*Mike* P. G. Wodehouse,2022-07-04T23:45:12Z Mike Jackson is the youngest son of a family of excellent cricket players and the most promising batsman of them all. At Wrykyn, the public school his elder brothers once attended, his desire to prove himself as a cricketer is challenged by his apathy for studying and his penchant for mischief. In the second half of the novel, his poor academics result in his being sent to Sedleigh, where he immediately befriends Psmith, an eccentric monocle-wearing student in a similar situation. Together they navigate the social waters of a school that neither one of them wants to attend. Mike was one of P. G. Wodehouse's earlier novels, and one of his personal favorites. In a preface to a later edition, he stated that the school setting allowed Psmith's "bland clashings with Authority" to truly shine. The cricket scenes are memorable and exciting, but the meat of the story is in Mike and Psmith's school escapades. Mike was originally published in The Captain magazine in two parts, Jackson Junior (published in 1953 as Mike at Wrykyn), and The Lost Lambs (also published later as Enter Psmith in 1935 and Mike and Psmith in 1953). This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Awkward Family Photos** Mike Bender,Doug Chernack,2010-05-04 Based on the hit website, AwkwardFamilyPhotos.com ("painful, regrettable, horrifyingly awesome snaps of family bonding, you will laugh so hard that people in adjoining offices will ask what's wrong with you"—Esquire), this full color book features never-before-seen photos and hilarious personal stories covering everything from uncomfortable moments with relatives, teen angst, sibling rivalry, and family vacations from hell. Cringe at the forced poses, bad hair, and matching outfits--all prompting us to look at our own families and celebrate the fact that we're not alone. Nothing says awkward better than an uncomfortable family photograph!

*Malice* John Gwynne,2013-12-03 The first book in acclaimed epic fantasy author John Gwynne's Faithful and Fallen series, Malice is a tale of blind greed, ambition, and betrayal set in a world where ancient monsters are reawakening -- and a war to end all wars is about to begin. The world is broken. . .and it can never be made whole again. Corban wants nothing more than to be a warrior under King Brenin's rule -- to protect and serve. But that day will come all too soon. And the price he pays will be in blood. Evnis has sacrificed -- too much it seems. But

what he wants -- the power to rule -- will soon be in his grasp. And nothing will stop him once he has started on his path. Veradis is the newest member of the warband for the High Prince, Nathair. He is one of the most skilled swordsman to come out of his homeland, yet he is always under the shadow of his older brother. Nathair has ideas -- and a lot of plans. Many of them don't involve his father, the High King Aquilus. Nor does he agree with his father's idea to summon his fellow kings to council. The Banished Lands has a violent past where armies of men and giants clashed in battle, the earth running dark with their heartsblood. Now, the stones weep red and giant wyrms stir, and those who can still read the signs see a danger far worse than all that has come before. . .

Open Mike Mike Hill,2020-07-07 Who is Mike Hill? For 49 years, he attempted to answer the question, to no avail. Hill was known to the world as the polished, versatile talent with multi-decade broadcast experience. After joining ESPN in 2004, Hill made a name for himself at the network, beginning at the highlight desk for ESPN News and later transitioning to some of the carrier's highest-priority programming, appearing as a host on SportsCenter, NFL Live, Baseball Tonight and NBA Tonight among others. In August of 2013, Hill joined FOX Sports. The embodiment of professionalism, Hill appeared to be living the American Dream; however, his private, internal struggles were taking a toll on his ability to live and to love. Eventually, the mounting trauma resulting from childhood memories of witnessing his mother victimized by domestic violence, a lack of proper male tutelage, discovering that his stepfather was a murder for hire, and the demise of two marriages, forced Hill to his breaking point. Amidst a silent cry for help and a quest to heal from within, forced him to pick up his pen to chronicle the most prolific moments of his life.

**Mrs. Mike** Benedict Freedman,Nancy Freedman,1987 A young woman who had been raised in Boston marries a member of the Northwest Mounted Police and goes with him to live in the Canadian wilderness.

Mike P. G. Wodehouse,2016-01-28 If Mike had been in time for breakfast that fatal Easter morning he might have gathered from the expression on his father's face, as Mr. Jackson opened the envelope containing his school report and read the contents, that the document in question was not exactly a paean of praise from beginning to end. But he was late, as usual. Mike always was late for breakfast in the holidays. When he came down on this particular morning, the meal was nearly over. Mr. Jackson had disappeared, taking his correspondence with him; Mrs. Jackson had gone into the kitchen, and when Mike appeared the thing had resolved itself into a mere vulgar brawl between Phyllis and Ella for the jam, while Marjory, recently affecting a grown-up air, looked on in a detached sort of way, as if these juvenile gambols distressed her.

*Missing Mike* Shari Green, 2018-05-11 He's a rescue, a mutt. Maybe there's a little golden retriever in him, although he's not exactly pretty. He's had a run-in with coyotes and he's missing an eye. But Mike is eleven-year-old Cara Donovan's dog, and they love each other absolutely. Usually her pet follows Cara everywhere, but on the day the family first smells smoke in the air, Mike becomes anxious. Pine Grove is in the path of a wildfire, and the family is ordered to evacuate. In the ensuing chaos, Mike runs off. And then the unthinkable happens; there is no time to search for Mike. They are forced to leave him behind. Shocked and devastated, Cara watches helplessly as the family drives through a nightmare, with burning debris falling from the sky and wild animals fleeing for their lives. Once in the city far from the burn zone, the Donovans are housed with a volunteer host family. Jewel, the hosts' daughter, is nice, but Cara can only think about what she may have lost. What will happen if nothing is left? But as she reflects on what home means to her, Cara knows only one thing. She is not going to lose Mike. She will do what it takes to find him, even if it means going back to Pine Grove on her own. With her signature style combining simplicity and lyricism, the author of Root Beer Candy and Other Miracles and Macy McMillan and the Rainbow Goddess tells an uplifting story of love and loss. And she shows how one girl's stressful journey eventually leads her to an unexpected place, and a new definition of home.

**People Can't Drive You Crazy If You Don't Give Them the Keys** Dr. Mike Bechtle, 2012-10-01 Strange as it may seem, other people are not nearly as committed to our happiness as we are. In fact, sometimes they seem like they're on a mission to make us miserable! There's always that one person. The one who hijacks your emotions and makes you crazy. The one who seems to thrive on drama. If you could just fix that person, everything would be better. But we can't fix other people--we can only make choices about ourselves. In this cut-to-the-chase book, communication expert Mike Bechtle shows readers that they don't have to be victims of other people's craziness. With commonsense wisdom and practical advice that can be implemented immediately, Bechtle gives readers a proven strategy to handle crazy people. More than just offering a set of techniques, Bechtle offers a new perspective that will change readers' lives as they deal with those difficult people who just won't go away.
