Me Elton John, 2019-10-15 In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life. Me is the joyously funny, honest and moving story of the most enduringly successful singer/songwriter of all time. The Sunday Times bestseller with a new chapter bringing the story up to date. 'The rock memoir of the decade' - Daily Mail 'The rock star's gloriously entertaining and candid memoir is a gift to the reader' - Sunday Times _____ Christened Reginald Dwight was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with songwriting partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In Me Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend. _____ 'Self-deprecating, funny . . . You cannot help but enjoy his company throughout, temper tantrums and all' - The Times 'Racy, pacy and crammed with scurrilous anecdotes - what more could you ask from the rocket man' - Guardian (Book of the Week) 'Chatty, gossipy, amusing and at times brutally candid' - Telegraph

Paige Britt, 2017-08-29 This loving ode to our shared humanity is the perfect introduction to conversations about identity and Anti-Racism.* Will invite the book's audience to grapple with themes of individuality, diversity, universality, and what it means to be human. -- The Horn Book, starred review Loved it. -- Jacqueline Woodson, former Ambassador of Young People's Literature Presented as a thoughtful, poetic exchange between two characters -- who don't realize they are thinking and asking the very same questions -- this beautiful celebration of our humanity and diversity invites readers of all ages to imagine a world where there is no you or me, only we. If the first step toward healing the world is to build bridges of empathy and celebrate rather than discriminate, Why Am I Me? helps foster a much-needed sense of connection, compassion, and love.

Stop Calling Me Christian Josh Nelson, 2018-11-15 The word Christian has many connotations, and depending on one's personal beliefs and experiences, they may be positive or negative. Regardless, we must acknowledge that it has become an extremely polarizing word today. In *Stop Calling Me Christian*, author Josh Nelson shares his personal story of faith, where he went from a so-called "Christian" to a man truly dedicated to honoring Christ and applying the gospel in his life. Introducing us to the notion of Phariseeism—a disease of the heart and mind that can leave godly believers blind, hopeless, and standing on a weakened faith—Josh shows how this disease can be cured through listening to and truly hearing God's Word. And by learning about the path of authentic discipleship, you too can discover the life in Jesus that you always desired. Many of us believe we are living the good Christian life, yet there is a reason why our prayers may seem to go unanswered, as if God is not there. But he is always with us, and we must

make it the focus of our lives to seek him and reflect the character of his son.

Promise Me a Million Times Keshav Aneel, Believing that life always gives us all a second chance is too bookish a thought. Because sometimes, by the time we finally realize our faults and true potential, times have changed dramatically. Like a couple of migratory birds, both Charlie and Edwin leave everything back in their village and settle for a new life in the big city. For Edwin, it was where he was going to chase his dreams of becoming an actor; but for Charlie, it was just another place to be with his only friend, to help him accomplish his dreams. However, life seemed to have different plans as it throws Charlie in Aster's way, who was silently walking through instabilities of her own destiny. He could never have guessed, but he was in for an absolute unthoughtful phase of profoundness, which was going to last forever. *Promise me a Million Times* is a story of dreams, friendship, struggles and a will to make up for every loss with love by your side.

How the World Has Impacted Me! Junior S. Jackson, 2013-08-07 When asked what my book was about, I would almost instantly blurt out self-help; but as the book was coming to an end, I realized that the book was more than just a self-help book. This book is a product of the world and all the people in it. While writing, I knew I wanted to make people feel good about where they were in their lives and where they dream to be. And I believe I did that. This book takes the reader all over the place. African American history, peoples personal struggles, and just plain old encouragement will be discussed in this book. And I even take it a step further by sharing my personal struggles with everyone. This book should uplift all the readers, and I hope it does just that. So enjoy, and thank you for the support.

Love Me Tender Ally Blake, 2015-10-12 It was love at first sight... When her Papa loses his job, indomitable Serafina Scott insists it's her turn to take care of him - meaning landing a well-paying job...and fast. Which is how she ends up working for the Cinderella Project, a high-end matchmaking business, even though she's certainly no expert on affairs of the heart. Until she meets Murdoch, the gruff builder restoring her extravagant new work place.

He's inscrutable, infuriating, and gorgeous... Convincing them was a whole other matter. Murdoch finds Sera confounding...and luminous. But beneath her firecracker exterior, she is dangerously soft-hearted, and the last thing she needs is a broken brute like him. While Sera does her best to convince Murdoch that they are a match made in heaven, Murdoch makes it his mission to prove her wrong. Will it come down to who's the most convincing...or who's most willing to be convinced?
