In Tune with God Lilianne Doukhan,2010 Worship and music have been intimately connected since biblical times. Yet music in worship has become a point of contention-a great chasm separating the young and the not-so-young, the conservative and the liberal, and, quite possibly, the members of the church you attend. Is there a solution to this ongoing battle? Are there really certain styles of music that are good and others that are bad? How are we to honor God with our diverse musical tastes and talents? Lilianne Doukhan takes on this sensitive issue with a remarkable combination of finesse and refreshing candor. Building upon the foundation of what music is and what it is not, she explores the experience and meaning of music, its history down through the centuries, the current challenges of music ministry, and the genuine role of music as a component of worship. Book jacket.

Worship Foundry Jamie Harvill,2013-10 Great musicians and worship leaders are in high demand in the church today, but to be effective, they must first have the necessary tools, including theological, musical, and technical training. Worship Foundry is a self-contained mentorship program in book form, to help train and equip worshipers and leaders alike. Its pages encompass just about everything a successful, modern worship leader must have in their toolbox, including help with: Becoming a strong, servant-leader with a solid connection to the heart of God Operating out of an effective mission and vision for ministry Choosing great teams; attracting and keeping worship ministry volunteers Developing effective, God-focused worship services that engage the congregation, leading to a one-on-one God-encounter Choosing effective worship songs; working with and arranging for the band, vocals and choir; creating flow in the worship set Leading an effective rehearsal; raising up future leaders through mentoring, and much more! A foundry is a factory that produces metal castings. Worship Foundry is not a factory, but rather a course through which worship leaders, ministers, and musicians of all ages can be shaped, formed by the hand of God, purified with fire, and made into vessels for the Holy Spirit to use in a world that sorely needs Jesus.

Fire and Fragrance Andy Byrd,Sean Feucht,2010-09-01 I have come to cast fire upon the earth; and how I wish it were already kindled! (Luke 12:49 NASB) Passionately devoted to revival and reformation, the authors vividly describe the perspective that God is giving to a generation, the power He is releasing, and the potential of a people set ablaze for God. Exciting new areas of discovery include: A lifestyle of living in the confluence of prayer/worship and mission Perspective of what God is doing today and what we are on the verge of. Living a lifestyle of holiness that pleases God and sustains revival and reformation. God is releasing a groan for fervent prayer and a devotion to unabashed worship that leads to simple service and great exploits . Fire and Fragrance is a call to action for a new generation of zealots. From the American heartland, to Nepal, to almost all points between, you will explore lands and realms beyond imagination. For over 2,000 years, fire has been poured out across the earth and is raging now like never before. This fire is filling a people who are fascinated with the beauty of Jesus, whose hearts are in sync with the yearnings of His heart, and who will give their lives to see the fragrance of Christ spread to every remote corner of Earth!

Timeless--Ancient Psalms for the Church Today, Volume Three Mark R. Shipp,2023-05-30 A Psalter/Commentary combining in-depth study of Psalms 90–150 with 140 new songs. This volume, encompassing Psalms 90–150, is the final volume of the series. Volume one covered Psalms 1–41, and volume two incorporated Psalms 42–89. The intent of this series is not to produce technical volumes; rather, they are intended for use by church leaders, ministers, informed lay persons, and Bible teachers to obtain basic understanding of some of the concerns and issues found in a particular psalm, and go from there to an application of the psalm for present-day worship in song. For each psalm there is a translation, treatment of its structure and theology, and then two or more musical settings. This variety demonstrates several ways of bringing the Psalms into Christian worship. Most of the music in Timeless is intended for congregational singing. Timeless is an ecumenical and international project. While having its origin in the a cappella tradition of Churches of Christ, the book is based on the conviction that all Christian communions share the original hymnbook of the second temple and the church. The editor, therefore, has solicited commentaries, compositions, and lyrics from a broad range of Christian traditions.
