The Mall Richie Tankersley Cusick, 2011-10-04 There's a stalker on the loose at the mall—and there's no safe place to hide Working at the mall is supposed to be fun. Trish's job at Muffin-Mania is hardly intellectually challenging and her boss is a piece of work, but it's worth it to have a job in the same building as her two best friends, the Hanson twins. And the hot guys who hang out there are an added bonus. But something isn't right about this mall. It's the oldest mall in the state, remodeled over a dozen times without rhyme or reason, and there are many strange nooks and secret passages behind the bright gleaming storefronts. Someone has been stealing housewares, furniture, and food, and now a mysterious man with ash-gray hair and a whisper-soft voice has started harassing Trish on the phone. He knows her secrets, and he has dark plans for her. This ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection.

Shopping Mall Matthew Newton, 2017-09-07 Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. The mall near Mat thew Newton's childhood home in Pittsburgh, Pennsylvania, was one of the state's first enclosed shopping malls. Like all malls in their heyday, this one was a climate-controlled pleasuredome where strangers converged. It boasted waterfalls, fish ponds, an indoor ice skating rink larger than Rockefeller Center's, and a monolithic clock tower illuminated year-round beneath a canopy of interconnected skylights. It also became the backdrop for filmmaker George A. Romero's zombie opus Dawn of the Dead. Part memoir and part case study, Shopping Mall examines the modern mythology of the mall and shows that, more than a collection of stores, it is a place of curiosity, ritual, and fantasy. Object Lessons is published in partnership with an essay series in The Atlantic.

The Shopping Mall Beverley Randell, 1995 Shows a trip to the shops. Suggested level: junior.

The Mall Megan McCafferty, 2020-07-28 New York Times bestselling author Megan McCafferty returns to her roots with this YA coming of age story set in a New Jersey mall. The year is 1991. Scrunchies, mixtapes and 90210 are, like, totally fresh. Cassie Worthy is psyched to spend the summer after graduation working at the Parkway Center Mall. In six weeks, she and her boyfriend head off to college in NYC to fulfill The Plan: higher education and happily ever after. But you know what they say about the best laid plans... Set entirely in a classic "monument to consumerism," the novel follows Cassie as she finds friendship, love, and ultimately herself, in the most unexpected of places. Megan McCafferty, beloved New York Times bestselling author of the Jessica Darling series, takes readers on an epic trip back in time to The Mall.

The Unofficial Guide to Mall of America Beth Blair, 2016-07-19 The Unofficial Guide to Mall of America is the first of its kind. Never before has a guidebook been written about the Mall of America. The Unofficial Guide to Mall of America enhances visitors' experiences by assisting them through the entire process, from finding the right hotel and making the decision whether or not to rent a car or use the hotel shuttle. The various attractions are laid out and analyzed so that Mall of America-goers can decide what activities will enhance their experiences and which are simply tourist traps. In addition to ranking and describing the stores and restaurants, The Unofficial Guide to Mall of America, by Beth Blair, offers insight and tips that will not only make the visit fun for those looking for a general Mall of America experience but will also highlight things for people with special interests.

El Mall Arlene Dávila, 2016-01-05 While becoming less relevant in the United States, shopping malls are booming throughout urban Latin America. But what does this mean on the ground? Are shopping malls a sign of the region's "coming of age"? El Mall is the first book to answer these questions and explore how malls and consumption are shaping the conversation about class and social inequality in Latin America. Through original and insightful ethnography, Dávila shows that class in the neoliberal city is increasingly defined by the shopping habits of ordinary people. Moving from the global operations of the shopping mall industry to the experience of shopping in places like Bogotá, Colombia, El Mall is an indispensable book for scholars and students interested in consumerism and neoliberal politics in Latin America and the world.

The National Mall Lisa Benton-Short, 2016-08-12 The National Mall in Washington, D.C. is one of the most important and highly visible urban public spaces in the U.S. It is considered by many Americans to be "the nation's front yard." Yet few have written about the role of this public space in the twenty-first century. In The National Mall, Lisa Benton-Short explores the critical issues that are redefining and reshaping this extraordinary public space. Her work focuses on three contemporary and interrelated debates about public space: the management challenges faced by federal authorities, increased demands for access and security post 9/11, and the role of the public in the Mall's long-term planning and development plans. By taking a holistic view of the National Mall and analyzing the unique twenty-first century challenges it faces, Lisa Benton-Short provides a fluid, cohesive, and timely narrative that is as extraordinary as the Mall itself.

Mall Eric J. McConnell, 2021-09-20 This shopping trip is endless. During a quick trip to his local shopping mall to get his phone fixed, Luke Chesterfield is thrust into chaos when a nuclear bomb is detonated over his hometown. Thanks to Cold War era defenses, Luke and a handful of shoppers survive the ordeal but are trapped inside the mall, isolated with only the resources available within the various retailers to navigate their new existence. Jack Jay, a handsome and confident electronics store technician, catches Luke's eye, but their budding attraction is put on hold when Luke unearths a conspiracy among the mall's higher-ups to pick off those who remain trapped inside. Luke, Jack, and a ragtag team of other survivors, including a department store cashier with a proclivity for weaponry, band together to uncover the secrets and eliminate the threat. everyone in their newfound group of friends will survive.

THE MAN IN THE MALL PAUL BARROWS,2005-07-18 The Man in the Mall is a book that is designed to supply solutions to an age-old problem that continues to go unresolved. The problem being that there are a lot of women who complain about the fact their man doesn't like to shop at the mall with them or anyone else for that matter! Most of the women that I spoke to came across as very annoyed and frustrated when it came to getting their man in the mall. This anger was the result of year after year of trying to get him to go shopping with her, resulting in her going to the mall by herself. All that any of these women wanted to do was to share this- outside- the- home activity with the man in their life. What a concept!This book attempts to show the highlights and lowlights of the dilemma that the shopping mall has been over the years. What few highlights that the mall has had on relationships between men and women are far out weighed by the negative ones. The history behind this battle goes back to the 60''s when the mall experience started expanding across the country. There are many things that the malls did which resulted in turning men off from shopping. It's this cause and affect that we will be delving into throughout The Man in the Mall. There are many parts to this amalgam that we commonly refer to as the shopping mall syndrome and history would indicate that it requires a multitude of solutions to remedy. This book will reveal the solutions to such questions about going to the mall such as: When do we go? Should just the two of us go together? What size mall, and what type of store? How long should I keep him there? How do I plan this trip to the mall? Does it matter if the mall is close or far away? What department should I take him to when we get there? Is it all right to include the mall with something else? What do I do if I need a babysitter? Do I need to leave him alone, or do I stay with him? Who should drive the first time?
