark a healthy discussion about the Gospel Topics essays, as well as stimulate further discussion in the field of Mormon Studies.

Under the Banner of Heaven Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Mormons and the Bible Philip L. Barlow, 2013-06-27 Philip L. Barlow analyzes the approaches taken to the Bible by key Mormon leaders, from founder Joseph Smith up to the present day. This edition includes an updated preface and bibliography.

Exhibiting Mormonism Reid Neilson, 2011-03-01 The 1893 Columbian Exposition, also known as the Chicago World's Fair, presented the Latter-day Saints with their first opportunity to exhibit the best of Mormonism for a national and an international audience after the abolishment of polygamy in 1890. The Columbian Exposition also marked the dramatic reengagement of the LDS Church with the non-Mormon world after decades of

seclusion in the Great Basin. Between May and October 1893, over seven thousand Latter-day Saints from Utah attended the international spectacle popularly described as the "White City." While many traveled as tourists, oblivious to the opportunities to "exhibit" Mormonism, others actively participated to improve their church's public image. Hundreds of congregants helped create, manage, and staff their territory's impressive exhibit hall; most believed their besieged religion would benefit from Utah's increased national profile. Moreover, a good number of Latter-day Saint women represented the female interests and achievements of both Utah and its dominant religion. These women hoped to use the Chicago World's Fair as a platform to improve the social status of their gender and their religion. Additionally, two hundred and fifty of the Mormon Tabernacle Choir's best singers competed in a Welsh eisteddfodd, a musical competition held in conjunction with the Chicago World's Fair, and Mormon apologist Brigham H. Roberts sought to gain LDS representation at the affiliated Parliament of Religions. In the first study ever written of Mormon participation at the Chicago World's Fair, Reid L. Neilson explores how Latter-day Saints attempted to "exhibit" themselves to the outside world before, during, and after the Columbian Exposition, arguing that their participation in the Exposition was a crucial moment in the Mormon migration to the American mainstream and its leadership's discovery of public relations efforts. After 1893, Mormon leaders sought to exhibit their faith rather than be exhibited by others.

The Mormon Faith of Mitt Romney Andrew Jackson, 2012-01-18 In this timely book, the author uncovers the history, teachings and practices of the Latter-day Saints, compares them to evangelical Christian beliefs and challenges former Massachusetts governor and

presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president.

The LDS Worldview Bruce R. Josephson, 2001 Offers a sympathetic explanation of the worldview of The Church of Jesus Christ of Latter-day Saints (LDS) and gives some understanding of how the LDS worldview acts as a new way of interpreting Christianity by challenging Christian orthodoxy. Presents the church's worldview in its own terms, looking at sources, the LDS conception of time and the stages of humanity, the LDS worldview's implicit critique of Catholics and Protestants, and the concept of cyclical history. There is also material on church offices and organization, family life, and blacks and the priesthood. Author information is not given. c. Book News Inc.

History of the Church of Jesus Christ of Latter Day Saints: 1873-1890 Joseph Smith (Jr.), 1903

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of

Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

The Articles of Faith a Series of Lectures on the Principal Doctrines of The Church of Jesus Christ of Latter-Day Saints James E. Talmage, 2024-02-02 James E. Talmage delivers a series of insightful lectures on the principal doctrines of the Church of Jesus Christ of Latter-Day Saints in The Articles of Faith. The Articles of Faith A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints by James E. Talmage: Deepen your understanding of the doctrines of the Church of Jesus Christ of Latter-Day Saints with The Articles of Faith by James E. Talmage. In this series of lectures, Talmage provides a comprehensive exploration of the fundamental principles that underpin the beliefs of the Latter-Day Saints. Why This Book? James E. Talmage's The Articles of Faith offers a clear and insightful exposition of the core doctrines of the Latter-Day Saints. This book serves as an invaluable resource for those seeking a deeper understanding of the beliefs and teachings of this religious tradition. James E. Talmage, a respected religious scholar and leader, leaves a lasting legacy with his profound exploration of faith and doctrine in The Articles of Faith.

A Book of Mormons Emily W. Jensen, Tracy McKay-Lamb, 2015 A Book of Mormons not only provides a fascinating glimpse into a religion that has taken center stage in the last presidential election, but will prompt insights into what living an encompassing religion means both individually and for the community trying to understand exactly What does it mean to be a Mormon today? Mormonism is at a crossroads, having been under the

microscopic lens of the media for the past five years, even as Mormons young and old grapple with the openness and accessibility of The Information Age. Both the institutional church and its lay members are working to better define the faith for outsiders as well as within. This collection of essays from a broad swath of Mormons -- some who live their faith quietly, others who wrestle with how it colors their professional endeavors -- is an attempt to broaden perspectives about Mormons and demystifying stereotypes.

The Latter-day Saints' Millennial Star ,1869

When people should go to the ebook stores, search opening by shop, shelf by shelf, it is in reality problematic. This is why we present the book compilations in this website. It will entirely ease you to look guide **LDS** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you target to download and install the LDS, it is certainly simple then, since currently we extend the link to purchase and make bargains to download and install LDS as a result simple!

LDS Introduction

LDS Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. LDS Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older

books in the public domain. LDS : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications.

Internet Archive for LDS : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks LDS Offers a diverse range of free eBooks across various genres. LDS Focuses mainly on educational books, textbooks, and business books. It offers free PDF

downloads for educational purposes. LDS Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific LDS, especially related to LDS, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to LDS, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some

LDS books or magazines might include. Look for these in online stores or libraries. Remember that while LDS, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow LDS eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks.

Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the LDS full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of LDS eBooks, including some popular titles.

FAQs About LDS Books

1. Where can I buy LDS books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more

expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a LDS book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you

might enjoy more of their work.

4. How do I take care of LDS books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or

online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are LDS audiobooks, and where

can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on

social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read LDS books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books

legally, like Project Gutenberg or Open Library.
