**When Populism Meets Nationalism** Alberto Martinelli,2019-03-27 In Europe and beyond, today populism is alive and kicking. Over the past few years, anti-establishment parties have made substantial strides. Some of them have reached the levers of governments, while others are consolidating their gains.Being a “thin” ideology, populism is being contaminated by nationalism. This book offers a number of case studies on those countries whose governments have been labelled “national-populist”. Ranging from Italy to the United States, from the Visegrad countries to Turkey, Russia, and Latin America, this Report aims to single out what all these cases have in common, but also what sets them apart from each other.

**Where River Meets Sea** Lynne Turner,Dieter Tracey,Jan Tilden,William C. Dennison,2006-03-17 Estuaries are dynamic coastal waterways where salt and fresh water mix. Where River Meets Sea describes the value and status of Australia's 974 estuaries and takes readers on a state-by-state tour describing the health, geography, science, management and ecological functions of these unique coastal waterways. It includes profiles of people and their relationships with estuaries. The book's many photographs, maps, case studies and diagrams will help Australians to better understand, appreciate and wisely use these natural areas. Chapters on natural history, coastal science and management give an understanding of our vast network of pristine and heavily modified estuaries – from isolated tide-dominated estuaries in Australia's tropical north to those shaped by waves in southern, temperate waters. Other chapters show how people use and value coastal catchments and waterways, the impacts of human development on natural ecosystems, and how estuaries can be better managed in future. Where River Meets Sea aims to provide Australians with a deeper appreciation of our coastal waterways that are both vital for our economy and precious to our quality of life. This is a re-issued version of the original work published by the CRC for Coastal Zone Estuary and Waterway Management in 2004,

Every time he looks out his window it’s a constant reminder of the stories his grandfather told him about the place where the ocean meets the sky. Where whales and jellyfish soar and birds and castles float. Finn’s grandfather is gone now but Finn knows the perfect way to honor him. **The Next Person You Meet in Heaven** Mitch Albom,2018-10-09 In this enchanting sequel to the #1 bestseller The Five People You Meet in Heaven, Mitch Albom tells the story of Eddie’s heavenly reunion with Annie—the little girl he saved on earth—in an unforgettable novel of how our lives and losses intersect. In Mitch Albom’s beloved novel, The Five People You Meet in Heaven, the world fell in love with Eddie, a grizzled war veteran-turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie’s journey to heaven taught him that every life matters. Now, in this magical sequel, Albom reveals Annie’s story. The accident that killed Eddie left an indelible mark on Annie. It took her left hand, which needed to be surgically reattached. Injured, scarred, and unable to remember why, Annie’s life is forever changed by a guilt-ravaged mother who whisks her away from the world she knew. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she believes she has finally found happiness. As the novel opens, Annie is marrying Paulo. But when her wedding night day ends in an unimaginable accident, Annie finds herself on her own heavenly journey—and an inevitable reunion with Eddie, one of the five people who will show her how her life mattered in ways she could not have fathomed. Poignant and beautiful, filled with unexpected twists, The Next Person You Meet in Heaven reminds us that not only does every life matter, but that every ending is also a beginning—we only need to open our eyes to see it.
