Lessons Ian McEwan, 2022-09-13 NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL READ • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: *Vogue* • The New Yorker "Masterful.... McEwan is a storyteller at the peak of his powers.... One of the joys of the novel is the way it weaves history into Roland's biography.... The pleasure in reading this novel is letting it wash over you." —Associated Press When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

Survival Lessons Alice Hoffman, 2020-08-18 The New York Times–bestselling author and cancer survivor tells how to hold on to joy in times of sorrow in this “absolutely beautiful book” (Sue Monk Kidd). The prize-winning author of such modern literary classics as *Practical Magic*, *The World That We Knew*, and *The Marriage of Opposites*, Alice Hoffman is also a cancer survivor. In *Survival Lessons*, she shares her transformative journey, showing us how to re-envision our own lives and relationships with our friends and family, and the significance of the everyday choices we make. Sorrow and joy are both part of the human experience, and the beauty of the world is easy to overlook during periods of crisis, illness, or loss. Here, Hoffman offers wit, wisdom, and comfort in “an optimistic instruction manual [for] anyone struggling with self-care in a time of trouble” (Story Circle Book Reviews). “In this gem of a book, Alice Hoffman acknowledges the sorrows of life, while reminding us of its joys. *Survival Lessons* is filled with love, insight, and lots of practical advice—including a crazy-good brownie recipe.” —Will Schwalbe, New York Times–bestselling author of *The End of Your Life Book Club* “Hoffman’s storytelling artistry enlivens each intimate, thoughtfully distilled, charming, and nurturing lesson in living.” —Booklist “[*Survival Lessons*] is not about [Hoffman’s] breast cancer per se but about making choices that will improve readers’ lives and relationships and remind them ‘of the beauty of life.’” —Library Journal “Full of smart intentions and kind reminders . . . Uplifting advice we’ll gladly take.” —Better Homes & Gardens

Magic Lessons Alice Hoffman, 2021-09-07 In the 1600s, Maria was abandoned in a snowy field in rural England as a baby. Under the care of Hannah Owens, who recognizes that Maria has a gift, she learns about the 'Unnamed Arts.' When Maria is abandoned by the man who has declared his love for her, she follows him to Salem, Massachusetts. She invokes a curse that will haunt her family for generations. And she learns the lesson that she will carry with her for the rest of her life: Love is the only thing that matters.

30 Lessons for Living Karl Pillemer, Ph.D., 2012-10-30 “Heartfelt and ever-endearing—equal parts information and inspiration. This is a book to keep by your bedside and return to often.”—Amy Dickinson, nationally syndicated advice columnist Ask Amy More than one thousand extraordinary

Americans share their stories and the wisdom they have gained on living, loving, and finding happiness. After a chance encounter with an extraordinary ninety-year-old woman, renowned gerontologist Karl Pillemer began to wonder what older people know about life that the rest of us don't. His quest led him to interview more than one thousand Americans over the age of sixty-five to seek their counsel on all the big issues- children, marriage, money, career, aging. Their moving stories and uncompromisingly honest answers often surprised him. And he found that he consistently heard advice that pointed to these thirty lessons for living. Here he weaves their personal recollections of difficulties overcome and lives well lived into a timeless book filled with the hard-won advice these older Americans wish someone had given them when they were young. Like *This I Believe*, StoryCorps's *Listening Is an Act of Love*, and *Tuesdays with Morrie*, *30 Lessons for Living* is a book to keep and to give. Offering clear advice toward a more fulfilling life, it is as useful as it is inspiring.

Tuesdays with Morrie Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

House Lessons Erica Bauermeister, 2020-03-24 A Real Simple Best Book of the Year A deeply moving story of an epic home renovation in the Pacific Northwest—from New York Times–bestselling author of *The Scent Keeper* In this mesmerizing memoir-in-essays, Erica Bauermeister renovates a trash-filled house in eccentric Port Townsend, Washington, and in the process takes readers on a journey to discover the ways our spaces subliminally affect us. A personal, accessible, and literary exploration of the psychology of architecture, as well as a loving tribute to the connections we forge with the homes we care for and live in, this book is designed for anyone who's ever fallen head over heels for a house. It is also a story of a marriage, of family, and of the kind of roots that settle deep into your heart. Discover what happens when a house has its own lessons to teach in this moving and insightful memoir that ultimately shows us how to make our own homes (and lives) better. “ . . . for anyone who has wondered where home is and how to find it, fix it, love it, and leave it for later as well.” —Laurie Frankel, New York Times–bestselling author of *This Is How It Always Is*

Lessons Gisele Bündchen, 2018-10-02 The instant New York Times bestseller Supermodel and philanthropist Gisele Bündchen shares personal stories, insights, and photos to explore lessons that have helped shape her life. Gisele Bündchen's journey began in southern Brazil, growing up with five sisters, playing volleyball, and rescuing the dogs and cats around her hometown. In fact, she wanted to become either a professional volleyball player or a veterinarian. But at the age of 14, fate suddenly intervened in the form of a modeling scout, who spotted her in São Paulo. Four years later, Gisele's appearance in Alexander McQueen's memorably rain-soaked London runway show in the spring 1998 launched her spectacular career as a fashion model, and put an end to the heroin chic era of fashion. Since then, Gisele has appeared in almost 400 ad campaigns and on over 1200

magazine covers. She has walked in more than 470 fashion shows for the most influential brands in the world. Gisele has become an icon, leaving a lasting mark on the fashion industry. But until now, few people have gotten to know the real Gisele, a woman whose private life stands in dramatic contrast to her public image. In *Lessons*, she reveals for the first time who she really is and what she's learned over the past 37 years to help her live a meaningful life--a journey that takes readers from a childhood spent barefoot in small-town Brazil, to an internationally successful career, motherhood and marriage to quarterback Tom Brady. A work of great openness and vulnerability, *Lessons* reveals the inner life of a very public woman.

The Killing Lessons Saul Black, 2015-09-22 When the two strangers turn up at Rowena Cooper's isolated Colorado farmhouse, she knows instantly that it's the end of everything. For the two haunted and driven men, on the other hand, it's just another stop on a long and bloody journey. And they still have many miles to go, and victims to sacrifice, before their work is done. For San Francisco homicide detective Valerie Hart, their trail of victims—women abducted, tortured and left with a seemingly random series of objects inside them—has brought her from obsession to the edge of physical and psychological destruction. And she's losing hope of making a breakthrough before that happens. But the murders at the Cooper farmhouse didn't quite go according to plan. There was a survivor, Rowena's ten-year-old daughter Nell, who now holds the key to the killings. Injured, half-frozen, terrified, Nell has only one place to go. And that place could be even more dangerous than what she's running from. In this extraordinary, pulse-pounding debut, Saul Black takes us deep into the mind of a psychopath, and into the troubled heart of the woman determined to stop him.

Practical Magic Alice Hoffman,2002 For more than two hundred years, the Owens women had been blamed for everything that went wrong in their Massachusetts town. And Gillian and Sally endured that fate as well: As children, the sisters were forever outsiders, taunted, talked about, pointed at. Their elderly aunts almost seemed to encourage the whispers of witchery, with their musty house and their exotic concoctions and their crowd of black cats. But all Gillian and Sally wanted was to escape. One would do so by marrying, the other by running away. But the bonds they shared, even into adulthood, brought them back--almost as if by magic...
