Best Tent Camping: Michigan Matt Forster, 2015-06-16 Best in Tent Camping: Michigan is for those who want to experience the beauty of Michigan amongst quiet and solitude. Author Matt Forster carefully selected all 50 campgrounds to offer readers the most promise for a unique outdoor experience. With a five-star rating system for qualities like privacy, security, noise, beauty, and cleanliness and detailed maps leading directly to the campsites, Best in Tent Camping: Michigan is the perfect tool for a weekend getaway.

Mi Voz, Mi Vida Andrew C. Garrod, Robert Kilkenny, Christina Gomez, 2012-12-17 Amid the flurry of debates about immigration, poverty, and education in the United States, the stories in *Mi Voz, Mi Vida* allow us to reflect on how young people who might be most affected by the results of these debates actually navigate through American society. The fifteen Latino college students who tell their stories in this book come from a variety of socioeconomic, regional, and family backgrounds—they are young men and women of Mexican, Puerto Rican, Cuban, Dominican, Central American, and South American descent. Their insights are both balanced and frank, blending personal, anecdotal, political, and cultural viewpoints. Their engaging stories detail the students' personal struggles with issues such as identity and biculturalism, family dynamics, religion, poverty, stereotypes, and the value of education. Throughout, they provide insights into issues of racial identity in contemporary America among a minority population that is very much in the news. This book gives educators, students, and their families a clear view of the experience of Latino students adapting to a challenging educational environment and a cultural context—Dartmouth College—often very different from their childhood ones.

Lake Michigan Mass Balance Study (LMMB) Methods Compendium: Organic and mercury sample analysis techniques, 1997

Call Me Athena Colby Cedar Smith, 2021-08-17 This enchanting novel in verse captures one young woman's struggle for independence, equality, and identity as the daughter of Greek and French immigrants in tumultuous 1930s Detroit. *Call Me Athena: Girl from Detroit* is a beautifully written novel in verse loosely based on author Colby Cedar Smith's paternal grandmother. The story follows Mary as the American-born daughter of Greek and French immigrants living in Detroit in the 1930s, creating a historically accurate portrayal of life as an immigrant during the Great Depression, hunger strikes, and violent riots. Mary lives in a tiny apartment with her immigrant parents, her brothers, and her twin sister, and she questions why her parents ever came to America. She yearns for true love, to own her own business, and to be an independent, modern American woman—much to the chagrin of her parents, who want her to be a "good Greek girl." Mary's story is peppered with flashbacks to her parents' childhoods in Greece and northern France; their stories connect with Mary as they address issues of arranged marriage, learning about independence, and yearning to grow beyond one's own culture. Though *Call Me Athena* is written from the perspective of three profoundly different narrators, it has a wide-reaching message: It takes courage to fight for tradition and heritage, as well as freedom, love, and equality.

United States District Court for the Eastern District of Michigan David Gardner Chardavoyne, 2012-03-15 A chronological history of the United States District Court for the Eastern District of Michigan, from its beginnings in the 1830s to the present.

Disney Mega Movie Mix Random House Disney, 2009-08-11 Six Disney•Pixar classics in one jumbo coloring book! Mi María: Surviving the Storm Ricia Anne Chansky, Marci Denesiuk, 2021-09-04 When Hurricane María made landfall in Puerto Rico in September 2017, it left no part of the archipelago unscathed. The hurricane triggered floods and mudslides, washed out roads, destroyed tens of thousands of homes, farms, and businesses, caused the largest blackout in US history, knocked out communications, led to widespread food, drinking water, and gasoline shortages, and caused thousands of deaths. The seventeen oral histories collected in *Mi María: Surviving the Storm* share stories of surviving the storm and its long aftermath as people waited for relief and aid that rarely arrived. Zaira and her husband floated on a patched air mattress for sixteen hours while floodwaters rose around them. The road washed out in front of Emmanuel as he desperately tried to drive his pregnant wife who had begun labor to the hospital. Luis and his father anxiously counted the days that the dialysis clinic remained closed and lifesaving treatment was unavailable, while Miliana's mother was sent home from the hospital –undiagnosed– only to fall critically ill in her own home. Weaving together long-form oral histories and shorter testimonios, the book offers a multivocal peoples' history of disaster that fosters a greater understanding of the failures of governmental disaster response and the correlating perseverance of the people impacted by these failures, highlighting the colonial relationship between Puerto Rico and the United States. Ultimately, the ways in which these oral histories demonstrate the strength of community response to disaster in Puerto Rico are pertinent to other parts of the world that are being impacted by our current climate emergency.

MI Bad Tom Carr, 2018-08 Train robberies, stage-coach holdups, posses, breakouts and shoot-em-ups step out of the darker pages of Michigan's past and spring to life in Tom Carr's *MI Bad: Robbers, Cutthroats and Thieves in Michigan's Past and Present*. The Great Lakes State has seen more than its share of sensational crimes in the last couple of centuries. *MI Bad* shines a searchlight on several of the most jaw-dropping capers and rogues, including:
- A couple of 1880s prostitution procurers who roll drunken lumberjacks for their wages in a whorehouse and bury bodies in shallow graves. The two die

drunk and destitute in a freezing shack. - Baby Face Nelson gets his big-time career start -- with an actual baby -- in a bank holdup in Depression-era Grand Haven. - A 1970s, cinema-esque escape from Jackson State Prison that falls apart quickly once outside the razor wire. - Train robbing brothers who get away with fortunes all over the Midwest, until one of them puts a bullet in the head of a well-liked Grand Rapids cop. - A 1960s cop and a 2010s fifth-grade teacher break bad. - Huge posses of armed Michiganders rush out to help -- and sometimes hinder -- a bank stickup. - A 19th Century U.P. boomtown finally has enough of a brothel owner beating the women he holds captive. - Plus many more blood-and-money tales of Wolverine-state intrigue, suspense or just plain awfulness. MI Bad is author Tom Carr's follow-up to his successful, Michigan historical true crime debut, Blood on the Mitten: Infamous Michigan Murders, 1700s-Present, also published by Mission Point Press/Chandler Lake Books.
