For We are Sold, I and My People María Patricia Fernández-Kelly, 1983-01-01 On the basis of systematic research and personal experience, *For We are Sold, I and My People* uncovers some of the social costs of modern production. Maria Patricia Fernandez-Kelly peels off the labels--Made in Taiwan, Assembled in Mexico--and the trade names--RCA, Sony, General Motors, United Technologies, General Electric, Mattel, Chrysler, American Hospital Supply--to reveal the hidden human dimensions of present-day multinational manufacturing procedures. Focusing on Ciudad Juarez, located at the United States-Mexican border, Fernandez-Kelly examines the reality of maquiladoras, the hundreds of assembly plants that since the 1960s have been used by the Mexican government as part of its development strategy. Most maquiladoras function as subsidiaries of large U.S.-based corporations and a majority of the employees are women. Drawing from current knowledge in political economy and anthropology, this study focuses on one common denominator of the international division of labor--a growing proletariat of Third World women exploited by what some experts are calling the global assembly line.

Help Me to Find My People Heather Andrea Williams, 2012-06-01 After the Civil War, African Americans placed poignant information wanted advertisements in newspapers, searching for missing family members. Inspired by the power of these ads, Heather Andrea Williams uses slave narratives, letters, interviews, public records, and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away from parents, siblings, spouses, and children. Williams explores the heartbreaking stories of separation and the long, usually unsuccessful journeys toward reunification. Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss, Williams grounds their grief, fear, anger, longing, frustration, and hope in the history of American slavery and the domestic slave trade. Williams follows those who were separated, chronicles their searches, and documents the rare experience of reunion. She also explores the sympathy, indifference, hostility, or empathy expressed by whites about sundered black families. Williams shows how searches for family members in the post-Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations.

Tell My People the Unalterable, Inconvenient Truths Mary L. Johnson-Gordon, THE CONTENTS of this book are Oracles of Truths. They are meant to open the eyes and hearts of those around the world who never knew that God actually speaks and reveals the unforeseen things of Himself to His servants today. They are intended to encourage ALL READERS to find their role in God's design for these times-roles that cannot wait to be filled because Heaven cannot afford their waiting. Some of the oracles are warnings-warnings to NOT wait too long. Listen carefully. In *The Unalterable Inconvenient Truths*, Mary L. Johnson-Gordon expresses the heart cry of God concerning the global environment, the spiritual condition of the church, and a plea for holiness in the life of every Christian. It will motivate those who feel a strong sense of urgency to change the condition of our world-environmentally and spiritually. -Marilyn Hickey-Founder, Marilyn Hickey Ministries

Still Letting My People Go Jack R. Davidson, 2018-07-11 Eli Washington Caruthers's unpublished manuscript, *American Slavery and the Immediate Duty of Southern Slaveholders*, is the arresting and authentic alternative to the nineteenth-century hermeneutics that supported slavery. On the basis of Exodus 10.3—"Let my people go that they may serve me"—Caruthers argued that God was acting in history against all slavery. Unlike arguments guided largely by the New Testament, Caruthers believed that the Exodus text was a privileged passage to which all thinking on slavery must conform. As the most extensive development of the Exodus text within the field of antislavery literature, Caruthers's manuscript is an invaluable primary source. It is especially relevant to historians' current appraisal of the biblical sanction for slavery in nineteenth-century America because it does not correspond to characterizations of antislavery literature as biblically weak. To the contrary, an analysis of Caruthers's manuscript reveals a

thoroughly reasoned biblical argument unlike any other produced during the nineteenth century against the hermeneutics supporting slavery.

My People's Prayer Book Vol 4 Rabbi Lawrence A. Hoffman, PhD, 2013-06-21 The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Framed with beautifully designed Talmud-style pages, commentaries from 11 of today's most respected Jewish scholars from all movements of Judaism examine Seder K'riat Hatorah from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. This fourth volume of the series unfolds the many layers of meaning in Seder K'riat Hatorah, the ritual and prayers surrounding the communal reading of Torah. More than any other section of the prayer book, the Torah service reflects all of Jewish history. Vol. 4 helps us to understand how the reading of Torah is an affirmation, powerful and dramatic, of the continuing covenant between the community of Israel and God. Vol. 4—Seder K'riat Hatorah (The Torah Service) features the authentic Hebrew text with a new translation designed to let people know exactly what the prayers say. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries, to search for—and find—meaning in the prayer book. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Seder K'riat Hatorah. My People's Prayer Book enables all worshipers, of any denomination, to encounter their own connection to 3,000 years of Jewish experience with the world and with God.

Not My People David I. Starling, 2011-06-30 After a survey of recent approaches to the study of Paul's use of Scripture, the four main chapters explore the use of Isa. 54:1 in Gal. 4:27, the catena of scriptural texts in 2 Cor. 6:16-18, Hos. 1:10 and 2:23 in Rom. 9:25-26 and Isa. 57:19 in Eph. 2:17. In each case, the ancient writer seeks to place the letter in its historical context and rhetorical situation, identify the significance of any conflation or modifications that have taken place in the citation process, analyse the citation's function within its immediate context, compare its use by Paul with the various ways in which the text is interpreted and appropriated by other Second Temple writers, and evaluate the main proposals offered as explanations for the riddle posed by the citation. That done, he offers his own account of the hermeneutic at work, based on an analysis of the explicit and implicit hermeneutical pointers through which the letter guides its readers in their appropriation of Scripture. This book compares the hermeneutical approaches of the four letters and draws conclusions concerning the interplay of continuity and discontinuity between Scripture and gospel in Paul's letters and the relationship between grace and Gentile inclusion in his theology.

LOVE MY PEOPLE Timeless Secrets Volume 1 Drs Jay & Meridel Rawlings,

From My People Daryl Cumber Dance, 2002 A celebration of African American life and culture brings together four hundred years of folklore, traditional tales, recipes, proverbs, legends, folk songs, and folk art.

'The LORD Said, "Tell My People!" So I Will!' SALVATRICE M. HER, 2018-01-18 Through the pages of this book, you will find words that speak to your heart and to your spirit. Most times, our 'mission field' is exactly where we are 'planted'! You can do great things for Him--at this moment--in whatever circumstances you find yourself! Before you begin to read, pray to hear the LORD's Voice, as He teaches, encourages, and tells you how much He Loves You Beyond Measure!

"Come Out My People!" Wes Howard-Brook, 2010 A compelling view of two competing religious visions---one of creation and the other of empire---that run throughout the Bible. A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it. . . As I read, I felt overwhelmed, both by the mass of data and by the cunning of interpretation. I could not put it down, and expect to

continue to be instructed by it.---Walter Brueggemann Howard-Brook undertakes what few dare anymore: an introductory primer for the whole Bible...This book invites disciples to 'connect the dots', in order to recover our ancient, anti-imperial identity, and to embrace a radical faith and practice that are personal and political.---Ched Myers Howard-Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means, but also through the religion of empire. Throughout he makes clear that the core message of the God of creation is to call people out of empire, to refuse to cooperate with the forces of destruction and domination today.---Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God's alternative future to Empire.---Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire, we need a story more powerful than the story called America. Wes Howard-Brook knows that the Bible tells such a story. May its story be ours as we're set free from our imperial imaginations to dream with our Creator of a new world here and now.---Jonathan Wilson-Hartgrove

Putting My People on Blast Terry Hopkins, 2007-07 Putting My People on Blast is and will always be a honest antidote for unacceptable slavery. If digested properly, PMPOB , should have the masses recognize the danger and consequences of not being truly conscious. The Honorable Elijah Muhammad taught that if one is not a part of the solution then you are a part of the problem. I see and have seen too many young Black/Brown casualties (underage boys getting high, young boys stealing and destroying everything not nailed down and 13-17 year old girls having these babies, etc.,) to these mean city streets. I've been told numerous times that I act like someone's Daddy. Well, if I just sit on my ass and do nothing, then I can't complain or cry at Daquan going to jail for robbing a grocery store and killing 2 innocent persons. Putting My People on Blast wants to initiate Love, offer honest knowledge and touch many, many lives!! Watch out for Volume 2.

Come out of her my people Hyun Eun Lee, 2021-04-23 Responding to God's outcry for us and seeking answers for what we must do to get out of her by examining the history of God's salvation using Biblical scriptures and hundreds of unrevealed classic books from the last 500 years.

Let My People Breathe! Unmasking the Mask Controversy With Science and Scripture Dr. Jerry Scheidbach, Sarah Green, PA-C, 2023-07-10 The title, Let My People Breathe!, is adapted from the Exodus when God sent Moses to Pharaoh with His demand: Let my people go! When you read this book, you will understand the urgency that is reflected in the title. Let My People Breathe! examines science and Scripture to answer two questions regarding mask mandates: (1. Do masks work (what does the science say), and (2. Are mask mandates moral, do they violate personal liberties (what do the Scriptures say)? Dr. Scheidbach is known among his peers and his radio/podcast followers of the Brain Massage®

show as a fastidious researcher of high integrity. In preparation for writing this book, he examined 964 scientific and technical studies searching for the answer to question No. 1 — do masks work? He discovered that while many late studies purport to support public masking to control the spread, not one provides scientific proof that surgical or cloth masks offer adequate protection against infection by something so small as a virus. Furthermore, he discovered our natural filtration provides far superior protection than the masks recommended by CDC, WHO, and Fauci. And disturbingly, he discovered masks can interfere with natural filtration and actually facilitate infection. He documents his research thoroughly in his book and provides his readers access to every article he examined, along with his extensive research notes (over 800 pages), in separate downloadable files. (Free to all who purchase *Let My People Breathe!*) On the second question, what does the Bible say about mask mandates, Dr. Scheidbach brings to his readers over 50 years of extensive biblical studies, including formal training culminating in an earned Doctorate in Theological Studies (graduating *summa cum laude*). He addresses questions about a Christian's responsibility to obey governments with biblical integrity and refreshing candor. He shows what the Bible actually says about the purpose and limits of government. His explanation of Romans 13 is worth the price of this book! In this section of *Let My People Breathe!*, Dr. Scheidbach reveals that the mask mandate issue has far-reaching political and spiritual implications. *Let My People Breathe!* could be one of the most important books you read this year!

Come out of Her My People Tony Kessinger, 2004-01-14 *Come Out of Her My People* is the summons God issues to His people to disentangle themselves from the world. Like the web of a spider the world ensnares the people of God with its allure. This book is a study of how God continues to issue His call through the encouragement and exhortation of John, the seven churches, and to those who will be alive during the Tribulation period. Never willing that anyone should perish, God uses the Book of Revelation to take hold of mankind and shake his world in order to try and get his attention.

My People's Prayer Book Vol 8 Rabbi Lawrence A. Hoffman, PhD, 2013-07-18 The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Vol. 8—Kabbalat Shabbat (Welcoming Shabbat in the Synagogue) features the authentic Hebrew text with a new translation designed to let people know exactly what the prayers say. Introductions tell the reader what to look for in the prayer service, as well as how to truly use the commentaries and to search for—and find—meaning in the prayer book. Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Kabbalat Shabbat from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives.

Let My People Go Patricia C. McKissack, Fredrick L. McKissack, 2014-04-29 Come join me as I take you back to Charleston, South Carolina, to my father's forge in the early 1800's. Sit with me on the woodpile as he tells a tale of faith, hope, or love. In this extraordinary collection, Charlotte Jefferies and her father Price, a former slave, introduce us to twelve best loved Bible tales, from Genesis to Daniel, and reveal their significance in the lives of African Americans--and indeed of all oppressed peoples. When Charlotte wants to understand the cruel injustices of her time, she turns to her father. Does the powerful slaveholder, Mr. Sam Riley, who seems to own all that surrounds them, also own the sun and moon? she wonders. Price's answer is to tell the story of Creation. How can God allow an evil like slavery to exist? she asks. Price responds by telling the story of the Hebrews' Exodus -- and shows Charlotte that someday their people, too, will be free. With exquisite clarity, Patricia and Fredrick McKissack and James Ransome -- a Newbery Honor winner and all Coretta Scott King Award winners -- brilliantly illuminate the parallels between the stories of the Jews

and African-American history. Let My People Go is a triumphant celebration of both the human spirit and the enduring power of story as a source of strength. Our hope is that this book will be like a lighthouse that can guide young readers through good times and bad....The ideas that these ancient stories hold are not for one people, at one time, in one place. They are for all of us, for all times, everywhere. --from the Authors' Note to Let My People Go

I Will Write to Avenge My People Annie Ernaux,2023-09-26 Published for the first time in a beautiful collectible edition, the essential lecture delivered by the 2022 recipient of the Nobel Prize in Literature, Annie Ernaux. «J’écirai por venger ma race» It was as a young woman that Annie Ernaux first wrote these words in her diary, giving a name to her purpose in life as a writer. She returns to them in her stirring defense of literature and of political writing in her Nobel Lecture, delivered in Stockholm on December 7, 2022. To write of her own life, she asserts, is to “shatter the loneliness of experiences endured and repressed;” to mine individual experience is to find collective emancipation. Ernaux’s speech is a bold assertion of the capacity of writing to give people a sense of their own worth, and of one writer’s commitment to bearing witness to life, its joys and its injustices. Includes Annie Ernaux's Nobel lecture, her Nobel banquet speech, a congratulatory speech by Professor Anders Olsson, Chair of the Nobel Committee for Literature, and the Nobel opening address by Professor Carl-Henrik Heldin, Chairman of the board of the Nobel Foundation.
