Everything Must Go Jenny Fran Davis,2017-10-03 Flora Goldwasser has fallen in love. She won't admit it to anyone, but something about Elijah Huck has pulled her under. When he tells her about the hippie Quaker school he attended in the Hudson Valley called Quare Academy, where he'll be teaching next year, Flora gives up her tony upper east side prep school for a life on a farm, hoping to woo him. A fish out of water, Flora stands out like a sore thumb in her vintage suits among the tattered tunics and ripped jeans of the rest of the student body. When Elijah doesn't show up, Flora must make the most of the situation and will ultimately learn more about herself than she ever thought possible. Told in a series of letters, emails, journal entries and various ephemera, Jenny Fran Davis's *Everything Must Go* lays out Flora's dramatic first year for all to see, embarrassing moments and all.

What We Must Know about Communism Harry Allen Overstreet,Bonaro Wilkinson Overstreet,1958 The authors have written this book because they had to. There comes a point where the world's peril turns into every individuals responsibility. So far as the problem of Communism is concerned, this point the authors feel certain, has long been reached and passed. The time has come when each of us is obligated to study the character of this new force which claims the human future as its own, and to convert such knowledge into awareness of what is at stake and what needs to be done.

The Spice Must Flow Ryan Britt,2023-09-26 Geek-culture expert Ryan Britt takes us behind the pages and scenes of the science-fiction phenomenon *Dune*, charting the series' life from cult sci-fi novels to some of the most visionary movies of all time. Using original, deep-access reporting, extensive research, and insightful commentary, *The Spice Must Flow* brings the true popularity of *Dune* out into the light for the very first time. With original interviews with the beloved actors and directors behind the films—including Timothée Chalamet, Kyle MacLachlan, Denis Villeneuve, Patrick Stewart, Rebecca Ferguson, Alec Newman, and many more— *The Spice Must Flow* also examines the far-reaching influence of *Dune* on art, music, politics, and, most notably, its status as the first ecological science-fiction story specifically concerned with climate change. Britt skillfully and entertainingly guides readers through the history of how the *Dune* universe has unfolded, including the novel's unlikely evolution from a failed piece of journalism about Oregon sand dunes into an epic science-fiction story, the way Herbert's work inspired George Lucas, untold stories from the 1984 David Lynch film, the knife-edge balance between blockbuster hit and indie film Timothée Chalamet brings to the 2021 movie, and the exciting future of the franchise. Through a blend of narrative, oral history elements, and fascinating trivia, *The Spice Must Flow* is the new essential guide to the behind-the-scenes story of *Dune*. The fiction of *Dune* is deadly serious, but the real-life story of how it came into existence is full of wonder, surprises, and spice.

Father, I Must Go Pierce Kelley,2011-01-14 This book is about Jorge Frias, a Mexican from the Yucatan Peninsula. For almost twenty years he lived and worked in the United States without proper papers and was, therefore, an illegal alien. After being caught, he was allowed to voluntarily depart our country a couple of years ago. This is a story of how he managed to gain entry to this country illegally on many occasions, why he did it and what he did while here. In writing the book my intention was, in large part, to shed some light on the immigration issue, since it is a topic being hotly debated in Congress and across the country at the present time. In doing so, I also address U.S.-Mexican relations over the years and Jorge's heritage. He is a Mestizo, which means he has the blood of the Spanish, the Mayans and other indigenous peoples of Mexico in him. He now lives in Playa del Carmen and takes tourists on guided tours of Mayan temples, among other things. He is also a poet.

WE MUST HEAR ALL THE STORIES Chief Nnamdi A. Ekenna,2014-07-16 From an innocuous encounter in an airplane, to discourses of the enrichment of the only philosophy his own father handed down to him, through issues of concern for dereliction of education, to building a wholesome and homogeneous community. He highlights issues through his own journey through life and the numerous recollection of those he had made and shared in a span of close to two decades, blending fun and earnest graveness without being preachy or sanctimonious. Drawing from the Desiderata and his favorite prayer, Good Morning God, he uses an engaging discourse form to deliver the message that our stories, individually and collectively, written or unwritten, is the culminant of the world's story. In this book, he shows that inspiration is not farfetched and that from effecting liveability in our immediate surrounding we can shape our story to effect points of contact and communication that will eventually give the world story, the great Story,a chance to develop.
