The Big Book of Maker Skills Chris Hackett,The Editors of Popular Science,2014-11-04 This ultimate guide for tech makers covers everything from hand tools to robots plus essential techniques for completing almost any DIY project. Makers, get ready: This is your must-have guide to taking your DIY projects to the next level. Legendary fabricator and alternative engineer Chris Hackett teams up with the editors of Popular Science to offer detailed instruction on everything from basic wood- and metalworking skills to 3D printing and laser-cutting wizardry. Hackett also explains the entrepreneurial and crowd-sourcing tactics needed to transform your back-of-the-envelope idea into a gleaming finished product. In *The Big Book of Maker Skills*, readers learn tried-and-true techniques from the shop classes of yore—how to use a metal lathe, or pick the perfect drill bit or saw—and get introduced to a whole new world of modern manufacturing technologies, like using CAD software, printing circuits, and more. Step-by-step illustrations, helpful diagrams, and exceptional photography make this book an easy-to-follow guide to getting your project done.

The Magnum Opus Christopher Kezelos,Christine Kezelos,2016-12-13 The *Magnum Opus* is inspired by the multi-award-winning short film, *The Maker*. Watch it here: <http://bit.ly/WatchTheMaker> Synopsis: In a time and world long ago forgotten, there existed an enchanted workshop. Within its walls, a magical creature called a 'Maker' busily created the next of his kin. Upon completion, the creator was whisked away to join the rest of the Maker community. Meanwhile, their progeny was left alone to create the next Maker in a never-ending cycle of creation. That was, until the day an offbeat Maker named Ario was unable to complete 'The Making' and broke their sacred chain of existence. Wracked with guilt, Ario embarked on a quest to right his wrong, but what he discovered was far more monstrous and miraculous than anyone ever imagined. A Craftsman's Legacy Eric Gorges,Jon Sternfeld,2019-05-07 A book for makers, for seekers of all kinds, an exhilarating look into the heart and soul of artisans—and how their collective wisdom can inspire us all. Despite our technological advances, we're busier than ever, our lives more frazzled. That's why the handmade object, created with care and detail, embodying a history and a tradition, is enormously powerful. It can cut through so much and speak in ways that we don't often hear, or that we've forgotten. —Eric Gorges, from *A Craftsman's Legacy* In this joyful celebration of skilled craftsmen, Eric Gorges, a corporate-refugee-turned-metal-shaper, taps into a growing hunger to get back to what's real. Through visits with fellow artisans—calligraphers, potters, stone carvers, glassblowers, engravers, woodworkers, and more—many of whom he's profiled for his popular television program, Gorges identifies values that are useful for all of us: taking time to slow down and enjoy the process, embracing failure, knowing when to stop and when to push through, and accepting that perfection is an illusion. Most of all, *A Craftsman's Legacy* shows how all of us can embrace a more creative and authentic life and learn to focus on doing what we love.

*Hero Maker* Dave Ferguson,Warren Bird,2018-03-13 In *Hero Maker*, you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential. Drawing on five powerful practices found in the ministry of Jesus, *Hero Maker* presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can: activate the gifts of those around you help others take ownership of their mission develop a simple scorecard for measuring your kingdom-building progress With rich insights from the Gospels, *Hero Maker* is packed with real-life ministry stories ranging from paid staff to volunteer leaders--from established churches to new church plants. Whether you lead ten people or ten thousand, *Hero Maker* will not only help you maximize your leadership impact; but, in doing so, you will also help shift today's church culture to a model of reproduction and multiplication. Chicago pastor and church planter Dave Ferguson and award-winning writer Warren Bird make a compelling case that God's power and purpose are best revealed when we train and release others to further advance the Kingdom of God. By becoming a hero maker and investing in others, you can join a movement of influencers that are impacting thousands of people around the world. Everybody wants to be a hero, but few understand the power of being a hero maker.

Makers Chris Anderson,2012-10-02 3D Robotics co-founder and bestselling author Chris Anderson takes you to the front lines of a new industrial revolution as today's entrepreneurs, using open source design and 3-D printing, bring manufacturing to the desktop. In an age of custom-fabricated, do-it-yourself product design and creation, the collective potential of a million garage tinkerers and enthusiasts is about to be unleashed, driving a resurgence of American manufacturing. A generation of "Makers" using the Web's innovation model will help drive the next big wave in the global economy, as the new technologies of digital design and rapid prototyping gives everyone the power to invent--creating "the long tail of things".

*The Echo Maker* Richard Powers,2007-04-01 Winner of the National Book Award From the Pulitzer Prize-winning author of *The Overstory* and the Oprah's Book Club selection *Bewilderment* comes Richard Powers's *The Echo Maker*, a powerful novel about family and loss. "Wise and elegant . . . The mysteries unfold so organically and stealthily that you are unaware of his machinations until they come to stunning fruition . . . Powers accomplishes something magnificent." —Colson Whitehead, *The New York Times Book Review* On a winter night on a remote Nebraska road, twenty-seven-year-old Mark Schluter has a near-fatal car accident. His older sister, Karin, returns reluctantly to their hometown to nurse Mark back from a traumatic head injury. But when Mark emerges from a coma, he believes that this woman—who looks, acts, and sounds just like his sister—is really an imposter. When Karin contacts the famous cognitive neurologist Gerald Weber for help, he diagnoses Mark as having Capgras syndrome. The mysterious nature of the disease, combined with the strange circumstances surrounding Mark's accident, threatens to change all of their lives beyond recognition. In *The Echo Maker*, Richard Powers proves himself to be one of our boldest and most entertaining novelists.

*Alvin Journeyman* Orson Scott Card,1996-09-15 Alvin Miller, a gifted seventh son of a seventh son, utilizes his skills as a Maker to help create a brighter future for America, but his task is further challenged by his ancient enemy, the Unmaker, who plots to end Alvin's life

*Maker Lab* Jack Challoner,2016-07-05 Build, create, invent, and discover 28 awesome experiments and activities with Maker Lab. Created in association with the Smithsonian Institution and supporting STEAM education initiatives, Maker Lab has 28 kid-safe projects and crafts that will get young inventors' wheels turning and make science pure fun. Explaining science through photographs and facts that carefully detail the why and how of each experiment using real-world examples to provide context, each activity is appropriate for kids ages 8-12 years old and ranked easy, medium, or hard, with an estimated time frame for completion. Requiring only household materials, young makers can build an exploding volcano, make bath fizzies, construct a solar system, make an eggshell geode, and more. With a foreword by Jack Andraka, a teen award-winning inventor, Maker Lab will help kids find their inner inventor to impress friends, family, and teachers and create winning projects for science fairs and school projects.

Maker Camp Delanie Holton-Fessler,2021-02-23 Classic and innovative hands-on projects for kids ages 3 and up designed to teach both heritage skills and how to think creatively. Handcraft is part of human nature: we build, we create, we innovate. The 20+ projects

in this book from an experienced art educator weave a story of human innovation and creativity, from the very beginnings of building shelters in the woods to tinkering with recycled materials. Heritage skills teach children how to be independent and capable makers; fiber and wood projects offer rewarding crafts that also teach planning, preparation, and safe risk taking; and tinkering activities connect the low-tech process of making and doing with innovation. From soap carving and knot tying to building toy cars and junk robots, this book brings the fun of making things with your hands to young kids and links skills of the past with the present. The book also explores how to set up a maker space and teaches foundational workshop practices that can easily be applied to the home studio. Each project offers extensions for different ages and abilities and provides guiding questions to enrich the experience for both the maker (teacher/parent) and the apprentice (child) to encourage and celebrate creative, practical play.

**The Maker** Tamara Maynes,2017-09-05 The act of creating the treasures you use to adorn your home takes the space to a deeper level; it goes beyond collecting, beyond decorating. The Maker is a gorgeously illustrated love letter to creating an intimate, well-designed, and handmade home. With sections on wall art, textiles, ceramics, lighting, and furniture, designer Tamara Maynes presents beautiful homes that showcase the personality and warmth that a cozy, quilted wall hanging or an organically shaped piece of stoneware can add to a room. Each chapter closes with a simple DIY project, plus an interview with a high-profile maker. Projects like a metalwork wall hanging, a woven table runner, and a no-fire clay bowl expose readers to the fundamentals of making—and will inspire them to create exciting works of their own.

**Free to Make (Dyslexic Edition)** DALE DOUGHERTY AND ARIANE. CONRAD,Dale Dougherty,Tim O'Reilly,2017 Dale Dougherty, creator of MAKE: magazine and the Maker Faire, provides a guided tour of the international phenomenon known as the Maker Movement, a social revolution that is changing what gets made, how its made, where its made, and who makes it. Free to Make is a call to join what Dougherty calls the Brenaissance of making, an invitation to see ourselves as creators and shapers of the world around us. As the internet thrives and world-changing technologies like 3D printers and tiny microcontrollers become increasingly affordable, people around the world are moving away from the passivity of one-size-fits-all consumption and command-and-control models of education and business. Free to Make explores how making revives abandoned and neglected urban areas, reinvigorates community spaces like libraries and museums, and even impacts our personal and social development fostering a mindset that is engaged, playful, and resourceful. Free to Make asks us to imagine a world where making is an everyday occurrence in our schools, workplaces, and local communities, grounding us in the physical world and empowering us to solve the challenges we face.

**Heartfire** Orson Scott Card,2010-04-01 The bestselling Orson Scott Card's The Tales of Alvin Maker series continues with Heartfire Peggy is a Torch, able to see the fire burning in each person's heart. She can follow the paths of each person's future, and know each person's most intimate secrets. From the moment of Alvin Maker's birth, when the Unmaker first strove to kill him, she has protected him. Now they are married, and Peggy is a part of Alvin's heart as well as his life. But Alvin's destiny has taken them on separate journeys. Alvin has gone north into New England, where knacks are considered witchcraft, and their use is punished with death. Peggy has been drawn south, to the British Crown Colonies and the court of King Arthur Stuart in exile. For she has seen a terrible future bloom in the heartfires of every person in America, a future of war and destruction. One slender path exists that leads through the bloodshed, and it is Peggy's quest to set the world on the path to peace.
