Memoria Kristyn Merbeth,2020-12-08 Two planets are on the brink of war in Memoria, the thrilling second book in an action-packed space opera trilogy, The Nova Vita Protocol. The Kaiser Family helped the Nova Vita system avoid a catastrophic multi-planet war, one that the Kaisers might have accidentally caused in the first place. In their wake, two planets have been left devastated by ancient alien technology. Now, the Kaisers try to settle into their new lives as tenuous citizens of the serene water planet, Nibiru, but Scorpia Kaiser can never stay still. So, she takes another shady job. One that gives her a ship where spaceborn like her belong. But while Scorpia is always moving forward, Corvus can't seem to leave his life as a soldier behind. Every planet in the system is vying to strip his razed home planet Titan of its remaining resources, and tensions are high. The Kaisers will need to discover the truth behind what happened on Gaia and Titan, or Corvus will be forced again to fight in an unwinnable war -- and this time, all of Nova Vita is at stake. The Book of the Ancient World Dorothy Mills,2007-12 The Book of the Ancient World is an account of our common heritage from the dawn of civilization to the coming of the Greeks. It is the story of how human beings began their great adventure of learning how to live; of how they have sought to satisfy the practical needs of their bodies, the questioning of their minds, and the searching of their spirits. To this end it subordinates details of political events to the record of things

that lie at the foundation of our modern civilization. Dorothy Mills had an uncanny and unique ability to write history that is interesting and at the same time based on sound scholarship. Her direct, engaging approach is valued increasingly by the many parents in our day who are looking for reliable materials for home study, as well as by many private school educators. The highly-prized six volumes of her historical works (see below) have become very scarce on the used book market, and so Dawn Chorus has undertaken to reprint them as part of its effort to offer texts ideally suited to the needs of a new generation of teachers and students. In a world where the quality of education has so deteriorated, may the reissue of this wonderful historical series shine as a beacon to a new generation of young (and not so young) scholars. Dawn Chorus publishes these five other books by Dorothy Mills: *The Book of the Ancient Greeks*; *The Book of the Ancient Romans*; *The People of Ancient Israel*; *The Middle Ages*; and *Renaissance and Reformation Times*. Dawn Chorus has also republished another outstanding, and long-out-of-print historical series perfectly suited for home or school use (and highly recommended in home-school curricula), entitled *The Picturesque Tale of Progress*, by Olive Beaupre Miller. It is available in large format (9 volumes), or smaller, double-bound format (5 volumes).

Somos nuestra memoria Iván Izquierdo, La memoria tiene sus matices, sus vaivenes, sus luces y sombras. En esa intermitencia –entre olvidos y recuerdos– conformamos nuestra identidad individual, social e histórica, porque después de todo, somos nuestra memoria. Esa idea subyace a la constelación de textos presentes en este libro, uniendo diferentes temas como un hilo conductor, sin prescindir de cierta renovación permanente que instala al lector en un lugar activo: el lugar de quien piensa y establece relaciones. Con un lenguaje sencillo y agradable, y al mismo tiempo con

lucidez y agudeza, Iván Izquierdo nos acerca sus reflexiones con una idea clara: “No espero, y en verdad no deseo, desencadenar el mimetismo de que alguien decida pensar igual que yo”, pero “habrá sin duda numerosos puntos de contacto entre lo que yo digo aquí y lo que piensa cada uno de los lectores. A esos puntos me dirijo, y a cada uno de ellos lo celebro”. Se celebra, entonces, la diversidad y la comunión de pensamiento. Un pensamiento que incluye cuestiones cotidianas, aspectos propios de la ciencia, temas existenciales, y material relativo a la política, la historia o la actividad literaria. Un pensamiento sensible, en definitiva, acerca de lo que recordamos, lo que olvidamos, lo que somos y lo que pretendemos ser.

Em torno da imagem e da memória Elcio Loureiro Cornelsen, Elisa Amorim Vieira, Gonzalo Leiva Quijada, 2016-03-13 Os diversos ensaios que compõem o presente volume, 'Em torno da imagem e da memória', organizado por Elcio Cornelsen, Elisa Amorim e Gonzalo Leiva Quijada, transitam entre diversas expressões artísticas como a pintura, o cinema, a literatura, o desenho, a colagem e, sobretudo, a fotografia, seja enquanto retrato, registro documental, ou enquanto refotografia, fotopintura, fotografia pós-morte e pictorialismo. Assim, nos textos que procuram estabelecer relações entre imagem e memória na arte contemporânea, o que se observa predominantemente é o caráter híbrido da imagem apresentada pelos artistas, o seu caráter intermediático, que se configura na fronteira entre as diversas linguagens. Já nos ensaios que se voltam para as imagens de eventos traumáticos, ou que se voltam para a busca do que resta do passado no presente, evidencia-se o caráter de resistência da arte: resistência contra o horror, contra o trauma, contra a ausência e, sobretudo, resistência à política do esquecimento. Assim, este livro apresenta ao leitor o olhar múltiplo e instigante de diversos pesquisadores, artistas e escritores, em diálogo com alguns dos pensadores e filósofos indispensáveis para que se reflita o presente e para que se possa vislumbrar

os rastros do passado que sobrevivem e insistem nos tempos atuais.

Last Memoria Rachel Emma Shaw,2020-05-10 Love, lies and memory thieves. There's nothing Sarilla hates more than stealing memories, but the king forces her to, just so he can keep his subjects in line. She wants to escape to where nobody knows what she is or what she can do, but her plans go awry when she runs into someone she would much rather forget. Falon has a six-month void in his memories that he's desperate to restore. He doesn't know why they were taken or what they contained, nor why the man he loves is acting so cagily about what happened during that time. He hopes to use Sarilla to get back what was stolen from him and isn't interested in why she's so desperate to escape. She will help him get back what he's lost, whether she wants to or not. Join Sarilla and Falon in this twisted tale about how sometimes good intentions aren't enough to keep the darkness at bay.

Lo es (Tis) Frank McCourt,2000-08-29 Los millones de lectores que amaron la memoria increíble de la obra las cenizas de Ángela, amarán también el presente libro. A través de sus páginas, el autor nos presenta esta historia sobre el viaje, físico y sicológico, de un improvisado inmigrante a brillante narrador y maestro de escuela. Salvado primero por un sacerdote perdido, pasando por el partido democrático, por la Armada de Estados Unidos, hasta la universidad de Nueva York; el autor del

presente texto demuestra que, a los diecinueve años, sigue manteniendo el mismo espíritu invencible que tenía a los ocho... y que todavía mantiene. El presente libro es un cuento acerca de la sobrevivencia y tan vívido y entretenido como fue el texto anterior de este mismo autor.

Memorias da Vida de J. L. F. de C. [Written by himself.] Anno 1854 José Liberato FREIRE DE

CARVALHO,1855

Memorias de Un Inmigrante Angelo Alfaro Sr,2012-01-16 Es, sencillamente la historia de mi vida, trascurrida desde los años 50'con una niñez llena de travesuras, alegría y extrabagancias de la época, y con una adolescencia truncada por querer entrar al mundo de los mayores, y pretender ser Grandeetapa vivida con el machismo y la injusticia de la Sociedad de la época, a pesar de los ostaculos que la vida da, haber podido absorber los buenos consejos de esa Abuela cascarrabia, y los buenos momentos con el cura de mi Iglesia de origen, y con todo lo bueno qué este lindo pais tiene. Principalmente por el amor de mi esposa, hemos podido formar una familia, con amor, respeto y dignidad de ser Latino. Tratamos de pasar a nuestros descendientes la felicidad de la Vida qué es simplemente El Amor, sin el nunca hubieramos logrado la familia que hoy tenemos y de nuestro dia Miercoles Dia de Familia.
