

Laundry

Cindy Harris

The French Laundry Cookbook Thomas Keller,2016-10-25 DIVIACP Award Winner 2019 marks the twenty-fifth anniversary of the acclaimed French Laundry restaurant in the Napa Valley—“the most exciting place to eat in the United States” (The New York Times). The most transformative cookbook of the century celebrates this milestone by showcasing the genius of chef/proprietor Thomas Keller himself. Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller's methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from beurre monté to foie gras au torchon, to a wild and thoroughly unexpected take on coffee and doughnuts, The French Laundry Cookbook captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now re-create at home the very experience Wine Spectator described as “as close to dining perfection as it gets.”

National Laundry and Cleaning Journal ,1920

Laundry Cheryl Mendelson,2009-11-24 For Cheryl Mendelson, laundering is the best part of housekeeping. It’s full of physical pleasures—the look of favorite clothes restored to freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn’t take much time or effort. What it takes is knowledge, and Laundry is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling Home Comforts, with revised and updated information and a new introduction, Laundry is an indispensable guide to caring for all the cloth in one’s home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens. Mendelson offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-issue how-to manual, Laundry celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her grandmothers, aunts, and mother. Laundry combines the best of the traditional lore they taught her with the latest in technical and scientific information. Writing with infectious love and respect for her subject, Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering.

Laundry Day Jessixa Bagley,2017-02-07 Two bored badgers have run out of things to do until their mom suggests they help with the laundry--

The Atrocity Archives Charles Stross,2006-01-03 The first novel in Hugo Award-winning author Charles Stross's witty Laundry Files series. Bob Howard is a low-level techie working for a super-secret government agency. While his colleagues are out saving the world, Bob's under a desk restoring lost data. His world was dull and safe - but then he went and got Noticed. Now, Bob is up to his neck in spycraft, parallel universes, dimension-hopping terrorists, monstrous elder gods and the end of the world. Only one thing is certain: it will take more than a full system reboot to sort this mess out . . .

Talking Dirty Laundry with the Queen of Clean Linda Cobb,2001-03-27 The Queen provides a complete stain removal guide—and ransacks your cupboard for amazing, inexpensive spot removers including lemon juice, meat tenderizer, WD-40, lubricant, salt, shaving cream...and more! Whether you turn around family-sized wash loads seven days a week, air your dirty laundry at the local laundromat, or are among the seriously “laundry challenged,” consult the Queen for no-nonsense advice—and fabulous results! Down with laundry drudgery! Let the Queen of Clean® make wash day loads of fun! Once upon a time, in a world fraught with shrinking jeans, dry-cleaning debacles, and endangered delicates, laundry was a dreaded chore. Then one happy day, the Queen of Clean® put an end to the vicious washand-dry cycle—with her all-new collection of ingenious tips and natural solutions for stress-free washing, ironing, sorting, and stain-busting! Let the Queen show you how to: -sort laundry like a pro -remove spots, stains, scorch marks, and odors -soften hard water- and save clothes from a dull, gray fate -make your own fabric softener sheets in a snap -say good-bye to pink socks, with a foolproof colorfastness test -line-dry clothes without hanger lumps or clothespin marks -decipher those fabric care symbols on clothing tags -get the scoop on home dry-cleaning kits -discover the secrets to lint-free drying-and quick fixes for when tissues, crayons, and other foreign bodies take a spin in the dryer

Laundry Hints and Tips Cindy Harris,2005 Laundry in our grandmothers' day conjures up romantic images of sweet smelling soap suds, bright laundry blowing in the breeze, and an iron warming by the fire. Although the tasks of washing, drying, and ironing are less arduous than they once were, they are still dreaded by many - much less enjoyed. However, Cindy Harris' invaluable book shows how, with little effort, you can turn your home into a tactile heaven and transform the laundry routine from a chore into a pleasure.

The French Laundry, Per Se Thomas Keller,2020-10-27 Named a Best Book of 2020 by Publisher's Weekly Named a Best Cookbook of 2020 by Amazon and Barnes & Noble “Every elegant page projects Keller’s high standard of ‘perfect culinary execution’. . . . This superb work is as much philosophical treatise as gorgeous cookbook.” —Publishers Weekly, STARRED REVIEW Bound by a common philosophy, linked by live video, staffed by a cadre of inventive and skilled chefs, the kitchens of Thomas Keller’s celebrated restaurants—The French Laundry in Yountville, California, and per se, in New York City—are in a relationship unique in the world of fine dining. Ideas bounce back and forth in a dance of creativity, knowledge, innovation, and excellence. It’s a relationship that’s the very embodiment of collaboration, and of the whole being greater than the sum of its parts. And all of it is captured in The French Laundry, Per Se, with meticulously detailed recipes for 70 beloved dishes, including Smoked Sturgeon Rillettes on an Everything Bagel, “The Whole Bird,” Tomato Consommé, Celery Root Pastrami, Steak and Potatoes, Peaches ‘n’ Cream. Just reading these recipes is a master class in the state of the art of cooking today. We learn to use a dehydrator to intensify the flavor and texture of fruits and vegetables. To make the crunchiest coating with a cornstarch–egg white paste and potato flakes. To limit waste in the kitchen by fermenting vegetable trimmings for sauces with an unexpected depth of flavor. And that essential Keller trait, to take a classic and reinvent it: like the French onion soup, with a mushroom essence stock and garnish of braised beef cheeks and Comté mousse, or a classic crème brûlée reimagined as a rich, creamy ice cream with a crispy sugar tuile to mimic the caramelized coating. Throughout, there are 40 recipes for the basics to elevate our home cooking. Some are old standbys, like the best versions of beurre manié and béchamel, others more unusual, including a ramen broth (aka the Super Stock) and a Blue-Ribbon Pickle. And with its notes on technique, stories about farmers and purveyors, and revelatory essays from Thomas Keller—“The Lessons of a Dishwasher,” “Inspiration Versus Influence,” “Patience and Persistence”—The French Laundry, Per Se will change how young chefs, determined home cooks, and dedicated food lovers understand and approach their cooking.

The Alaskan Laundry Brendan Jones,2016-04-26 “This novel will reconvince you of the power of wilderness to heal a human heart” (Pam Houston, author of Contents May Have Shifted). Tara Marconi has made her way from Philadelphia to “the Rock,” a remote island in Alaska governed by the seasons. Her mother’s death left her unmoored, with a seemingly impassable rift between her and her father. But in this majestic, rugged frontier she works her way up the commercial fishing ladder—from hatchery assistant all the way to king crabber. Disciplined from years as a young boxer, she learns anew what it means to work, to connect, and—through an unlikely old tugboat—how to make a home she knows is her own. A testament to the places that shape us and the places that change us, The Alaskan Laundry tells one woman’s unforgettable journey in waters as far and icy as the Bering Sea, back to the possibility of love.

Home Comforts Cheryl Mendelson,2005-05-17 Home Comforts is something new. For the first time in nearly a century, a sole author has written a comprehensive book about housekeeping.

Laundry Day Sort and Play Susie Brooks,2021 Whir, beep-beeeeep... The laundry is done! Let's fill up the laundry basket so it's ready to go, sort out the fuzzy felt clothes, and choose what to wear! -- back cover.

I Can Believe in Myself Jack Canfield,Miriam Laundry,2021-02-23 A delightful but powerful story that offers children lifelong lessons about believing in themselves, bolstering their self-esteem, and turning the words I Can't into I Can! Molly has been chosen to be the next Star of the Day! Most kids would be excited. Molly, however, is terrified! She just can't speak in front of her class. She worries all day. She frets all night. I can't . . . I can't, Molly convinces herself. Or can she? I Can Believe in Myself is a book that challenges children to change the way they think. Other themes in this book include compassion, confidence, and self-esteem as Molly convinces her classmates--and even her teacher--that they can, indeed, change their perceptions and do things they never thought possible.

How to Love Your Laundry Patric Richardson,Karin Miller,2021-04-01 'A joy to read.' You Magazine 'Move over, Marie Kondo, it's all about washing not tidying in 2021 and it's down to one man - Patric Richardson.' The Times 'This slim volume, its breezy pages of tips and anecdotes, stories and, in the back, recipes, is a lovely salve. One would be very fortunate, I think, to be Richardson's friend or neighbour, to share his optimism and joy in life's seemingly small things.' Washington Post 'Look after your laundry, and your soul will look after itself.' W. Somerset Maugham Doing laundry is rarely anyone's favourite task. But to Patric Richardson, laundry isn't just fun - it's a way of life. Sorting your laundry? It's not all about whites and darks. Pondering the wash cycles? Every load, even delicates, should be washed using express or quick-wash on warm. Facing expensive dry cleaning bills? You'll learn how to wash everything - yes everything - at home. And those basically clean but pongy clothes? Richardson has a secret for freshening those too (hint: it involves your drinks cabinet). Changing your relationship with laundry can also change your life. Richardson's handy advice shows us how to save time and money (and the planet!) with our laundry - and he intersperses it all with a healthy dose of humour, real-life laundry stories, and lessons from his career in fashion. How to Love Your Laundry will make you wonder why you ever stressed about ironing, dry cleaning, or (god forbid) a red wine spill on your new shirt. No matter the issue, Richardson is here to help you make laundry miracles happen - wrinkles and stains be damned.
