The Great Movies Roger Ebert, 2002-04-09 America's most trusted and best-known film critic Roger Ebert presents one hundred brilliant essays on some of the best movies ever made. Roger Ebert, the famed film writer and critic, wrote biweekly essays for a feature called The Great Movies, in which he offered a fresh and fervent appreciation of a great film. The Great Movies collects one hundred of these essays, each one of them a gem of critical appreciation and an amalgam of love, analysis, and history that will send readers back to that film with a fresh set of eyes and renewed enthusiasm—or perhaps to an avid first-time viewing. Ebert's selections range widely across genres, periods, and nationalities, and from the highest achievements in film art to justly beloved and wildly successful popular entertainments. Roger Ebert manages in these essays to combine a truly populist appreciation for our most important form of popular art with a scholar's erudition and depth of knowledge and a sure aesthetic sense. Wonderfully enhanced by stills selected by Mary Corliss, the film curator at the Museum of Modern Art, The Great Movies is a treasure trove for film lovers of all persuasions, an unrivaled guide for viewers, and a book to return to again and again. The Great Movies includes: All About Eve • Bonnie and Clyde • Casablanca • Citizen Kane • The Godfather • Jaws • La Dolce Vita • Metropolis • On the Waterfront • Psycho • The Seventh Seal • Sweet Smell of Success • Taxi Driver • The Third Man • The Wizard of Oz • and eighty-five more films.

Making Movies Sidney Lumet, 2010-09-01 Why does a director choose a particular script? What must they do in order to keep actors fresh and truthful through take after take of a single scene? How do you stage a shootout—involving more than one hundred extras and three colliding taxis—in the heart of New York's diamond district? What does it take to keep the studio honchos happy? From the first rehearsal to the final screening, *Making Movies* is a master's take, delivered with clarity, candor,

and a wealth of anecdote. For in this book, Sidney Lumet, one of our most consistently acclaimed directors, gives us both a professional memoir and a definitive guide to the art, craft, and business of the motion picture. Drawing on forty years of experience on movies that range from *Long Day's Journey into Night* to *Network* and *The Verdict*—and with such stars as Katharine Hepburn, Paul Newman, Marlon Brando, and Al Pacino—Lumet explains how painstaking labor and inspired split-second decisions can result in two hours of screen magic.

Not Like the Movies Kerry Winfrey, 2020-07-07 What happens when your life is a rom-com . . . but you don't even believe in true love? Chloe Sanderson is an optimist, and not because her life is easy. As the sole caregiver for her father, who has early-onset Alzheimer's, she's pretty much responsible for everything. She has no time—or interest—in getting swept up in some dazzling romance. Not like her best friend, Annie, who literally wrote a rom-com that's about to premiere in theaters across America . . . and happens to be inspired by Chloe and her cute but no-nonsense boss, Nick Velez. As the buzz for the movie grows, Chloe reads one too many listicles about why Nick is the perfect man, and now she can't see him as anything but Reason #4: The scruffy-bearded hunk who's always there when you need him. But unlike the romance Annie has written for them, Chloe isn't so sure her own story will end in a happily-ever-after.

The Age of Movies: Selected Writings of Pauline Kael Pauline Kael, 2011-10-27 Film criticism is exciting just because there is no formula to apply, Pauline Kael once observed, just because you must use everything you are and everything you know. Between 1968 and 1991, as regular film reviewer for *The New Yorker*, Kael used those formidable tools to shape the tastes of a generation, enthralling readers with her gift for capturing, with force and fluency, the essence of an actor's gesture or the full implication of a cinematic image. Kael called movies the most total and encompassing art form we have, and she made her reviews a

platform for considering both film and the worlds it engages, crafting in the process a prose style of extraordinary wit, precision, and improvisatory grace. To read *The Age of Movies*, the first new selection in more than a generation, is to be swept up into an endlessly revealing and entertaining dialogue with Kael at her witty, exhilarating, and opinionated best. Her ability to evoke the essence of a great artist—an Orson Welles or a Robert Altman—or to celebrate the way even seeming trash could tap deeply into our emotions was matched by her unwavering eye for the scams and self-deceptions of a corrupt movie industry. Here in this career spanning collection are her appraisals of the films that defined an era—among them *Breathless*, *Bonnie and Clyde*, *The Leopard*, *The Godfather*, *Last Tango in Paris*, *Nashville*—along with many others, some awaiting rediscovery, all providing the occasion for masterpieces of observation and insight, alive on every page.

Nixon at the Movies Mark Feeney, 2012-10-22 “People will be arguing over *Nixon at the Movies* as much as, for more than half a century, the country at large has been arguing about Nixon.”—Greil Marcus Richard Nixon and the film industry arrived in Southern California in the same year, 1913, and they shared a long and complex history. The president screened Patton multiple times before and during the invasion of Cambodia, for example. In this unique blend of political biography, cultural history, and film criticism, Mark Feeney recounts in detail Nixon’s enthusiastic viewing habits during his presidency, and takes a new and often revelatory approach to Nixon’s career and Hollywood’s, seeing aspects of Nixon’s character, and the nation’s, refracted and reimagined in film. *Nixon at the Movies* is a “virtuosic” examination of a man, a culture, and a country in a time of tumult (Slate). “By Feeney’s count, Nixon, an unabashed film buff, watched more than 500 movies during the 67 months of his presidency, all carefully listed in an appendix titled ‘What the President Saw and When He Saw It.’ Nixon concentrated intently

on whatever was on the screen; he refused to leave even if the picture was a dud and everyone around him was restless. He was omnivorous, would watch anything, though he did have his preferences...Only rarely did he watch R-rated or foreign films. He liked happy endings. Movies were obviously a means of escape for him, and as the Watergate noose tightened, he spent ever more time in the screening room.”—The New York Times

The New York Times Book of Movies Wallace

Schroeder,2019-10-01 A collection of reviews for the 1,000 most important, popular, and influential movies of all time. While critiques of beloved Hollywood milestones from Stanley Kubrick, Steven Spielberg, Alfred Hitchcock, and Orson Welles are all included, this book is notably a resource for the modern cinema buff and student. Nowhere else can one find this curated collection of reviews with such special features as lists of best films by category and year, as well as unique recommendations and sidebars for the modern viewer—including what to watch and how: from DVD and Blu-Ray to streaming platforms. In an era when most students and fans of film simply rely on the Internet for information, this category killer will prove its worth as a relevant and indispensable gift and reference.

The Naked Truth Kevin Sandler,2007-08-22 From parents and teachers to politicians and policymakers, there is a din of voices participating in the debate over how young people are affected by violence, strong language, and explicit sexual activity in films. The Motion Picture Association of America (MPAA) responded to this concern in 1968 when it introduced a classification and rating system based on the now well-known labels: “G”, “PG”, “PG-13”, “R”, and “X”. For some, these simple tags are an efficient way to protect children from viewing undesirable content. But do the MPAA ratings actually protect children? In *The Naked Truth*, Kevin. S Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry. One prime indicator of this is the collective

abandonment of the NC-17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners. By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings (or lower), the industry ensures that its products are perceived as “responsible entertainment” to all audiences and “incontestable” to politicians and moral reformers. By embracing a no-NC-17 rule, the industry collapses mature subject matter with pornography, creating a national cinema where certain representations of sex and nudity are taboo.

Stephen King Goes to the Movies Stephen

King, 2009-01-20 A collection of five short stories that have been made into movies includes *The Mangler*, in which a skeptical writer investigates a supposedly haunted hotel room that has apparently caused at least forty-two deaths.

Shakespeare in the Movies Douglas Brode, 2000 This work proceeds chronologically, in the order that plays were written, allowing the reader to trace the development of Shakespeare as an author and to see how the changing cultural climate of the Elizabethans flowered into film centuries later.

Cinephilia Marijke de Valck, Malte Hagener, 2005 They obsess over the nuances of a Douglas Sirk or Ingmar Bergman film; they revel in books such as François Truffaut's *Hitchcock*; they happily subscribe to the Sundance Channel—they are the rare breed known as cinephiles. Though much has been made of the classic era of cinephilia from the 1950s to the 1970s, *Cinephilia* documents the latest generation of cinephiles and their use of new technologies. With the advent of home theaters, digital recording devices, online film communities, cinephiles today pursue their dedication to film outside of institutional settings. A radical new history of film culture, *Cinephilia* breaks new ground for students and scholars alike.

Movie-Made America Robert Sklar, 1994-12-05 This vastly readable and richly illustrated volume examines film as art form,

technological innovation, big business, and cultural bellwether. It takes in stars from Douglas Fairbanks to Sly Stallone; auteurs from D. W. Griffith to Martin Scorsese and Spike Lee; and genres from the screwball comedy of the 1930s to the hard body movies of the 1980s to the independent films of the 1990s. Combining panoramic sweep with detailed commentaries on hundreds of individual films, *Movie-Made America* is a must for any motion picture enthusiast.

All about the Movies Maurice Rapf, 2000 *Movies* are a passion shared by people of all ages and backgrounds. From 30 years of experience, Maurice Rapf assembles the essential information every movie lover should know. Not to be read as an all-inclusive guide, this work can be seen instead as a launching-point for a deeper appreciation of the movies.

The Orchid Thief Susan Orlean, 2011-07-20 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK A modern classic of personal journalism, *The Orchid Thief* is Susan Orlean's wickedly funny, elegant, and captivating tale of an amazing obsession. Determined to clone an endangered flower—the rare ghost orchid *Polyprrhiza lindenii*—a deeply eccentric and oddly attractive man named John Laroche leads Orlean on an unforgettable tour of America's strange flower-selling subculture, through Florida's swamps and beyond, along with the Seminoles who help him and the forces of justice who fight him. In the end, Orlean—and the reader—will have more respect for underdog determination and a powerful new definition of passion. In this new edition, coming fifteen years after its initial publication and twenty years after she first met the “orchid thief,” Orlean revisits this unforgettable world, and the route by which it was brought to the screen in the film *Adaptation*, in a new retrospective essay. Look for special features inside. Join the Random House Reader's Circle for author chats and more. Praise for *The Orchid Thief* “Stylishly written, whimsical yet sophisticated, quirkily detailed and full of empathy . . . *The Orchid*

Thief shows [Orlean's] gifts in full bloom."—The New York Times Book Review "Fascinating . . . an engrossing journey [full] of theft, hatred, greed, jealousy, madness, and backstabbing."—Los Angeles Times "Orlean's snapshot-vivid, pitch-perfect prose . . . is fast becoming one of our national treasures."—The Washington Post Book World "Orlean's gifts [are] her ear for the self-skewing dialogue, her eye for the incongruous, convincing detail, and her Didion-like deftness in description."—Boston Sunday Globe "A swashbuckling piece of reporting that celebrates some virtues that made America great."—The Wall Street Journal

I Hated, Hated, Hated This Movie Roger Ebert, 2000-04 I Hated, Hated, Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize. Ebert has no patience for these atrocious movies and minces no words in skewering the offenders. Witness: Armageddon * (1998) - The movie is an assault on the eyes, the ears, the brain, common sense, and the human desire to be entertained. No matter what they're charging to get in, it's worth more to get out. The Beverly Hillbillies* (1993) - Imagine the dumbest half-hour sitcom you've ever seen, spin it out to ninety-three minutes by making it even more thin and shallow, and you have this movie. It's appalling. North no stars (1994) - I hated this movie. Hated hated hated hated hated this movie. Hated it. Hated every simpering stupid vacant audience-insulting moment of it. Hated the sensibility that thought anyone would like it. Hated the implied insult to the audience by its belief that anyone would be entertained by it. Police Academy no stars (1984) - It's so bad, maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future, whenever you think you're sitting through a bad comedy, he could shake his head, chuckle tolerantly, and explain that you don't know what bad is. Dear God * (1996) - Dear God is the kind of movie where you walk out repeating the title, but not with a smile. The movies

reviewed within *I Hated, Hated, Hated This Movie* are motion pictures you'll want to distance yourself from, but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss.

The Ultimate Book of Gangster Movies George

Anastasia, Glen Macnow, 2011-09-27 The gangster movie is one of the most popular genres in film. From the Italian, Irish, and Russian families in America to similarly sinister groups in Europe, Japan, and beyond, the cinema has never shied away from portraying the evil exploits of these brutal outfits. In this highly entertaining and informative book, two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before. *The Ultimate Book of Gangster Movies* provides extensive reviews of the Top 100 gangster films of all time, including sidebars like *Reality Check*, *Hit and Miss*, *I Know That Guy*, *Body Count*, and other fun and informative features. Also included are over a dozen stand-alone chapters such as *Sleeper Hits*, *Fugazi Flops*, *Guilty Pleasures*, *Lost Treasures*, *Q&A Interviews* with top actors and directors (including Chazz Palinteri, Michael Madsen, Joe Mantegna, and more), plus over 50 compelling photographs. Foreword by Joe Pistone, the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie, *Donnie Brasco*.

Must-See Sci-fi Sloan De Forest, 2018-05-01 Spanning nine decades and branded by the most trusted authority on film, *Turner Classic Movies: Must-See Sci-Fi* showcases 50 of the most shocking, weird, wonderful, and mind-bending movies ever made. From *A Trip to the Moon* (1902) to *Arrival* (2016), science fiction cinema has produced a body of classics with a broader range of styles, stories, and subject matter than perhaps any other film genre. They are movies that embed themselves in the depths of the mind, coloring our view of day-to-day reality and probably fueling a few dreams (and nightmares) along the way. In *Turner Classic Movies: Must-See Sci-Fi*, fifty unforgettable films are

profiled, including beloved favorites like *The Day the Earth Stood Still* (1951) and *Fantastic Voyage* (1966), groundbreaking shockers like *Planet of the Apes* (1968) and *Alien* (1979), and lesser-known landmarks like *Things to Come* (1936) and *Solaris* (1972). Illustrated by astounding color and black-and-white images, the book presents the best of this mind-bending genre, detailing through insightful commentary and behind-the-scenes stories why each film remains essential viewing. A perfect gift for any film buff or sci-fi fanatic!

Hollywood by Hollywood Steven Cohan, 2018 The backstudio picture, or the movie about movie-making, is a staple of Hollywood film production harking back to the silent era and extending to the present day. What gives backstudios their coherence as a distinctive genre, Steven Cohan argues in *Hollywood by Hollywood*, is their fascination with the mystique of Hollywood as a geographic place, a self-contained industry, and a fantasy of fame, leisure, sexual freedom, and modernity. Yet by the same token, if backstudio pictures have rarely achieved blockbuster box-office success, what accounts for the film industry's interest in continuing to produce them? The backstudio picture has been an enduring genre because, aside from offering a director or writer a chance to settle old scores, in branding filmmaking with the Hollywood mystique, the genre solicits consumers' strong investment in the movies. Whether inspiring the movie crazy fan girls of the early teens and twenties or the wannabe filmmakers of this century heading to the West Coast after their college graduations, backstudios have given emotional weight and cultural heft to filmmaking as the quintessential American success story. But more than that, a backstudio picture is concerned with shaping perceptions of how the film industry works, with masking how its product depends upon an industrial labor force, including stardom, and with determining how that work's value accrues from the Hollywood brand stamped onto the product. Cohan supports his well theorized and well researched

claims with nuanced discussions of over fifty backstudios, some canonical and well-known, and others obscure and rarely seen. Covering the hundred-year timespan of feature length film production, Hollywood by Hollywood offers an illuminating perspective for considering anew the history of American movies.

Mafia Movies Dana Renga, 2019-07-15 The mafia has always fascinated filmmakers and television producers. Al Capone, Salvatore Giuliano, Lucky Luciano, Ciro Di Marzio, Roberto Saviano, Don Vito and Michael Corleone, and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian-American mafias perpetuated onscreen. This collection looks at mafia movies and television over time and across cultures, from the early classics to the Godfather trilogy and contemporary Italian films and television series. The only comprehensive collection of its type, Mafia Movies treats over fifty films and TV shows created since 1906, while introducing Italian and Italian-American mafia history and culture. The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition, such as Boardwalk Empire and Mob Wives, as well as a new roundtable section on Italy's "other" mafias in film and television, written as a collaborative essay by more than ten scholars. The edition also introduces a new section called "Double Takes" that elaborates on some of the most popular mafia films and TV shows (e.g. The Godfather and The Sopranos) organized around themes such as adaptation, gender and politics, urban spaces, and performance and stardom.

The Cinema of Isolation Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity, awe, humor, or fear as Others who somehow deserve to be isolated from the rest of society. In this first history of the portrayal of physical disability in the movies, Martin Norden examines hundreds of Hollywood movies (and notable international ones), finds their place within mainstream

society, and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and in their place. Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of society's fluctuating relationship with its physically disabled minority. He shows us sweet innocents like Tiny Tim, obsessive avengers like Quasimodo, variations on the disabled veteran, and many others. He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s, and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity. Norden's in-depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long-overlooked issue in media studies.

The Movie Book DK, 2016-01-05 Learn about the visual and performing arts in *The Movie Book*. Part of the fascinating Big Ideas series, this book tackles tricky topics and themes in a simple and easy to follow format. Learn about Movies in this overview guide to the subject, great for beginners looking to learn and experts wishing to refresh their knowledge alike! *The Movie Book* brings a fresh and vibrant take on the topic through eye-catching graphics and diagrams to immerse yourself in. This captivating book will broaden your understanding of Movies, with: - More than 100 of the best movies ever made worldwide - Packed with facts, charts, timelines and graphs to help explain core concepts - A visual approach to big subjects with striking illustrations and graphics throughout - Easy to follow text makes topics accessible for people at any level of understanding *The Movie Book* is the perfect introduction to the rich history of cinema like never before - from the golden age of black-and-white films to international art-house and 21st-century sci-fi, aimed at adults with an interest in the subject and students wanting to gain more of an overview. Here you'll discover more than 100 of

the best movies ever made, uncovering the key themes and big ideas behind the world's most celebrated cinematic gems. Your Movie Questions, Simply Explained This book brings cinema to life with iconic quotes and film stills, posters, biographies of directors, actors, and actresses, along with narrative timelines and infographics exploring key themes. Movi Introduction

Movi Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Movi Offers a vast collection of books, some of

which are available for free as PDF downloads, particularly older books in the public domain. Movi : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Movi : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Movi Offers a diverse range of free eBooks across various genres. Movi Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Movi Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Movi, especially related to Movi, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can

explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Movi, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Movi books or magazines might include. Look for these in online stores or libraries. Remember that while Movi, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Movi eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While

this might not be the Movi full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Movi eBooks, including some popular titles.

FAQs About Movi Books

1. Where can I buy Movi books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than

- hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Movi book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Movi books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Movi audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Movi books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
