

Opera

Nancy Yunhwa Rao

Opera on Stage Lorenzo Bianconi, Giorgio Pestelli, 2002-07 The History of Italian Opera marks the first time a team of expert scholars has worked together to investigate the Italian operatic tradition in its entirety, rather than limiting its focus to individual eras or major composers and their masterworks. Including both musicologists and historians of other arts, the contributors approach opera not only as a distinctive musical genre but also as a form of extravagant theater and a complex social phenomenon—resulting in the sort of panoramic view critical to a deep and fruitful understanding of the art. *Opera on Stage*, the second book of this multi-volume work to be published in English—in an expanded and updated version—focuses on staging and viewing Italian opera, from the court spectacles of the late sixteenth century to modern-day commercial productions. Mercedes Viale Ferrero describes the history of theater and stage design, detailing the evolution of the art well into the twentieth century. Gerardo Guccini does the same for stage and opera direction and the development of the director's role as an autonomous creative force. Kathleen Kuzmick Hansell discusses the interrelationships between theatrical ballet and Italian opera, from the age of Venetian opera to the early twentieth century. The visual emphasis of all three contributions is supplemented by over one hundred illustrations, and because much of this material—on the more spectacular visual aspects of Italian opera—has never before appeared in English, *Opera on Stage* will be welcomed by scholars and opera enthusiasts alike.

Opera and Politics John Bokina, 1997-01-01 To what extent do operas express the political and cultural ideas of their age? How do they reflect the composer's view of the changing relations among art, politics, and society? In this book John Bokina focuses on political aspects and meanings of operas from the baroque to postmodern period, showing the varied ways that operas become sensuous vehicles for the articulation of political ideas. Bokina begins with an analysis of Monteverdi's three extant operas, which address in an oblique way the political and ideological dualities of aristocratic rule in the seventeenth-century Italy. He then moves to Mozart's *Don Giovanni*, which he views as a celebration of the demise of a predatory aristocracy. He presents Beethoven's *Fidelio* as an example of the political spirit of a revolution based on republican virtue, and Wagner's *Parsifal* as a utopian music drama that projects romantic anticapitalist ideals onto an imagined past. He shows that Strauss's *Elektra* and Schoenberg's *Erwartung* transform the traditional operatic depiction of madness by reflecting the emerging Freudian psychoanalysis of that era. And he argues that operas by Pfitzner, Hindemith, and Schoenberg explore the political roles of art and the artists, each couching contemporary conditions in an allegory about the fate of art in a historical period of transition. Finally, Bokina offers a reappraisal of Henze's *The Bassarids* as a political opera that confronts the promise and limits of the sensual-sexual revolt of the twentieth-century.

The Victrola Book of the Opera Victor Talking Machine Company, 1924

I Dream a World Beverly Soll, 2005-01-01 William Grant Still (1895-1978) dreamed of a world in which his eight operas—for him the ultimate form of musical expression—would be heard in the major opera houses in the United States, devoting most of his career toward the pursuit of this goal. The first part of *I Dream a World* creates a context for Still's operas and explores commonalities among them, including structural elements and musical characteristics. The second part traces the research, composition, and performances of the operas as a way of documenting the history of the composer and his contributions to American opera. Although *I Dream a World* is not intentionally biographical, it is very personal. It is more than the story of William Grant Still's love of operatic music, of the libretti that reflect his own life and philosophy, and of the world he dreamed through his work. It opens a window on Still the man as well as on Still the composer that offers important insights into the social milieu of this pioneering figure.

Dance and Drama in French Baroque Opera Rebecca Harris-Warrick, 2016-10-27 Since its inception, French opera has embraced dance, yet all too often operatic dancing is treated as mere decoration. *Dance and Drama in French Baroque Opera* exposes the multiple and meaningful roles that dance has played, starting from Jean-Baptiste Lully's first opera in 1672. It counters prevailing

notions in operatic historiography that dance was parenthetical and presents compelling evidence that the *divertissement* - present in every act of every opera - is essential to understanding the work. The book considers the operas of Lully - his lighter works as well as his tragedies - and the 46-year period between the death of Lully and the arrival of Rameau, when influences from the *commedia dell'arte* and other theatres began to inflect French operatic practices. It explores the intersections of musical, textual, choreographic and staging practices at a complex institution - the Académie Royale de Musique - which upheld as a fundamental aesthetic principle the integration of dance into opera.

Historical Dictionary of Opera Scott L. Balthazar, 2013-07-05 The information in the Historical Dictionary of Opera will help the reader identify central figures, works, concepts, and trends in the history of opera through selectively chosen entries that provide essential information and integrate that content within broad social or stylistic narratives. This is done through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 300 cross-referenced dictionary entries on important persons, composers, individual keystone operas, cities and terms. This book is a vital reference tool for students, teachers, and to all opera lovers, performers, and composers who seek information about the development of the genre.

Opera as Institution Cristina Scuderi, Ingeborg Zechner, 2020-02-18 This volume brings together ten essays focusing on the diversity of operatic institutions, their protagonists, and historical fortunes in Europe from 1730 to 1917. Its aim is not to understand operatic institutions as locally distinct and isolated organizations, but rather to perceive them as a part of a historically fluctuating, transnational network: a network that was shaped among other things by individual professionals and groups in the opera business (and beyond), as well as by specific socio-cultural and political surroundings. The volume offers new perspectives on a wide range of topics, including networks of cultural exchange, singers as agents in shaping institutional structures, and the influence of socio-cultural, diplomatic, and political factors on operatic production across international borders.

Tosca Giacomo Puccini, Luigi Illica, 1900

Encore, Opera Cat! Tess Weaver, 2009 A spectacular sequel to the ever-popular *Opera Cat*.

The Opera, Past and Present William Foster Apthorp, 1901

Chinatown Opera Theater in North America Nancy Yunhwa Rao, 2017-01-11 The Chinatown opera house provided Chinese immigrants with an essential source of entertainment during the pre "World War II era. But its stories of loyalty, obligation, passion, and duty also attracted diverse patrons into Chinese American communities. Drawing on a wealth of new Chinese- and English-language research, Nancy Yunhwa Rao tells the story of iconic theater companies and the networks and migrations that made Chinese opera a part of North American cultures. Rao unmask a backstage world of performers, performance, and repertoire and sets readers in the spellbound audiences beyond the footlights. But she also braids a captivating and complex history from elements outside the opera house walls: the impact of government immigration policy; how a theater influenced a Chinatown's sense of cultural self; the dissemination of Chinese opera music via recording and print materials; and the role of Chinese American business in sustaining theatrical institutions. The result is a work that strips the veneer of exoticism from Chinese opera, placing it

firmly within the bounds of American music and a profoundly American experience.

Mozart's Operas Edward Joseph Dent,1913

The Top Books of the Year Opera The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Opera : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Opera : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
