The Reverse Coloring Book™ Kendra Norton, 2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. *The Reverse Coloring Book* includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And

unlike with traditional coloring books, all you need is a pen.

The Reverse Coloring Book™: Through the Seasons Kendra Norton, 2022-03-29 A second book of Reverse Coloring—a creative, meditative, no coloring in the lines art activity poised to be a hot trend—from Kendra Norton.

On the Muslim Question Anne Norton, 2020-01-21 Why “the Muslim question” is really about the West and its own anxieties—not Islam In this fearless, original book, Anne Norton demolishes the notion that there is a “clash of civilizations” between the West and Islam. What is really in question, she argues, is the West’s commitment to its own ideals: to democracy and the Enlightenment trinity of liberty, equality, and fraternity. In the most fundamental sense, the Muslim question is about the values not of Islamic, but of Western, civilization.

The Supernumerary James Norton,2010-10-15 It wasn't until 1st Lieutenant Dan Hagerty was

assigned to investigate Captain Calvin Smith's death that he found he was third in line to kill the S. O. B. On one hand, Dan was scheduled to be shipped home from Vietnam in eighteen days. On the other, two people had simultaneously shot Calvin. For Dan that aroused a certain level of interest in the murder. Of course, the military can hold a man over, or bring him back to complete a murder investigation, and they did. More correctly, Major Grace O'Connor of the Provost Marshal's Criminal Investigation Division did. She told Dan it would be good for him. It would make him a man. It came damn close to making him a corpse. Four times that he knew of. Five, if you counted the original incident where Calvin bought it at the barracks fire at Can Tho Army Air Field.
