Keep It Moving Twyla Tharp,2020-12-08 A NEW YORK TIMES BESTSELLER One of the world's legendary artists and bestselling author of The Creative Habit shares her secrets—from insight to action—for harnessing vitality, finding purpose as you age, and expanding one's possibilities over the course of a lifetime in her newest New York Times bestseller Keep It Moving. At seventy-eight, Twyla Tharp is revered not only for the dances she makes—but for her astounding regime of exercise and nonstop engagement. She is famed for religiously hitting the gym each morning at daybreak, and utilizing that energy to propel her breakneck schedule as a teacher, writer, creator, and lecturer. This book grew out of the question she was asked most frequently: "How do you keep working?" Keep It Moving is a series of no-nonsense meditations on how to live with purpose as time passes. From the details of how she stays motivated to the stages of her evolving fitness routine, Tharp models how fulfillment depends not on fortune—but on attitude, possible for anyone willing to try and keep trying. Culling anecdotes from Twyla's life and the lives of other luminaries, each chapter is accompanied by a small exercise that will help anyone develop a more hopeful and energetic approach to the everyday. Twyla will tell you what the beauty-fitness-wellness industry won't: chasing youth is a losing proposition. Instead, Keep It Moving focuses you on what's here and where you're going—the book for anyone who wishes to maintain their prime for life.

Moving Foreword Jon Chattman,2019-04-23 A great foreword is more than just a few pages of self-indulgent frippery that comes before a book. A great foreword adds zest. It sets the stage for the page turner you're about to open, and perhaps even puts you in the locked room where a mystery happens or in the high-button shoes of a year gone by. A great foreword—sometimes—is even better than the book it precedes. So why not skip the boring actual-book part? Moving Foreword is a collection of introductions to imaginary books, written by real celebrities, comedians, musicians, and other writers with something to say. With a real foreword by Rainn Wilson, this book offers a no-holds-barred cacophony of laugh-out-loud funny, poignant, and thought-provoking writing that tackles everything from politics to pop culture, true crime to trout fishing, and Star Wars to skin flicks. Highlights include: • Bustin' Through: Confessions of a Kool-Aid Man Foreword by Pop Candy columnist Whitney Matheson • Phil Rosenthal's Who's the Boss?: My Unlikely Rise to Rock Stardom Foreword by Bruce Springsteen (Phil Rosenthal) • Keep Your Gaze on Me: A True Story of Social Media, Obsession, and Murder Foreword by Shirley Manson, lead vocalist of Garbage • Sock Puppet Mozart: The Life and Gruesome Death of Randy Masterson Foreword by actor Thomas Lennon • Vance DeGeneris: An Unauthorized Biography Foreword by Vance DeGeneres • Everything You Need to Know About Massachusetts Fish and Wildlife Regulations Foreword by New Kids on the Block member Jonathan Knight • Fly Ball: How the New York Yankees Have Changed Lives Foreword by talk show host Jerry Springer • Terrible Band Names: A Chronology of Rock History Foreword by John Ondrasik, a.k.a. Five for Fighting • God's Wow, You're All F***ing This Up Big Time Foreword by singer-songwriter Mary Lambert . . . any many more!

The Art of the Moving Picture Vachel Lindsay, 2020-02-26 For myself, long a propagandist for its doctrines in another but related field, the book came as a great solace. In it I found, not an appeal to have the art museum used—which would have been an old though welcome story—not this, but much to my surprise, the art museum actually at work, one of the very wheels on which our culture rolled forward upon its hopeful way. I saw among other museums the one whose destinies I was tenderly guiding, playing in Lindsay's book the part that is played by the classic myths in Milton, or by the dictionary in the writings of the rest of us. For once the museum and its contents appeared, not as a lovely curiosity, but as one of the basic, and in a sense humble necessities of life. To paraphrase the author's own text, the art museum, like the furniture in a good movie, was actually in motion—a character in the play. On this point of view as on a pivot turns the whole book.
