*The Locker* Richie Tankersley Cusick, 2011-10-04 DIVA

psychic teen senses something terrible in her new high school

If you move around enough, every new school starts to look the same. But it doesn't take an hour for Marlee Fleming to realize that Edison, Missouri, has a sinister secret. There's something strange about Marlee, a power she doesn't quite understand. Certain objects make her hear and see things no one else can. This power makes her feel sick, and she wishes she knew how to make it stop. But when she opens her new locker on her first day in Edison, she hears screaming so loud she nearly passes out.

Marlee's new friends—talkative Noreen, handsome Tyler, and bad-boy Jimmy Frank—say the locker belonged to Suellen Downing, a student who vanished the year before. Marlee doesn't want to get involved with small town mysteries; she just wants to keep her head down and do her work. But Suellen calls to her every time she opens her locker, and she cannot ignore the cries of the dead.

This ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection.

Under Locker and Key Allison K. Hymas, 2017-04-18 Eleven-year-old Jeremy Wilderson teams up with his rival crime fighter to stop the stealing spree that's wreaking havoc on Scottsville Middle School in this action-packed MAX novel. Jeremy Wilderson is not a thief. In fact, he is his middle school's one and only retrieval specialist. Confiscated cell phones, stolen lunch money—he'll discretely retrieve it before the last bell rings. Business is good,

and if it weren't for the meddling of preteen private investigator Becca Mills, he'd be happier than a gym teacher on dodgeball day. But a new job shatters his comfortable lifestyle. Now, thanks to Jeremy, the master key to the schools' lockers is in the hands of an aspiring crime kingpin who doesn't exactly have Jeremy's strong moral character. Soon not even combination locks can protect the students' textbooks and jackets. Retrieving the key is too big a job for one crime fighter, and only one person wants the key returned as much as Jeremy does: Becca Mills. Lockers are being robbed, the teachers are looking for the culprit, and the only person Jeremy can turn to is the girl who most wants to see him in the principal's office. Will Jeremy be able to trust Becca enough to get the key back in the right hands? Or could he end up in detention until the end of high school instead?

**The Locker Exchange** Ann Rae, 2022-07-12 For Westwood senior Brynn Cadence, high school drama is taken to a whole new level when she discovers the dead body of a classmate on the football field one Friday night. When she tells the police she saw a masked figure fleeing up the bleachers, they dismiss her and label the death accidental. With no one believing what she saw, Brynn's internal walls start to go up. But there's one wall she has no

control over—the one that separates her and Kyler Fellan’s gym lockers. That’s right, Brynn opens her locker only to find herself face-to-face with the shirtless abs of the school’s star football player and resident flirt. While not an unwelcome surprise, Brynn knows she should leave her fluttering feelings for Kyler on the locker room floor in order to focus on exposing the truth of her classmate’s death. But Kyler’s top jock status has made him privy to some potentially useful gossip, making him a helpful and trustworthy partner in her investigation. As two find themselves delving deeper into the case, they are inevitably drawn closer to each other—even if that isn’t safe for either of them.

The Locker Adrian Magson, 2016-01-08 Hello, Nancy. You're at your usual locker at Fitness Plus. The time is 09:15. Your cell phone is dead, your home phone won't answer and your daughter, Beth, is home with the nanny. It will take you 18 minutes to get home. If you drive fast. Shame. You're already 18 minutes late... The kidnappers' only stipulation is that Nancy must tell her husband, Michael. Her only problem is, she doesn't know where he is. But she recalls him mentioning a number she should call if anything unusual happens. This triggers a Code Red at specialist security company Cruxys Solutions, who send investigators Ruth

Gonzales and Andy Vaslik to track him down. But they can't find a single trace of him. What do you do when a child's life depends on finding a man who doesn't seem to exist? Praise: Readers who enjoy Harlan Coben and Joseph Finder will happily get lost in the nightmare presented here.—Booklist [An] intriguing and inventive plot.—Mystery Scene Magson is arguably one of the most entertaining writers of British spy fiction currently operating. **The Locker Notes** Mike Derrico,2021-10-26 The 1970s...Suburbia...Peer Pressure...Drugs...Politics...Pathetic School Crushes...and a Whole Lotta Rock & Roll! On the eve of his sixth

grade year at the Cypress Elementary School, Eugene Devine flashes back to early childhood, and all of the traumatizing absurdities that have made him into the shy, timid and neurotic kid that he has become. Caught between fear and the increasing need to be cool, Eugene sketches his encounters with the friends, villains and outlandish characters of the small suburban town of Oakwoods during the 1970s. Inspired by the author's memories of growing up in the suburbs of New Jersey, THE LOCKER NOTES is written in the tradition of The Wonder Years and A Christmas Story. It is suburban life before the Internet, video games, cell phones and social media. Depicting the paranoia of an overprotected child all too aware of the bad kids, THE LOCKER NOTES unfolds before the backdrop of the music, movies, television, fashion, sports, politics and world events of the Seventies...all seen through the eyes of a child during simpler yet turbulent times that are marked by an ever-present sense that something inevitably horrible is just around the corner. The Locker Notes...Every generation lives at the end of the world.

A Better Locker Adrienne Matteson, 2019-01-01 How could a smarter locker make life easier for the kids in your school? Great inventors use a process called design thinking to help them identify problems, big and small, and create solutions for them. This book introduces readers to design thinking and asks them to look at their locker (the pros and cons of it) in a specific way to figure out how to improve it. Design thinking fosters innovation, creativity, and even empathy--essential learning for students. Book includes table of contents, glossary of key words, index, author biography, sidebars, infographics, and instructions.

**The Locker Room** Timothé Le Boucher, 2021-02-23 It is a place where savagery knows no bounds. A place where foggy glass windows house a ruthless social hierarchy. A place where no one is truly safe. They call this place...the locker room. As teen boys discover a renovated locker room at their school, it becomes the nexus of genuinely life-altering events. Body shaming, bullying, and the cruelty of prying eyes are only the tip of the iceberg inside this cauldron of hormones and developing adolescent minds. Akin to

the horrors of Lord of the Flies, The Locker Room explores a micro-society without boundaries in which only the strongest survive.
