The Maze Nelson DeMille, 2022-10-11 #1 New York Times bestselling author Nelson DeMille returns with a “genuinely thrilling” (The New York Times) suspense novel featuring his most popular series character, former NYPD homicide detective John Corey, called out of retirement to investigate a string of grisly murders much too close to home. Nelson DeMille introduced readers to NYPD Homicide Detective John Corey in *Plum Island*, who we first meet sitting on the back porch of his uncle’s waterfront estate on Long Island, recovering from wounds incurred in the line of duty. Six novels later, *The Maze* opens with Corey on the same porch, having survived new law enforcement roles and

romantic relationships—wiser and more sarcastic than ever. Corey is restless and looking for action, so when his former lover Detective Beth Penrose appears with a job offer, Corey has to once again make some decisions about his career—and about reuniting with Beth. Inspired by and based on the actual and still-unsolved Gilgo Beach murders, *The Maze* takes us on a dangerous hunt for an apparent serial killer who has murdered nine—and maybe more—sex workers and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case, he comes to suspect that the failure of the local police to solve this sensational mystery may not be a result of their incompetence—it may be something else. Something more sinister. *The Maze* features John Corey's politically incorrect humor, matched by his brilliant and unorthodox investigative skills, along with the shocking plot twists that are the trademark of the bestselling author Nelson DeMille, "the master of smart, entertaining suspense" (Bookreporter).

Follow This Thread Henry Eliot, 2019-03-05 Beautifully designed and gorgeously illustrated, this immersive, puzzle-like exploration of the history and psychology of mazes and labyrinths evokes the spirit of Choose Your Own Adventure, the textual inventiveness of Tom Stoppard, and the philosophical spirit of Jorge Luis Borges. Labyrinths are as old as humanity, the proving grounds of heroes, the paths of pilgrims, symbols of spiritual rebirth and pleasure gardens for pure entertainment. Henry Eliot leads us on a twisting journey through the world of mazes, real and imagined, unraveling our ancient, abiding relationship with them and exploring why they continue to fascinate us, from Kafka to Kubrick to the myth of the Minotaur and a quest to solve the disappearance of the legendary Maze King. Are you ready to step inside?
