

Lap

Laura Winberry

Gun Lap Robert Wolgemuth,2021-05-25 You may think you're too old to run fast, but you're not too old to run well. When the lead runner starts his final lap in a long-distance race, the starter fires his pistol for the second time. This signals the start of the gun lap—the last chance to leave it all out on the track. “Gun Lap” is for men who are running their last lap. Or maybe younger men who are looking ahead to their gun lap, but want to live the rest of their lives with purpose and strength. This is no small thing. In fact, it's a big deal, because we only get one chance at this life. The author of the New Testament book of Hebrews agrees...wrote, “Let us run with perseverance the race marked out for us” (12:1 CSB). Perseverance. No word better describes the goal of this race...every lap...including the last one. “Gun Lap” will help you pay close attention to the strides you have left.

There's a Map on My Lap! Tish Rabe,2019-06-18 The Cat in the Hat introduces beginning readers to maps-the different kinds (city, state, world, topographic, temperature, terrain, etc.); their formats (flat, globe, atlas, puzzle); the tools we use to read them (symbols, scales, grids, compasses); and funny facts about the places they show us (“Michigan looks like a scarf and a mitten! Louisiana looks like a chair you can sit in!”).

On Mother's Lap Ann Herbert Scott,1992 A small Eskimo boy discovers that Mother's lap is a very special place with room for everyone.

Phar Lap Geoff Armstrong,Peter Thompson,2003 The book studies the many mysteries of Phar Lap's career, including the infamous shooting that occurred just days

before his great triumph in the 1930 Melbourne Cup. The book examines the way an emerging media played its part in building the legend. The authors provide an analysis of his previously unexplained death in North America and explain why Phar Lap is much more than a racehorse.

The Last Lap Peter Golenbock,2001-10-01 Stock car racing is not only the most popular sport in the country, but it's also among the most dangerous, as well. Traveling at speeds of over 200 miles per hour, drivers risk their lives every time they take the wheel. To be competitive, drivers must feel invincible. The best of them did, and lived life -- on the racetrack -- to the fullest. Their zest for life and for racing is celebrated in this powerful book. In *The Last Lap*, updated edition, best-selling author Peter Golenbock talks to racers past and present, crewmembers, and families of the legendary drivers who have passed on give us behind-the-scenes stories of NASCAR's unique heroes. Among those sharing their stories are racing legends David Pearson, Buddy Baker, Tim Flock, Marvin Panch, the families of the late Curtis Turner, the Myers brothers, Tiny Lund, Bobby Isaac, Alan Kulwicki, and Davey and Clifford Allison.

Me & Phar Lap Jan Wositzky, 2011 Tommy Woodcock spent a long lifetime with horses, but is best remembered, and loved, as the young man who strapped and looked after Australia's legendary racehorse, Phar Lap. The 1930 Melbourne Cup winner and the people's champion of the Great Depression died mysteriously - cradled by Woodcock - in the US after winning against the odds in Agua Caliente, Mexico, at his only start overseas. The horseman called Phar Lap Bobby, and knew him best. And Woodcock is fondly known, too, as the old man, who almost 50 years on, trained the gallant Reckless, second in the 1977 Melbourne Cup and winner of the other major two-mile races on the Australian turf calendar at the time, the Sydney, Adelaide and Brisbane Cups. Reckless is the same horse Woodcock let children ride at the track on race day, and was pictured with bunked down in the straw, on the front page of The Age newspaper. Woodcock's life story and his great and heart-breaking moments with Phar Lap and Reckless are told in his own down-to-earth words by a master storyteller, Jan Wositzky, in this updated and revised edition, with a new introduction.

On Santa's Lap N. K. Pockett, 2016-06-20 Santa is scary with his pot stomach and beard that God knows what's inside and his abusive name calling. I mean, he calls everyone hoes. Evelyn Monroe hates Christmas with a passion, and she vows to hate it till the day she dies. Up until she was seventeen, she was a firm believer about all things Christmas, including that Father Christmas exists. But after reality slapped her hard, all she wants to do with

Christmas spirit is to shoot it down. Christmas season drives her borderline crazy, and things just got a tad harder when an insanely hot Santa with a six-pack starts following her around. Nik McArthur a.k.a 'Santa' was busy greeting kids when he saw the Grinch in human form, albeit a prettier and more charming version. Now, he wants nothing short of her for Christmas, and he's gonna find her and turn her into his own little elf no matter how fast she runs. Between holiday parties and a Santa stalker hot on her heels, Evelyn is clearly struggling to keep up. Everything only goes off the charts hilarious when a jealous ex and a six-year- old kid whoknows way too much join the mix. Will this daft turn of events push her over the edge? Or will it make her believe in Chistmas once more? On a different note, will Nik ever discover why she hates Christmas so much? One thing's for sure, this will take a Christmas miracle to sort out. Looking for a witty yet heart-warming Christmas tale that's sure to crack you up? Join Evelyn on her most awkward Christmas as of yet, grab your copy now!

Bell Lap Laura Winberry, 2018-05-15 In bell lap, poet Laura Winberry explores her experience as a female athlete in cyclocross, a type of bicycle racing that combines pavement, wooded trails, steep hills, and obstacles. Innovative, provocative, and risky, these poems use sport as a window onto family history, the natural environment, and human strength and fragility.

The Second Lap Malcolm McLoughlin, 2015-01-21 A childhood in a small Irish town, a young adulthood managing posh pubs in London and then starting a family in Paris, France. On the surface it may sound like a perfect life trajectory. But for Malcolm McLoughlin it was also a slow descent into hell. Always an outsider, in his teenage years Malcolm thought he'd found his calling as a drummer

in an Irish rock band. But even music wasn't enough to satisfy an inner craving for acceptance. He played the drums hard and he drank hard. Never one to do anything halfway, he tried to balance his extreme drinking with extreme running, until the drinking took over, plummeting him into a downward spiral from which there seemed no escape. As the father of a young son and autistic daughter he loved dearly, he tried to keep his demons at bay through sheer willpower, but still his addiction had him staring down at an abyss that nearly took his life. The Second Lap is Malcolm's harrowing and yet triumphant story of how his faith in God pulled him back from the brink, transforming him from one more alcoholic statistic into a father and ultra-runner who now inspires thousands with his message of hope and endurance.
